An Open Letter.

JASPER, INDIANA JAN 7th 1908.

To the Voters of DuBois and Pike Counties:

On account of my physical condition, at this time being unable to get about without the use of crutches, I have concluded to withdraw from the race for Judge of the 57th judicial circuit. Thanking my friends for the encouragement they have given me, I take this method of notifying the people that my name will not be presented to the voters at the Democratic Primary Election of said counties, on the 17th day of March, 1908. All candidates nominated at said primary will receive my hearty support.

I am very truly yours,
WM. A. TRAYLOR.

The thing that me will turn to meat—
A tasty joy,
A browned and appetizing treat
For some small boy.

Ah, woe it is to be a fish
And live in brook
And know that every boy does wish
You on his hook!
—Washington Post.

Shoot Arrows Sidewise.

Eskimo and Indians and other savage tribes that are skilled in the use of the bow and arrow can shoot an arrow so it will go sidewise. This is their way of shooting when trying to hit a descending arrow or one sticking upright in the ground.

Take it in Time

Just as Scores of Jasper People Have.

Waiting doesn't pay.
If you neglect the aching back,
Urinary troubles, diabetes, surely follow. Doan's Kidney Pills relieve backache, Cure every kidney ill.
Jasper citizens endorse them.

Mrs. F. Deickman, living on Main Street, Jasper, Ind., says: "For a long time my husband was suffering intensely from an acute lame back. If he stooped or attempted to lift anything, the action was extremely painful. A dull, nagging pain when he was on his feet robbed him of energy and he had frequent headaches which affected the back and top of his head. His kidneys were irregular and he was troubled by frequent inclinations to urinate. We learned that Doan's Kidney Pills were lifting these burdens from so many people who had received no relief from other remedies, and I got a box at Flick & Pfau's drug store. They filled the bill exactly and promptly gave him perfect freedom from all those afflictions."

For sale by all dealers. Price 50 cents Foster-Milburn Co., Buffalo, New York sole agents for the United States.

Thousands Have Kidney Trouble and Never Suspect It.

Forerunners of Kidney Diseases.

Most people do not realize the alarming increase and remarkable prevalency of kidney diseases. To kidney disorders are the most common diseases that prevail, they are almost the last recognized by patient and physicians, who confuse themselves with doctoring the effects, while the original disease undermines the system.

What To Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

A Pointed Rebuke.

A New Yorker who was visiting London took a room on the third floor of a small hotel on Russell square. There was a wheezy old elevator, or "lift," as the English call it, and the New Yorker used it as freely as he would at home. He came down to breakfast in it, went back after breakfast to get his top coat, etc., and probably patronized the lift eight or ten times a day. On the third morning of his stay he found a small square of paper stuck up alongside the lift, on which was written:

"Guests will please walk downstairs, as the lift should only be used for ascending." — Brooklyn Eagle.

"Why do you give that man encouragement in offering you so much advice?"

"I have some things I want to say to him, and I want to let him go ahead until I get a good opening."—Washington Star.
