PUBLIC SALE OF LOTS *In the Town of*

FLORENCE,

IN THE STATE OF ILLINOIS.

50 LOTS in the town of Florence will be offered at public sale on Saturday the 20th of August next in the town of Graysville. Florence is delightfully situated in the county of White, on the Wabash river, about eighty miles above its mouth, and is the only site in the whole intervening distance where a good landing for Steamers can be found, either on the Illinois or Indiana side of that river. From this place the river is navigable for Steam boats to the point of its junction with the Ohio; at all times when they run on the last mentioned river: and it is the only place below the Grand Rapids which is not subject to be overflown in high water, on which a town could be advantageously laid out. Bon Pas creek which flat boats descend from forty miles above its mouth, unites its waters with those of the Wabash at this point. Its situation is believed to be as healthy as any on this river. A few miles north west of it is the wealthy and flourishing settlement of Albion. The country around it, abounds with the finest timber—is inhabited by an enterprizing and industrious population, and interspersed with farms, which in luxuriance of soil and high state of cultivation, will not lose by comparison with any west of the mountains. It commands the trade not only of White, but also of several adjacent counties, and from the nature of its position, it is destined to be the dividing point of trade between the northern and southern portions of the rich valley of the Wabash. To the merchant, the manufacturer, the mechanic and the speculator, it presents inducements of no ordinary character, as it may safely be asserted, that no town on the Wabash river, has better prospects of arriving at great commercial importance, and a few indeed as good. A plat of the aforesaid town is open to inspection at the house of Thomas Bishop in Vincennes, and at the office of O. B. Ficklin in Mount Carmel, Illinois.

Terms of payment made known on the day of sale

THOMAS BISHOP and others,
Proprietors

☞ The editors of the Shawneetown Democrat, Mount Carmel Sentinel, and Louisville Journal, will please to insert the above notice up to the day of sale, and forward their accounts to this office.
