At each of the above meetings township officers will be nominated and at the Kirkland township meeting a county committee at large will be nominated. In Berne a committee for the third district will be nominated, in Geneva, a committee for the fourth district and one at large will be nominated, and at Decatur one committee for the second district and one at large.

CHOOSE I EXCUSE.

Here is the record of the men whom republicans are asked to vote to congress in this district. It is actually being taken from the Congressional Record, and every word quoted has emanated the lips of the office from the first session up to April 19th of this year. Study it, get it in your hat and check it up your neighbor.

Fifty-fourth Congress.

Dec. 1—Cuban patriots.

Dec. 10—Cuban claimed hero of Alamo "an important business" and did not return until March 1st.

Fifty-Eighth (Special Session).

Nov. 1—Cuban patriots. Left in mockery to conduct affairs of the house and did not return.

Fifty-Eighth (Special Session).

Dec. 7—Cuban patriots on opening day but did not answer another roll call until March.

Fifty-Ninth.

Absent since before the cabinet caught for the work.

His claims credit for two months in eight years but it fails to mention a speech, those he claims credit for being inserted in the record under leave to print.

Voted for the salaries grab of $2,000,000 when on session of congress ended at midnight and another began at the same time. Collier's Weekly published how in its "Call of Shame."

Is now acting on less important committees in the house than when he wanted congress.

The showing is such as will make favorable of return to the Eighth congressional district each and thinking will by no means favor Mr. Cooper. It is probably that no other member of congress has made a record Anderson Herald, rep.

Advertisement Gives Wrong Date.

In our yesterday's issue an advertisement announced that Everett, Ellis & Company would have a car load of pianos Friday. This notice should have read Tuesday (today), and so far as known they are not here a car load for Friday.

Bible Lesson—I Corinthians XIII.
Reading by Members—A Study of our Auxiliary and its needs.
Discussion—Some things we might do to add interest to our Programs.
Missionary stories from points in Life—Acts XVI, 9-15.
Reading—Life stories of Livingston.
Song—More Love for Thee.
Business Period.
Closing Prayer.

SPELLING REFORM.

Why Phonetic Pronunciation is the Work of "Cranks."

They were selling street spelling reform and the improvement of English spelling in general.

"There's that nasty word 'phonetic,' spit out of his mouth. "That's a sample of English spelling. The reformers call their system the 'phonetic system,' and yet they have to spell 'phonetic' with a 'ph' in order to let people know what that means. The only word that cannot spelled or pronounced as we do from Kamchatka."

"Now, now!" diverted his friend, "they're too hard on the good old English spelling. You ought to be proud of 'phonetic.' Why, that word is an ornament every time you spell it out. Don't it wouldn't have it look English if it were it spelled on a thick page. You ought to think the language for that word. It is a beautiful word. That 'ph' might have been spelled like 'dough' and the 'ne' like 'ty' in 'nymph' and the 'ic' like 'ty' in 'typhoon.' That would be a good old style English word, straightforward. But it is only half. Phonetic spelling is cranky! Look at the word 'phonetic.' It is spelled phonetic everywhere now, and I remember it always used to be 'phonetic.' That 'e' just grew. Then started."

"Stopping!" said the stranger. "What time is it now? Half the phonetic is a lie, isn't the phonetic a lie? Isn't that word 'crank' now just was as 'k' was an egg. There's all. 'Twas just an egg, and the phonetic took the egg. Don't talk to me about Simplicity."—Chicago Chronicle.

THE EMBOWO.

Mr. Hay Pot Mystery and Its Unchangeable Independence.

There are an abortion in the Indian community. They are legal from which an Ion Ion, with an open right to vote, fish, shoot and sell. Everybody shifts for himself. He is absolutely and successfully independent. His only business is to be a good hunter and to deal with his wife, who will sell his furs and harpoons. He has helped himself against the elements for centuries, and the white man depending on his above security to enter his dominions of civilization has never been able to improve his condition, but only to detract from the old free happiness and advantages of the aboriginal Indian community. The natural helplessness of the Eskimo in the room of the socialistic state in which he lives. He will risk his life to save that of another, even his enemy. He will share his uncle of the food with his neighbors, if his neighbor dies and his wife is left alone with children he will provide for her until she marries again. He does not steal or tell lies, he does not cheat any one, and he does not fight. He is a man of peace. He loves peace for the sake sake, and his life is not long. Other nations attempt at happiness for himself and his people.—Chicago Chronicle.

Not Never Speak Ill.

"Now that his father is dead I suppose Charlie will spend all his money."

"Oh, no; he gets married tomorrow."—New York Times.

Not Those Words.

"Where are others?"

"Yes, that's what the Sherman said when he was dead."—New York Press.
