**Worthy of Attention.**

**To Dr. Thomas A. Hurley:**

I hereby certify that during the last year I was attacked with the Ague while in Vicksburg, Miss., and used several popular patent medicines with but temporary relief. On reaching home the disease returned in a worse type, if possible, when my medical attendant ordered Quinine, in large doses, frequently as high as 60 grains per day, and which must have cost me nearly $100. I consulted Dr. Smith, of Louisville, and found he prescribed Quinine and Arsenic, combined, which I refused to take, preferring to let the disease take its course. I was almost bloodless, extremely exhausted, and pronounced with enlarged Liver and Spleen. At about this time the advertisement of Hurley's Ague Tonic appeared in a city paper, and I determined to give it a trial. I did so and have no reason to regret it. One bottle restored me completely, and since that time I have seen nearly a hundred cases in which it acted with equally happy result, and would certainly recommend it as preferable to any other Tonic before the public. **DR. JOHN BULL,**

MANUFACTURER AND VENDER OF THE

*Celebrated*

**BULL'S TONIC SYRUP**

FOR THE CURE OF

**AGUE AND FEVER**

OR CHILLS AND FEVER.

THE proprietor of this celebrated medicine justly claims for it, superiority over all remedies ever offered to the public for the safe, certain speedy and permanent cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire West and South, to bear him testimony to the truth of the assertion, that in no case whatever will it fail to cure, if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of general health. It is, however, prudent, and in every case more certain to cure, if its use is continued in smaller doses for a week or two after the disease has been checked, more especially in difficult and long standing cases. Usually, this medicine will not require any aid to keep the bowels in good order, should the patient, however, require a cathartic medicine after having taken three or four doses of the Tonic, a single dose of Bull's Vegetable Family Pills will be sufficient.

BULL'S

**WORM DESTROYER.**

To my United States and World Wide Readers.

I HAVE received many testimonials from professional and medical men as my almanacs and various publications have shown, all of which are genuine. The following from a highly educated popular physician in Georgia, is certainly one of the most sensible communications I have ever received. Dr. Clement knows exactly what he speaks of, and his testimony deserves to be written in letters of gold. Hear what the Doctor says of Bull's Worm Destroyer:

VILLANOW, WALKER COUNTY, GA., June 29, 1866.

DR. JOHN BULL—Dear Sir: I have recently given your worm destroyer several trials and find it wonderfully efficacious. It has not failed in a single instance to have the wished for effect. I am doing a pretty large country practice, and have daily use for some article of that kind. I am free to confess that I know of no remedy recommended by the ablest authors that is so certain and speedy in its effects. On the contrary they are uncertain in the extreme. My object in writing you this is to find out upon what terms I can get the medicine directly from you. If I can get it on easy terms, I shall use a great deal of it. I am aware that the use of such articles is contrary to the teachings and practice of a great majority of the regular line of M. D's, but I can see no just cause or good sense in discarding a remedy which we know to be efficient, simply because we may be ignorant of its combination. For my part, I shall make it a rule to use all and any means to alleviate suffering humanity which I may be able to command—not hesitating because some one more ingenious than myself may have learned its effects first and securred the sole rignt to secure that knowledge. However, I am by no means an advocate or supporter of the thousands of worthless nostrums that flood the country, that purport to cure all manner of disease to which human flesh is heir. Please reply soon and inform me of your best terms.

I am sir, most respectfully JULIUS P. CLEMENT, M. D.

BULL'S

**SARSAPARILLA**

A good reason for the Captains Faith.

Read the Captain's Letter and the Letter from his mother:

Benton Barracks, Mo., April 30, 1866.

DR. JOHN BULL—Dear Sir. Kowing the efficacy of your Sarsaparilla, and the healing and benefical qualities it possesses, I send you the following statement of my case:

I was wounded about two years ago, was taken prisoner and confined for sixteen months. Being moved so often, my wounds have not healed yet. I have not sat up a moment since I was wounded. I am shot through the hips. My general health is impaired, and I need something to assist nature. I have more faith in your Sarsaparilla than in anything else. I wish that that is genuine. Please express me half a dozen bottles, and oblige.

CAPT. C. P. JOHNSON.

St. Louis, Mo.

P. S.—The following was written April 30, 1865, by Mrs Jennie Johnson, mother of Captain Johnson.

DR. JOHN BULL—Dear Sir: My husband, Dr. C. S. Johnson was a skilled surgeon and physician in central New York, where he died, leaving the above C. P. Johnson to my care. At thirteen years of age he had a chronic diarrhea and scrofula, for which I gave your Sarsaparilla. It cured him. I have for ten years recommended it to many in New York, Ohio, and Iowa, for scrofula, fever sores, and general debility. Perfect success has attended it. The cures effected in some cases of scrofula and fever sores were almost miraculous. I am very anxious for my son to again have recourse to your Sarsaparilla. He is fearful of getting a spurious article, hence his writing to you for it. His wounds were terrible, but I believe he will recover. Respectfully, JENNIE JOHNSON.

**CEDRON BITTERS**

AUTHENTIC DOCUMENTS.

**Arkansas heard from.**

Testimony of Medical Men.

Stoney Point, White Co., Ark., May 23, 1866.

DR. JOHN BULL—Dear Sir. Last February I was in Louisville purchasing drugs, and got some of your Sarsaparilla and Cedron Bitters.

My son-in-law who was with me in the store has been down with the rheutmatism for some time, commenced on the Bitters and soon found his general health improved.

Dr. Gist, who has been in bad health, tried them, and he also improved.

Dr. Coffee, who has been in bad health for several years—stomach and liver effected—improved very much by the use of your bitters. Indeed the Cedron Bitters has given you great popularity in this settlement. I think I can sell a great quantity of your medicines this fall, especially your Cedron Bitters and Sarsaparilla. Ship me via Memphis, care of Ricker & Neely.

Respectfully, B. WALKER.
