Newspaper Decisions.

1. Subscribers who do not give express notice to the contrary are considered wishing to continue their subscription.

2. If subscribers order the discontinuance of their periodicals the publishers may continue to send them until all arrearages are paid.

3. If subscribers neglect or refuse to take their periodicals from the office to which they are directed they are held responsible until they have settled their bills and ordered them discontinued.

4. If subscribers move to other places without informing the publishers, and the papers are sent to the former direction, they are held responsible.

5. The courts have decided that "refusing to take periodicals from the office or removing and leaving them uncalled for, is prima facie evidence of intentional fraud."

6. Any person who receives a newspaper and makes use of it, whether he has ordered it or not, is held in law to be a subscriber.

7. If subscribers pay in advance they are bound to give notice to the publisher at the end of their time, if they do not wish to continue taking it; otherwise the publisher is authorized to send it on and the subscribers will be responsible until an express order with payment of all arrearages is sent to the publisher.

The members and friends of the Baptist Church to the number of more than fifty met at the home of Elder McDade their pastor, and pleasantly pounded him. They also brought him many baskets of good things ready prepared to spread upon the table, which they did, and enjoyed to gastronomic repletion. TUTT'S EXPECTORANT

Is composed of Herbal and Mucilaginous products, which permeate the substance of the Lungs, expectorates the acrid matter that collects in the Bronchial Tubes, and forms a soothing coating, which relieves the irritation that causes the cough. It cleanses the lungs of all impurities, strengthens the organs enfeebled by disease, invigorates the circulation of the blood, and braces the nervous system. Slight colds often end in consumption. It is dangerous to neglect them. Apply the remedy promptly. A test of twenty years warrants the assertion that no remedy has ever been found that is as prompt in its effects as TUTT'S EXPECTORANT. A single dose relaxes the phlegm, subdues inflammation, and the use of it for a few days obstinate cough. A pleasant cordial, children take it readily. For Croup it is invaluable and should be in every family. In 25c. and $1 Bottles.

TUTT'S PILLS

ACT DIRECTLY ON THE LIVER.

Cures Chills and Fever, Dyspepsia, Sick Headache, Bilious Colic, Constipation, Rheumatism, Piles, Palpitation of the Heart, Dizziness, Torpid Liver, and Female Irregularities.
