Court to Rule On Bet 'Neglect'

LITTLE ROCK, Ark., Feb. 5 (UP) — The Arkansas supreme court was called upon today to decide if Western Union should pay off a bet on a recent race at Washington Park because of its alleged failure to deliver on time a telegraphic tip to an Arkansas bettor.

A circuit court at Arkadelphia awarded Horace Estes $1162.50 which he would have won if he had bet $250 on a horse named Anklylos.

Mr. Estes charged that Western Union delayed for more than two hours delivery of a telegram. Western Union appealed the decision to the state supreme court.

FRESH BLOOD A MUST FOR FREE ENERGY

Do you feel like you are tied to a drag everytime you try to do something? If so, don't let a low blood count hold you down when you may release vibrant energy to every muscle, fibre, cell.

Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease.

To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

Also, SSS Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or scanty—thus the stomach will have little cause to get balky with gas, bloat and give off that sour food taste.

Don't wait! Energize your body with rich, red-blood. Start on SSS Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—firm flesh fill out hollow places. Millions of bottles sold. Get a bottle from your drug store. SSS Tonic helps Build Sturdy Health.

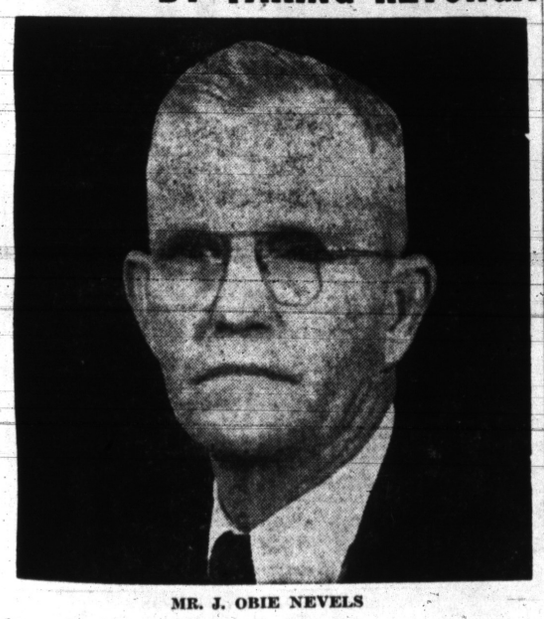
LOST 27 LBS. FROM INDIGESTION; REGAINS IT BY TAKING RETONGA



MR. J. OBIE NEVELS

"I Can Eat Anything Now From Hamburgers on Up or Down," Declares Well-Known Home Owner. Sleeplessness and Sluggish Elimination Also Promptly Relieved, He States. Tells About His Case.

"Years of distress from nervous indigestion pulled me down from 157 to 130 pounds and I hardly seemed to be stronger than a kitten, but thanks to Retonga I have regained my lost twenty-seven pounds, feel fine and am on the go all the time," declares Mr. J. Obie Nevels, well-known home owner of Elba, Ala., and a member of the Masonic Lodge of that city. "And," added Mr. Nevels, "my gratitude for the relief Retonga brought me is so great that I lose no opportunity to tell people how it put me back on my feet, as the saying goes.

"My appetite disappeared and I dreaded forcing down any food because almost always it meant more suffering. After eating I felt bloated and my food seemed like a heavy lump in my stomach. When I went to bed gas pressure usually was so strong up against my chest that I couldn't take a deep breath. Nearly every night I was in and out of bed four or five times, unable to sleep, and I had to take harsh laxatives until I felt like a walking bottle of medicine. I felt so badly weakened I sometimes thought I might never be any good again.

"I never knew of such relief as Retonga brought me. I feel as strong and active as before my distress began. I now eat anything, from hamburgers 'up and down,' I sleep the whole night through and feel fine all the time. Constipation also is relieved. If anybody wants to know about Retonga, just write me. I have told numerous friends how it relieved me and many have thanked me for it. I can never say enough good about Retonga."

Retonga is a purely herbal stomachic medicine combined with liberal quantities of Vitamin B-1 and is intended to relieve distress due to insufficient flow of digestive juices in the stomach, loss of appetite, Vitamin B-1 deficiency and constipation. Accept no substitute. Retonga may be obtained at
