Negro Selected To Succeed Martin Madden

Chicago, May 2—(U.P.)—The selection Oscar De Priest, a negro to succeed the late representative Martin B. Madden as the Republican nominee for congress from the first illinois district, today aroused considerable conflict in the ranks of Chicago's negro voters.

Two prominent negro leaders challenged the legality of De Priest's appointment which was voted unanimously yesterday in a conference of five ward committeemen.

DePriest a former alderman served as a political worker under Mayor William Hale Thompson ever since the Mayor's first term in office here. His selection was understood to have been brought about by the personal endorsement of Mayor Thompson.

William L. Dawson, a supporter of the Republican faction headed by U. S. Senator Charles S. Deenen, protested the committeemen's action was invalid because they had not received their certificates of election.
