WHEELER & WILSON'S
SEWING
MACHINES.
OFFICE
No. 6 Commercial Block,

LAFAYETTE IND.

THE Committee of the American Institute, N. Y., appointed at the last exhibition at Palace Garden to examine Sewing Machines, have made a long, elaborate, and other parts, of much interest to the public. Although the utility of this invention is established beyond all question, yet for the various purposes of its application, ignorance exists as to the particular patent best for a specific purpose. Committee's hereto fore have not discriminated and classified sufficiently. This report is free from these faults. The machines are arranged according to the stitch made, and the purpose to which the machine is to be applied, in four classes, 1st, 2d, 3d and 4th; a classification indicating the general order of merit and importance.

Class 1st, includes the Shuttle or Lock Stitch Machine for family use, and for manufactures in the same range of purpose and material. The Committee has assigned this class the highest rank on account of the "elasticity, permanence, beauty and the general desirableness of the stitching when done," and the wide range of its application. At the head of this class they place the Wheeler & Wilson Machine, and award it the highest premium. This has been the uniform award for this Machine throughout the country for several years, and we think no disinterested person will dispute its justice and propriety. —Tribune.

Call at our office, No. 6 Commercial Block, south side Public Square, and satisfy yourselves. Orders promptly filled, and Machines warranted for three years, and full instructions given free of charge.

G. B. O. is also agent for Ladd, Webster & Co's celebrated Shuttle Sewing Machines. Also, for Sewing Machine Needles, Silk, Twist, Thread, &c. Call or send for a circular.

HOWARD ASSOCIATION,
PHILADELPHIA.

A Benevolent Institution established by special Endowment, for the Relief of the Sick and Distressed, afflicted with Virulent and Epidemic Diseases.

THE Howard Association, in view of the awful destruction of human life caused by Sexual diseases, and the deception practiced upon the unfortunate victims of such diseases by Quacks, several years ago directed their Consulting Surgeon, as a CHARITABLE ACT worthy of their name, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give MEDICAL ADVICE GRATIS to all who apply by letter, with a description of their condition, age, occupation, habits of life, &c., and in case of extreme poverty, to FURNISH MEDICINES FREE OF CHARGE. It is needless to add that the Association commands the highest Medical skill of the age, and will furnish the most approved modern treatment.

The Directors of the Association, in their Annual Report upon the treatment of Sexual Diseases, express the high satisfaction with the success which has attended the labors of their Surgeons in the cure of Spermatorrhea, Seminal Weakness, Gonorrhœa, Gleet, Syphilis, the vices of Onanism, or Self-Abuse, Diseases of the Kidneys and Bladder, &c., and order a continuance of the same plan for the ensuing year.

The Directors on a review of the past feel assured that their labors in this sphere of benevolent effort have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important and much despised cause.

An admirable Report on Spermatorrhœa, or Seminal Weakness, the vice of Onanism, Masturbation, or Self-Abuse, and other diseases of the Sexual organs, by the Consulting Surgeon, will be sent by mail (in a sealed envelope,) FREE OF CHARGE, on receipt of TWO STAMPS for postage. Other Reports and Tracts on the nature and Treatment of Sexual diseases, diet, &c., are constantly being published for gratuitous distribution and will be sent to the afflicted. Some of the new remedies and methods of treatment discovered during the last year, are of great value.

Address, for Report or treatment, DR. J. SKILLIN HOUGHTON, Acting Surgeon, Howard Association, No. 2 South Sixth Street, Philadelphia, Pa. By order of the directors,

EZRA D. HARTWELL, President.
GEO. FAIRCHILD, Secretary.

THE CELEBRATED HOLLAND REMEDY FOR
DYSPEPSIA,
DISEASE OF THE KIDNEYS,
LIVER COMPLAINT,
WEAKNESS OF ANY KIND,
FEVER AND AGUE,
and the various affections consequent upon a Disordered Stomach or
LIVER,

Such as indigestion, Acidity of the Stomach, Celicky Pains, Heartburn, Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles, In all Nervous, Rheumatic and Neuralgic Affections, it has in numerous instances proved highly beneficial, and in others effected a decided cure.

This is a purely vegetable compound, prepared on strictly scientific principals, after the manner of the celebrated Holland Professor, Boehave. Its reputation at home produced its introduction here, the demand commencing with those of the Fatherland scattered over the face of this mighty country, many of whom brought with them and handed down the tradition of its value. It is now offered to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect it finds its way directly to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit, and infusing new health and vigor in the system.

READ CAREFULLY! The Genuine highly concentrated Boerhave's Holland Bitters is put up in half-pint bottles only and retailed at ONE DOLLAR per bottle. The great demand for this truly celebrated Medicine has induced many imitations, which the public should guard against purchasing.

Beware of Imposition! See that our name is on the label of every bottle you buy.
