CHICAGO SALESMAN FOUND MURDERED

ATLANTA, Ga., Nov. 9.—Lying in a pool of blood, his jugular vein severed by a plunge through the windshield, the body of Egbert E. Gale, traveling salesman for a Chicago concern, was found this morning in the Cascade road, just outside the city. A wrecked Cadillac machine nearby explained his death. John Sullivan, 18, is being held in the belief that he can throw some light on the accident, but beyond admitting he had been drinking and had a faint recollection of riding in a Cadillac after midnight, Sullivan said his mind was a blank. Policemen state there was a strong odor of liquor about the car.

Arrested for Murder of Society Favorite

(INTERNATIONAL NEWS SERVICE)

GREAT FALLS, Mont., Nov. 9.—Dennis Chester, 24, wanted in Kansas City, in connection with the murder of Miss Florence Barton, society favorite, is under arrest here today. Chester was captured by local police in a hotel late yesterday. He was masquerading as an army officer and had led Kansas City officers a thrilling chase from that city to Los Angeles and back as far as Great Falls, where the Kansas City detectives abandoned the chase.

His arrest by local police resulted from a letter received here from a former sweetheart of Chester who knew of his coming.

It is alleged that Chester shot and killed Miss Barton while staging an automobile hold-up on a fashionable boulevard in Kansas City. Howard Winters, wealthy clubman, who was accompanying Miss Barton at the time, was seriously wounded.

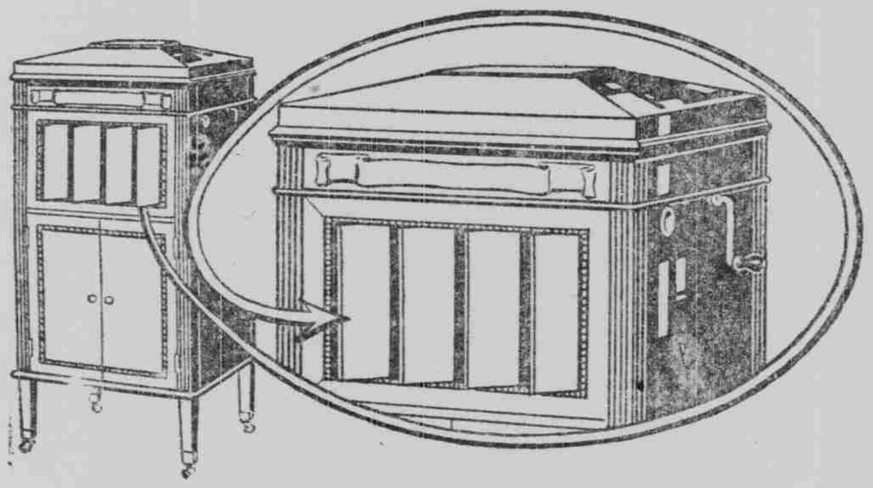
Look for the TONE LEAVES



Exclusive Columbia Features

These *exclusive* Tone Leaves identify every genuine Columbia Grafonola. You know, when you see them, that the phonograph before you has all the important *exclusive* features.

These *exclusive* Tone Leaves will give you complete and accurate control over tone volume without sacrificing tone quality or any of the beauty of the record.

The Columbia Grafonola's Streamline Cabinets are invariably in perfect accord with modern artistic furniture design.

The Columbia Grafonola's Straight Tone Arm insures that the music will develop fully and naturally. This music will be an exact *reproduction* of the music the artists themselves *produced* on the original wax in the Columbia Laboratory.

And, in addition to all these *exclusive* advantages, the Columbia Grafonola is now equipped with the *exclusive Columbia Non Set Automatic Stop*. Operates on any record, long or short. Never stops before it should. Always stops at the very end. Nothing to move or set or measure. Just start your Grafonola, and it plays and stops itself.

Ask the nearest Columbia dealer for a demonstration of the stop that needs no setting.
