CITY NEWS.

BUTTER and eggs are in good demand.

BALLOON ascension at the Fair Grounds to-day a 4 o'clock.

PEACHES of the finest variety at Riley & Son's grocery on Washington street.

OUR market is well supplied with fine peaches.

THE eastern mail will be carried on the new railroad the first of next month

A RUNAWAY occurred last Tuesday afternoon in which a threshing machine was considerably damaged.

A FALSE alarm of fire was raised last Saturday night, which, for a time, raised considerable commotion on our streets.

GRAHAM & BRO. are making preparations to build a business room on Main street.

RAILROAD half-fare, State fair tickets can be procured from the gentle Sydney at McKee's office, or at the Station.

Two members of the Sorosis and one of the Young Men's Christian Association visited Ladoga on last Sunday. No cake.

OUR neigbor McCane of the *Journal*, has been elected Secretary of the Sorosis Society of this city.

THE wheat market has been active during the week. Prices range from 90 cents to a dollar.

CAPT. BARCUS with a heavy force of workmen will commence work on the railroad bridge over the Dry Branch on next Monday.

THE I., B. & Western Railroad Company will commence the erection of a passenger and freight depot next week. It will be located south of Esquire Britton's residence.

THE contract for grading and bridging the railroad from here to Danville, Illinois, will probably be given to successful bidders the first of next month.

THE I., B. & W. R. R. is doing a fine business between here and Indianapolis, both in passengers and freight. When completed it will be one of the best paying roads it the west.

WE notice that the managers of the County Fair are making every arrangement to make the Fair a success. From what we have observed within the last few days, the exhibition will be a grand success.

MRS. MARY A. LIVERMORE graced our streets last Wednesday morning. In appearance she is masculine in her features, and is what properly might be termed a he woman.

MR. A. G. PARIER, agent for the house of Benham & Bro., 33 East Washington street, Indianapolis, informs us that he will have a couple of their grand pianos on exhibition at our county Fair.

THE Richardson house is crowded daily with guests. Hote keeping is a paying business in our city, and Mr. Richardson is a popular and clever landlord, one whom it is a pleasure to stop with.

A VERY cowardly and contemptible trick was played by some unknown parties in entering the Christian church, last Monday night, and carrying off the evergreens with which the ladies had decorated the room.

AT a meeting of the Crawfordsville Dramatic Association, the following officers were chosen: General Director, L. B. Willson, Stage Manager, Dr. T. McMechan, Sec'y, S. C. Campbell, Treas. Henry Campbell, Musical Director, A. H. Braden.

THE case of the City of Crawfordsville is Jacob Douglas, appealed to the Circuit Court, was dismissed therefrom by Judge Cowan, upon the ground that the City Council had no right, under the statute to pass the ordinance which the old moke violated. The case has been appealed to the Supreme Court.

THE bridge over the Louisville, New Albany and Chicago railroad, leading to the Fair Grounds is in a very dangerous condition, and needs rebuilding. So far, a criminal neglect has been manifested by those whose duty it is to see that the bridge is kept in a safe condition. By the request of many tax-payers, we call the attention of the proper authorities to this matter who should not delay a day in seeing that the bridge is made safe against accidents.

MR. G. R. BECKWITH, agent for the State for the sale of Donforth's Petroleum Fluid, is at present stopping in our city. The fluid is non-explosive and makes a beautiful light, and is far superior to common coal oil. It has been thoroughly tested by many of our citizens and pronounced the best and cheapest oil in the market. Persons wishing to engage in a profitable business would do well to call on Mr. Beckwith, who can be found at the Richardson House.

J. S. MILLER & Co. of this city, placed on exhibition last week a number of their elegant carriages and buggies at the Fountain and Warren County Fair, held at Attica. During the exhibition some scoundrel cut and defaced them. The society has offered a reward of fifty dollars for the arrest of the party or parties who committed the outrage. The work turned out by this firm is the finest in the west, and wherever exhibited has never failed to take the premium. Nearly every carriage and buggy taken to Attica was sold during the week of the Fair.

THE SOROSIS CONVENTION.

This exhibition of strong-minded women came off at the Christian church on last Tuesday and Wednesday. Like all shows, it was not entirely devoid of interest, there were many comical scenes which well repaid for the twenty-five cent check demanded at the door. A circus without a clown would be a poor affair, and a Sorosis Convention without its male fools to dance attendance in bandying witless jokes with the rin-gmistress would hardly be deemed a success. Mrs. Livermore's Varieties though not on as an extended a scale as her exhibitions in larger cities, was nevertheless a paying one here. The old adage that one fool makes many, was no exception to the rule in Crawfordsville, for the show was well attended and the receipts amply sufficient to pay the star actress her hundred dollars for teaching silly young girls and hysterical old maids how to obtain their rights to the ballot, which barbarous and cruel men had kept from them.

Want of space forbids us from publishing even a synopsis of this rediculous affair. Nine-tenths of the ladies present were attracted simply by curiosity, and it is but justice to them to state, that they were disgusted not only with the amount of chock displayed by the unfeminine Livermore, but with her abominable teachings, which if carried out would destroy all that is beautiful, pure and virtuous in women.

Produce.

Farmers will find and excellent market for their produce at Riley & Son's Exchange.

Cod Fish.

Desiccated cod fish, a splendid article of food for the table, can be had at Riley & Son's establishment, on Washington street.

Prepared Olium Capillarium.

This Preparation is warranted to produce beautiful new Hair, prevent the Hair from falling out, and to remove Dandruff, Scurf, &c., from the head.

It is, also, a splendid article for the Toilet, being richly perfumed, and renders the Hair dark, soft, and glossy, inclining it to curl; without causing any unpleasant greasiness to the Hair. Prepared only by E. J. Binford & Bro., Crawfordsville, Ind.

He has his room fitted up in elegant style. The Maj. will be glad to have all his old friends and the public generally, call and see him. National block, Washington street. s18w2

Drugs.

The last shall be first.—*Scripture.*

Verified by the fact that the drug store established in this city after the others had been in full operation for years, is now eclipsing all the rest in the way of trade. Look in at Fry's Drug Store on Green Street and see.

Palor Stoves.

If you want one of the best Parlor Stoves in the market, for the least money, do not fail to go to Irwin's he is now receiving his fall and winter stock which were bought at bottom figures and will be sold the same way. His stock of hardware and queensware is large and is now being sold at cost to make room for his fall purchases. Builders will save twenty per cent. by buying of Irwin. Mo mistake about this. s24w1

Good News.

We are happy to inform the public that Webster & Son have bought the stock of boots and shoes owned by Curtis & Bro. They will be pleased to see all the public, and will endeavor to supply every one that comes with the best article in the market. As for cheapness, we would say, there is no cheaper. s25w4

To The Public.

As Potatoes are becoming quite a commodity of trade, it is necessary that we procure the earliest and best varieties, and after having tried seven or eight kind, I procured a few Early Rose of Mr. Hoppins, last spring, and find them to be two weeks the earliest, the best flavored and the most prolific, in a word they are *the* potato.

Be Beautiful.

If you desire beauty you use Hagan's Magnolia Balm.

It gives a soft, refined, sattin-like texture to the Complexion, removes Roughness, Redness, Blotches, Sunburn, Tan, etc., and adds a tinge of Pearly Bloom to the plainest features. It brings the Bloom of Youth to the fading cheek and changes the rustic Country Girl into a Fashionable City Belle.

In the use of the Magnolia Balm lies the true secret of Beauty. No Lady need complain of her Complexion who will invest 75 cents in this delightful article.

Worthy of Attention.

To Dr. Thomas A. Hurley:

I hereby certify that during the last year I was attacked with the Ague while in Vicksburg, Miss., and used several popular patent medicines with but temporary relief. On reaching home the disease returned in a worse type, if possible, when my medical attendant ordered Quinine, in large doses, frequently as high as 60 grains per day, and which must have cost me nearly $100. I consulted Dr. Smith, of Louisville, and found he prescribed Quinine and Arsenic, combined, which I refused to take, preferring to let the disease take its course. I was almost bloodless, extremely exhausted, and pronounced with enlarged Liver and Spleen. At about this time the advertisement of Hurley's Ague Tonic appeared in a city paper, and I determined to give it a trial. I did so and have no reason to regret it. One bottle restored me completely, and since that time I have seen nearly a hundred cases in which it acted with equally happy result, and would certainly recommend it as preferable to any other Tonic before the public.
