HAYES & CRAIG

(Successors to P. S. Barber & Co.)

Have now in store, lately received from their manufactories, and by importation, a full assortment of

HATS, CAPS, AND STRAW GOODS,

SUITABLE FOR THE SPRING AND SUMMER TRADE.

OUR predecessors, (P S. BARBER & CO.) by assiduous and unwearied attention to business during a number of years, acquired the reputation of keeping the largest stock of HATS, CAPS and STRAW GOODS, that could be found west of the mountains, and the greatest variety in the United States, as well as selling the same as cheap as any house in the East. Having been partners in the former house, we have the same facilities, and have made arrangements by which we will be able to maintain that well earned reputation. As our attention is devoted exclusively to this business, it is presumable that our assortment will be found preferable to that of any house, whose principal attention is devoted to other business, and, being manufacturers, any size, or quantity of assorted sizes without injury to ourselves. We therefore request dealers to examine our stock well, before purchasing elsewhere, as we feel satisfied we can convince the most sceptical that they can save to themselves a good profit by buying of us. B. A. Fahnestock's Vermifuge,

A Sure Remedy for Worms.

It has met with a success hitherto unparalleled.

RURAL GROVE, Butler co., Pa. July 29th, 1846.

ABOUT ten days ago, a boy belonging to one of my neighbors, and who had been ill for a week or more, was seized with spasms, and had four severe fits within twenty-four hours. His parents administered two doses of B. A. Fahnestock's Vermifuge, when he passed one hundred and three large worms, and obtained complete relief. JOSEPH BUNNINS, Merchant

BALDWIN TOWNSHIP, Allegheny co., Pa. April 30th, 1846.

Mr. Fahnestock: Sir—This will certify that I gave my child aged two years, three tea spoons full of your Vermifuge, upon which is discharged eighty-five large worms. I had previously called in a Physician, who, however, did no good; but the Vermifuge gave immediate relief. M. BRAWDY

Certificate of the Mayor of Lancaster, Pa.

LANCASTER, July 3, 1846.

Messrs. Fahnestock & co—Gentlemen: Several of the younger branches of my family laboring under symptoms indicating worms, induced the application of various remedies, and I am happy to say that your Vermifuge had the desired effect of, in one instance, removing the almost incredible number of one hundred and fifty-one of the largest worms, from one patient, which, in addition to its other beneficial qualities in my family, established the efficacy of your Vermifuge as a sure cure. M. CARPENTER,

Mayor of the city of Lancaster

From the Louisville Journal of April, 1846.

B. A. Fahnestock's Vermifuge.

We invite attention to the advertisement of this very valuable medicine. We have repeatedly heard it warmly recommended by some of the most distinguished physicians of our city, as the very best remedy of its kind now in use.

From the Rev. T. J. Fisher, a Baptist minister in Kentucky:

HODGENVILLE, Ky., April 11th, 1846.

This is to certify that I have administered B. A. Fahnestock's Vermifuge with unparalleled success. T. J. FISHER.

☞ Read the following from a highly respectable house in KNOXVILLE, Tenn., March 4th, 1846.

It (the Vermifuge) has proved the best article of the kind which has ever been used in this part of the country; we have other prepeations for sale but always recommend yours when our opinion is asked.

S. MANSFIELD & Co.

Unparalleled Imposition and Effrontery!

An individual named S. Fahnestock has repeatedly asserted that the article which he calls "Dr. S. Fahnestock's Vermifuge," and which he acknwledges is made after another man's receipe, is the same or the equal to the Vermifuge made by me.

The Public are assured that this is a base falsehood and are hereby cautioned against confounding the spurious article with mine. It is entirely different in its composition and does not possess the virtues and virtues of my preparation. B. A. FAHNESTOCK.

Pittsburgh, March, 1847.

The true and genuine B. A. Fahnestock's Vermifuge may at all times be had at the drug warehouse of the subscribers, corner First and Wood streets, Pittsburg Penn. B. A. FAHNESTOCK & co.

HEALTH! HEALTH!!

THOMSON'S COMPOUND SYRUP OF TAR AND WOOD NAPHTHA.

THE ONLY CERTAIN REMEDY FOR THE CURE OF

CONSUMPTION,

Ashma, Bronchists, Spitting Blood, Pain in the Side and Breast, Sore Throat, Hoarseness, Palpitation of the Heart, Whooping Cough, Croup, Hives, Nervous Tremours, Liver complaint, Diseased Kidneys, and Affections generally of the Throat, Breast and Lungs.

Of all the diseases incident to our climate there is none so universal, and at the same time so insidious and fatal, as Consumption. In this country especially, Pulmonary Consumption is emphatically a scourge and in its resistless career sweeps over the land as a Destroying Angel, laying low, with relentless hand, the strongest and fairest of our race. Hitherto all efforts to arrest this dread disease have proved vain, and all that seemed within our power was at best alleviation of suffering, rendering somewhat smoother the certain progress to the tomb

The proprietor, in offering this preparation to the public, would embrace the opportunity to state upon what grounds it puts forth its merits; and the reasons upon which it founds its superior claims to the attention of the afflicted, that all who require its use may repose full confidence in its curative powers. Since its first preparation he has had the pleasure of witnessing its happy results in numerous instances; but he was determined not to offer it to the public until he had become thoroughly convinced of its efficacy Having such conviction, he now confidently offers it as a remedy without a parallel for the cure of PULMONARY CONSUMPTION and its kindred diseases.

Let the following speak for itself.

"I have used THOMSON'S COMPOUND SYRUP OF TAR & WOOD NAPHTHA," for some time in my practice, and have found it the most efficient remedy I have ever used in Consumptive cases, Chronic Catarrh, etc. when great irritability, with weakness of the pulmonary organs, existed. The rapidity with which it acts is greatly in its favor where dyspnoea or oppression exists, when is mediately relieved by it."

"In Pulmonary Consumption it can be used with confidence, being applicable to every form of that disease, and I consider it a medicine well worthy the attention of Physicians, and exempt from the imputation of empiricism." M. CHAMCERS, M. D.

AMES SCANTLIN, SR., ... JAMES SCANTLIN, JR.

JAMES SCANTLIN & SON,

HAVING secured for the State of Indiana the Patent Right for the COMBINATION AIR TIGHT

COOKING STOVES,"

Are prepared to supply the public on their usual reasonable terms at their Old stand on Main street, Evansville, and take pleasure in being able to recommend it as the very best invention and most valuable article in the stove line, that has yet been offered to the public. It being a decided and acknowledged improvement over all other "Air Tight stoves." Patented in the year 1846.

The many advantages of this Stove over all others, has secured for it the reputation wherever it is known, of being the most important improvement ever made in that article. The stove is furnished with *Double Hearths,* one for a coal furnace and one for broiling and other necessary uses.

It has a capacious oven equal in size to the Stove itself, capable of containg two tiers of pans and perfect in its cooking. The fire chamber is so arranged in front of the pipe that boiling on four of the holes at the same time can be done without the necessity of heating up the OVEN and thus chooking up the flue unnecessarily AS IN OTHER "AIR TIGHT STOVES."

And a new improved damper has been introduced in this Stove so that the heat can be regulated at pleasure and any required degree obtained with astonishing exactness.

The stove is got up in good taste, combining in a remarkable manner, beauty with strength and utility. The furniture and equipments of the stove are perfect in every respect, and form of themselves a complete movable kitchen.

In addition to the above stove the subscribers have also secured the right to sell the Double Oven Cooking Stove,

"HARRY OF THE WEST,"

which is very highly approved by all who have ever used or examined it for its capacities in the way for cooking in every department, and for its saving in way of fuel. The certificates below from those who have used the above stoves show that the accomodations are not "puffs" merely, but truths of which all may be convinced.

ALSO.—A large assortment of every kind o Stoves; such as, Premiums, Parlors, Counting-room shop and School-Room. Together with a large assortment of Tin-ware, at their usual low prices.

CERTIFICATES:

MESSRS. JAMES SCANTLIN & SON,

Gentlemen—Having examined all, and tried several of the Cooking Stoves now in use, I have concluded to give the "Combination Air Tight" Cooking Stove of Messrs. French and Winslow a trial, (it is an improvement upon the "Wager Air Tight" Cooking stove,) and I am fully satisfied that it combines more useful advantages in cooking than any other stove now in use. Yours, &c.

R. W. DUNBAR.

MESSRS. JAMES SCANTLIN & SON,

Gentlemen—The "Double Oven Cooking Stove," purchased of me from you some time since, has far surpassed my expectations, and it cooking for a large number of persons in a very short time and in first rate style, with small expense of fuel, are any evidences of a good stove; this certainly has proved itself to be one. JOHN M. APPL.

Taylor House, Evansville.

MESSRS. JAMES SCANTLIN & SON,

Gentlemen—After giving the "Combination Air Tight Cooking Stove which you put up for us, a thorough and impartial trial, we take pleasure in being able to say to you that it far surpasses any thing of the kind we have ever used, and we feel satisfied that it is superior to any of the many patents that are offered for sale in our City.

JAMES SIDLE.
ADAM SCHAFFER.

EVANSVILLE, August 20th 1847.

MESSRS. JAMES SCANTLIN & SON,

Gents.—In reply to your enquiry concerning the Double Oven Stove "Harry of the West," that you put up for me I would say that I have used a number of stoves of various patents, but this one I must give a decided preference over all others that I have used, and consider it well worthy of the attention of the public. CHARLES BABCOCK.

MESSRS. JAMES SCANTLIN & SON,

Gents,—I have used for some weeks past, in my Hotel the Double Oven Cooking "Harry of the West" purchased by me from you, and during that time the capacities of the stove for boiling, broiling, cooking and roasting has been fully tested and I can safely say that this stove can do more and better cooking in a shorter time with less trouble and expense than any stove that has ever been used in my house. I have examined many of the stoves for sale, and for some years was engaged in the business of manufacturing them but have never yet seen any stove that arrives so near perfection as the one now used by me.

Washington House. BENJ. NURSE.

EVANSVILLE, August 30th, 1847.

MESSRS. JAMES SCANTLIN & SON,

Gents.—Having used the Double Oven Cooking Stove "Harry of the West," I can say that I fully concur with Mr. Nurse, in the favorable opinions he has expressed above concerning it.

JOHN GREEK.

MESSRS. JAMES SCANTLIN & SON.

Gents.—I have now in use in my kitchen a "Harry of the West" Stove, and I find it to be in every respect preferable to any I have ever used in my ten years experience in keeping a hotel. I have had various kinds and among them "Bucks" celebrated cooking stove, but the "Harry of the West" combines advantages in the saving of fuel and in boiling and baking which must ever place it among the very best Cooking Stoves yet invented C. VOLUNTARY CERTIFICATE.

UNITED STATES MARSHALL'S OFFICE,
NEW YORK, Dec. 6th, 1847.

MESSRS. WYATT & KETCHAM:—Gentlemen—Understanding that you are the General Agents for the sale of Dr Upham's Vegetable Electuary, for the cure of the Piles, I have deemed it my duty to give you a recommendation in behalf of that invaluable medicine. I have been afflicted for many years with Piles, and have tried various remedies, but without effects. Indeed, I began to consider my case hopeless. But about the first of september last, I was persuaded upon by a friend to make a trial of the above celebrated medicine; I took his advice, and rejoice to say that I am not only relieved, but, as I believe, perfectly cured. I most earnestly recommend it to all who may have the misfortune to be afflicted with that annoying and dangerous disease.

Very respectfully, Your ob't servant,
ELY MOORE.

NEW YORK, Nov 1847.

Messrs Wyatt & Ketcham.—Gentlemen—Constrained to give you a statement of the benefit I derived from using Dr Upham's Electuary, in cases of Piles, by so doing, I shall render a benefit to those who are suffering from that troublesome disease. I was reduced for several years by the Piles so much that it was with great difficulty for me to attend to my business. I also suffered from other diseases which were extremely troublesome, but I am pleased to say two boxes of the Electuary entirely removed; and that my health is better than it has been for many years. It has cured me and my family since more good, and with less expense, than the physicians to whom I have paid or medicine I have used.

I remain, still in perfect health, Yours &c.
NELSON NEWTON.
280 Spring street, cor Renwick.

NEW YORK, Nov. 15, 1847.

Messrs Wyatt & Ketcham.—Gentlemen—It is a duty which I not only owe to you, but my fellow beings, to speak in praise of Dr Upham's Electuary, a medicine which I think has saved and restored me to full health. I have several years was afflicted with Piles, together with a weak and a general disarrangement of the system. I employed different physicians, with no good result, they at last told me they could do no more for me and said that I must die. I thus had given up all hopes of even having my health restored, when I called to mind the benefits that a nephew of mine in Philadelphia (Benjamin Percival) had derived from a severe case of chronic dysentery, by your agent, that I purchased a box, which, to my surprise, after taking a few doses, I received great relief, and by continuing its use, that I am now in perfect health. MISS SARAH J.

Notice.—The genuine Dr A. Upham's Electuary is also done with a pen. Price $1
