Newspaper Decisions.

1. Subscribers who do not give express notice to the contrary are considered wishing to continue their subscription.
2. If subscribers order the discontinuance of their periodicals the publishers may continue to send them until all arrearages are paid.
3. If subscribers neglect or refuse to take their periodicals from the office to which they are directed they are held responsible until they have settled their bills and ordered them discontinued.
4. If subscribers move to other places without informing the publishers, and the papers are sent to the former direction, they are held responsible.
5. The courts have decided that "refusing to take periodicals from the office or removing and leaving them uncalled for, is prima facia evidence of intentional fraud."
6. Any person who receives a newspaper and makes use of it, whether he has ordered it or not, is held in law to be a subscriber.
7. If subscribers pay in advance they are bound to give notice to the publisher at the end of their time, if they do not wish to continue taking it; otherwise the publisher is authorized to send it on and the subscribers will be responsible until an express notice, with payment of all arrears is sent to the publisher.

—The friends of the Indianapolis, Delphi and Chicago road are much elated over the business the road is doing. In the seven months it has been in operation between Rensselaer and Monticello it has paid operating expenses, and has earned enough be side to pay 4½ cents interest on bonds. There is a strong effort now being made to push the road through to Indianapolis without delay. Parties interested are seeing what can be done in the way of disposing their bonds, providing the enterprise was immediately undertaken. The Bee Line company have proposed to allow them to use their tracks from Brightwood into the Union depot, and their city freight depot to transact their freight business in, providing they will connect with them at Brightwood, give them their East-bound business, and erect their shops at Brightwood. Delphi is also a bidder for the shops, having offered to donate to them seventeen acres of ground if the company will build shops at that point. The I. D. & C. company are negotiating for the building of coaches and freight cars with the patent adjustable trucks, which they propose to use in their business, which passes over standard gauge roads, and for their local business their narrow-gauge rolling stock now in service will be used until worn out. —[Indianapolis Journal.

THE TICKET.

The tickets for voting on the new Constitutional Amendments, the election to take place on the first Monday in April, 1880, will be printed under the direction of the Secretary of State, and paid for out of the State Treasury direct. The law prescribes that the tickets shall be printed on blue paper, and that not less than three tickets to each voter shall be provided. This would make more than a million and a half of tickets—no inconsolable plum for the printer. Each amendment, some of them quite lengthy, will be printed on the ticket, which will be necessarily a long one, and below each amendment are the words, "No" and "Yes," of which the voter can take his choice.—[Lafayette Journal.

Orwin has on hand a nice line of Jewelry, Watches, Clocks and all kinds of musical merchandise, which he will sell cheap, as he is going away in 30 days.

Clint. Stackhouse says he will give one peck of his fine Clawson Wheat for every two new subscribers to the Sentinel.

O. B. McIntire, Banker and Real Estate Agent, Remington, has several choice and desirable town and country properties to dispose of on reasonable terms. He offers great bargains.

Now bestir yourselves! Prepare your speed horses for the track.—Put your draught horses, thoroughbred cattle, sheep, etc., etc., in the best possible trim, and have them on hand at the Fair.

Dr. A. H. Wirt, dentist, is in town, and will remain a short time. He will be happy to meet all desiring his professional services, at the law office of D. B. Miller, Esq., over the Narrow Gauge Clothing House.

Ezra L. Clark is established in the Nowels building with an extensive and entirely new stock of hardware, of all kinds, tinware, table and pocket cuttlery, etc., etc., to which he respectfully invites the attention of the public.

Let fair hands go to work and produce articles useful and beautiful, and place them on exhibition at the Fair. And our artisans and mechanics, too, go to work and have on hand specimens of your handiwork.

When you are thirsty call at the Restaurant of F. G. Henkle & Co. and get an ice-cold Lemonade. Only 5c.

I have 160 acres of land, 2½ miles from Afton, Union county, Iowa, to trade for property in Rensselaer. For further particulars apply to Jno. F. Boroughs.

Don't fail to go to C. C Starr's new store for anything you want in the Grocery or Queensware line, and examine his goods and prices before making your purchases. Standard goods and low prices, for cash, is his motto.

The farmers of Jasper county are hereby informed that R. D. Roberts, of Crystal Flouring Mills, Monticello, will exchange Flour for Wheat, and transfer same from and to depot at Monticello without charge.

For browned Coffee, plug Tobacco, canned Fruits, Apricots, green Gages, Peaches, canned Salmon, fine cut Tobacco 50c. per lb., Cigars, Queensware and Glassware, silver-plated Knives, Forks and Spoons, table and pocket Cutlery, Japan, Young Hyson, Oolong, Imperial and Gunpowder Teas, Maltby's Prepared Cocoa, etc., etc., go to Charley Starr's. He keeps them in greater quanity and variety and at lower figures than elsewhere.

And you bet! Clint. Stackhouse will be on hand with his "Jersey Reds," and the finest specimens of wheat grown, and will delight the people at the Fair, with his glowing descriptions of the good qualities of his hogs and grain, and he will not stretch the truth either. Clint deserves great credit for his efforts and expense to introduce fine and profitable stock and grain in this section.
