New Skylight, DAGUERREOTYPE AND AMBROTYPE ROOMS.

A. S. HUGHES respectfully announces to the citizens of Crawfordsville and vicinity, that he has fitted up rooms with a large sky and side light for the express purpose of Daguerreotyping and Ambrotyping, in

Empire Block, directly over Sloan & Morgan's City Drug Store,

and I am now ready to take Daguerreotypes and Ambrotypes in A. No. 1 style and no mistake.—Good pictures or no charges, shall be the motto.

My Ambrotype Press

is the same and practiced by Root of Philadelphia, and is thought by many first-class operators to be superior to the Daguerreotype, from the fact that no dampness nor climate can affect them in the least; and pictures can be taken in one-fourth the time by this process, which gives it a paeference for small children and persons with weak eyes.

Ladies and Gentlemen call and see the new rooms, whether you want pictures or not.

Pictures taken for Lockets, Pins or Finger rings, groups of families, and all work in the line done and on reasonable terms; satisfaction given.

Good pictures can be taken in cloudy weather.
