NOSE AND HEAD STOPPED UP FROM COLD OR CATARRH, OPEN AT ONCE.

My Cleansing, Healing Balm Instantly Clears Nose, Head and Throat—Stops Nasty Catarrhal Discharges—Dull Headache Goes.

Try Ely's "Cream Balm."

Get a small bottle anyway, just to try it—Apply a little in the nostrils and instantly your clogged and stopped-up air passages of the head will open; you will breathe freely; dullness and headache disappear. By morning! the catarrh, cold-in-head, or a catarrhal sore throat will be gone.

End such misery now! Get the small bottle of "Ely's Cream Balm" at any drug store. This sweet, fragrant balm dissolves by the heat of the nostrils; penetrates and heals the inflamed, swollen membrane which lines the nose, head and throat; clears the air passages; stops nasty discharges and a feeling of cleansing, soothing relief comes immediately.

Don't lay awake tonight struggling for breath, with head stuffed; nostrils closed, hawking and blowing. Catarrh or a cold, with its running nose, foul mucous dropping into the throat, and raw dryness is distressing but truly needless.

Put your faith—just once—in Ely's Cream Balm and your cold or catarrh will surely disappear. The Holthouse Drug Co. t-t-s

MAKES HAIR GROW.

Parisian Sage an Invigorator That Makes Hair Grow Abundantly or Money Back.

If your hair is thinning out gradually it won't be long before the bald spot appears.

The time to take care of the hair is when you have hair to take care of.

For thing falling hair the best remedy known to mankind is Parisian Sage. It is compounded on scientific principles and furnishes to the hair root a nourishment that acts quickly and promptly and causes the hair to grow.

But remember this: It kills the dandruff germ, the pest that appropriates all the natural nourishment that should go to the hair root.

Parisian Sage is sold by the Holthouse Drug Co. at Decatur under a positive guarantee to banish dandruff, stop falling hair and itching scalp in two weeks or money back.

It gives to woman's hair a lustre and radiance that is most fascinating and causes it to grow abundantly.

Parisian Sage is sold by druggists in every town in America. A large, generous bottle costs 50 cents, and the girl with auburn hair is on every bottle. 18-20-25

GRAY HAIR TURNS ITS NATURAL COLOR AFTER APPLYING SAGE TEA.

Mixed With Sulphur it Darkens Beautifully and Takes Off Dandruff.

Almost every one knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray; also cures dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is mussy and troublesome.

Nowadays skilled chemists do this better than ourselves. By asking at any drug store for the ready-to-use product—called "Wyeth's Sage and Sulphur Hair Remedy"—you will get a large bottle for about 50 cents. Some druggists make their own, but it's usually too sticky, so insist upon getting "Wyeth's," which can be depended upon to restore natural colar and beauty to the hair and is the best remedy for dandruff, dry, feverish, itchy scalp and to stop falling hair.

Folks like "Wyeth's Sage and Sulphur" because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly, says a well-known down-town druggist. You dampen a sponge or sofe brush and dra wit through your hair, taking one small strand at a time. This requires but a few moments, by morning the gray hair disappears and after another application or two is restored to its natural color and looks even more beautiful and glossy than ever.
