NOTICE TO TAXPAYERS

Notice is hereby given to taxpayers of the City of Indianapolis, Indiana, that the Common Council of said city has under consideration General Ordinance No. 37, 1931, providing for a bond issue of $100,000.00 to procure money to be used for the widening and resurfacing of East New York street from Gale street to Emerson avenue and other street resurfacing projects, providing for the time and manner of advertising sale of said bonds and the receiving of bids for the same, together with the mode and terms of sale, appropriating the same to the Department of Public Works of the City of Indianapolis.

Said ordinance was referred to the Committee on Finance and may be further considered at the regular meeting of the Common Council to be held Monday, May 4, 1931.

Since the above proposed expenditure is in excess of the 1931 published budget for said city, all taxpayers appearing shall have a right to be heard.

After said appropriation has been determined any ten or more taxpayers feeling themselves aggrieved may appeal to the State Board of Tax Commissioners for further and final action thereon by filing of petition therefor with the Marion County Auditor not later than ten days after said additional appropriation has been made by said Common Council and the State Board of Tax Commissioners will fix a date for hearing this county.

Witness my hand and seal of the City of Indianapolis, this 21st day of April, 1931. HENRY O. GOETT, City Clerk. (SEAL)
