A HORRIBLE HOLD-UP.

"About ten years ago my brother was 'held up' in his work, health and happiness by what was believed to be hopeless Consumption," writes W. H. Lipscomb of Washington, N. C. "He took all kinds of remedies and treatment from several doctors, but found no help till he used Dr. King's New Discovery and was wholly cured by six bottles. He is a well man today." It's quick to relieve and the surest cure for weak or sore lungs, Hemorrhages, Coughs and Colds, Bronchitis, La Grippe, Asthma and all Bronchial affections. 50c and $1.00. Trial bottle free. Guaranteed by all druggists.

Simple Recipe for Home-Made Rheumatism and Kidney Cure.

To relieve the worst forms of Rheumatism, take a teaspoonful of the following mixture after each meal and at bedtime:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

These harmless ingredients can be obtained from our home druggists, and are easily mixed by shaking them well in a bottle. Relief is generally felt from the first few doses.

This prescription forces the sluggish, inactive Kidneys to filter and strain from the blood the poisonous waste matter and uric acid, which causes Rheumatism.

As Rheumatism is not only the most painful and torturous disease, but dangerous to life, this simple recipe will no doubt be greatly valued by many sufferers here at home, who should at once prepare the mixture to get this relief.

It is said that a person who would take this prescription regularly a dose or two daily, or even a few times a week, would never have serious Kidney or Urinary disorders or Rheumatism.

Cut this out and preserve it. Good Rheumatism prescriptions which really relieve are scarce, indeed, and when you need it, you want it badly.

This is An Easy Test.

Sprinkle Allen's Foot-Ease in one glove and not in the other, and notice the difference. Just the thing to use when rubbers or overshoes become necessary, and your shoes seem to pinch. Sold everywhere, 25c. Don't accept any substitute.

ral option election in an follows: "Dry" 1175; "wet" 1,380; majority in favor of "dry" 1,594. Only two precincts out of thirty-four went "wet." The temperance party is celebrating over the great victory, and the college bell was rung for one hour. A light vote was polled, and it is estimated that not more than 70 per cent of the regular vote was cast. In most of the precincts in the country districts the vote was "dry," while several of the city precincts went "wet."

Greensburg, Ind., Jan. 27.—Complete unofficial returns from all of the twenty-seven precincts in Decatur county show a "dry" victory in the local option fight held here by 1,708 majority. Only two precincts voted "wet." Millhousen voted "wet" by 1,071, and this majority was not overcome by the other two precincts which compose Marion township. Washington township, in which Greensburg is situated, went "dry" by over 600. There will be no jubilation by the drys, but the church bells rang for several minutes to signify the victory.

Noblesville, Ind., Jan. 27.—The local option election yesterday gave the drys a majority of nearly 2,000, the unofficial figures showing 2,096. All of the eleven precincts in this city were open before 7 o'clock this morning with the exception of precinct four. Charles M. Ginsey, a prominent farmer, who was one of the judges, failed to appear and further declared he would not serve on the board. A big crowd was on hand ready to vote. Under the local option law the last saloon of Hamilton county will close its doors in Arcadia, Oct. 28. This saloon is owned by Thomas Barnes. The saloons of E. L. Sagber and J. E. Harrison of this city will close Oct. 16.

examine them, compelling them to testify, and thus to inquire into the various kinds of law violations. The court could record the statements of witnesses as testifying and force them to make affidavit to these statements. The prosecutor would then, on the basis of what he had heard, make an affidavit of information. In effect the court of inquiry would serve the prosecutor while the grand jury is out of session much as the grand jury now serves him.

A drilled report on the uniform accounting bill will be presented to the senate this morning by the committee on county and township business. The committee met yesterday afternoon, and after it was apparent that the members could not come to an agreement unanimous was made that two reports will be submitted. The majority will recommend the passage of the bill and the minority will report it for indefinite postponement.

Senator Royse's fence bill, which passed the last session of the legislature and which was vetoed by former governor Hanly, went through after its third reading without any objection. In explaining the bill, Senator Royse said the governor had withheld his signature because he did not believe there was a necessity for its passage, and suggested that he would rather the supreme court had made the ruling instead of the governor. The bill provides that all fences dividing property lines constructed with malicious intent, to a greater height than six feet shall be deemed a nuisance.
