Hamilton County Officials Hear Setters May Quit.

By Times Special

NOBLESVILLE, Ind., Sept. 9.—Hamilton County officials were marking time today in the situation created by the disappearance of Treasurer Thomas E. Setters, whose funds are alleged to be short. Reports were current that Setters would send a written resignation. It was pointed out that this course would permit appointment of a successor who could handle the half-million dollars in taxes due to be paid into the treasurer's office within the next two months.

It has been learned that Setters on Sept. 3, in a letter bearing an Indianapolis postmark and directed to his daughter, Bertha Esther Setters, 13, declared he would never return to Noblesville and that he was leaving because of "certain conditions."

William P. Cosgrove and Clifford Walsh, State accounts board examiners, are going over Setters' books. Beyond saying their task probably will not be completed before Oct. 1, they refuse to comment.

CLEVELAND RAISES FUND FOR CONVENTION

Bid for Republican National Parley Is Given Impetus.

By United Press

CLEVELAND, Ohio, Sept. 9.—Cleveland's bid for the national Republican convention next summer has been given added impetus with the announcement that the committee in charge already has sufficient funds to entertain the delegates.

James L. E. Jappe, secretary to Col. Carmi A. Thompson, who heads a committee to bring the 1928 convention to Cleveland, said today assurances of $150,000 to finance the convention have been received by the committee.

Immediately after the appointment of the sub-group which is to name the 1928 meeting place, Colonel Thompson will lead his committee to Washington to appear before the Republican sub-committee on behalf of this city as the 1928 meeting place.

By a new vulcanizing process, rubber substitutes now are being made from coal oil.

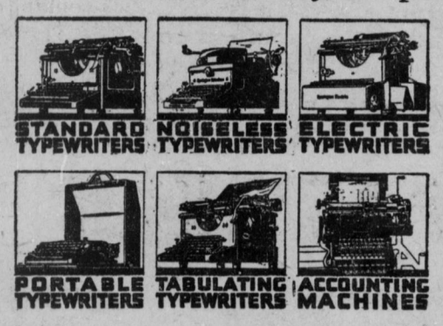
A Machine for Every Purpose



THE Remington Line is the one and only complete and universal typewriter line, including a machine for every purpose and for every conceivable condition of service.

Standard Typewriters, Noiseless Typewriters, Electric Typewriters, Tabulating Typewriters, Portable Typewriters, Vertical Adding Typewriters, and Bookkeeping Machines of every kind and description are all included in this universal line. And every one of these many Remingtons represents the very last word in the field that it covers.

This completeness of the Remington Line—a new development in the industry—enables the typewriter and bookkeeping machine user to practice selective buying to a degree hitherto impossible. Whatever your needs may be, whether general or special, there is sure to be a machine in the Complete Remington Line which fits these needs—exactly.

In making the right selection, the Remington representative can render you most helpful assistance. His training is as complete as the line which he sells; he knows the machine which *should* be used under every given condition—and for each and every purpose. And this knowledge and training is freely at your service.

HELP FOR SICK WOMEN

Lydia E. Pinkham's Vegetable Compound Has Restored the Health of Thousands

Mrs. G. Hegmann of 228 Schaeffer St., Brooklyn, N. Y., was in a run-down condition and could not do her housework. She could not sleep at night. Her story is not an unusual one. Thousands of women find themselves in a similar condition at sometime in their lives. "I found your advertisement in my letter box," wrote Mrs. Hegmann, "and took Lydia E. Pinkham's Vegetable Compound and got relief." Mrs. Hegmann also took Lydia E. Pinkham's Herb Medicine and Lydia E. Pinkham's Pills for Constipation, with good results. She says, "I am recommending your medicines to all I know who have symptoms the same as mine, and to others whom I think it will help. You may use my statement as a testimonial, and I will answer any letters sent to me by women who would like information regarding your medicines."

There are women in your state—perhaps in your town—who have written letters similar to this one telling how much Lydia E. Pinkham's Vegetable Compound has helped them.
