Record K. of C. Bowling Score Set By Locals

The highest five-man total in the history of K. of C. bowling was written behind the name of an Indianapolis team today following the record-breaking score turned in by J. P. Rolles Printing quintet at Pritchett's alleys last night.

The Printing team takes the halfway mark lead in the tournament with 3220 pins. Games of 1036, 1022 and 1162 topped the former mark by just three pins.

The record breakers had previously been scheduled to take the alleys April 13, but they had requested an earlier date in order to have the services of Johnny Murphy, who will report for duty with the United States Army Wednesday. Murphy will also roll in the doubles and singles today.

Capt. Fred Schleimer racked up a 712 total to lead his teammates, all of whom rolled over the 600 mark.

With the exception of the Rolles team, out-of-state keglers took the bowling honors this week-end. Elmer O'Brien and Frank Kaminski raced to first and second place positions in the singles and all-events rolling with O'Brien beating out his fellow Chicagoan by four pins. The new leader has a 692 score.

Joseph Sinke was comparatively safe in the all-events field as he contributed a total of 1980 pins. Kaminski was second, but was 48 pins down.

Men Fencers Meet Saturday

Finals in the three men's events, foils, saber and epee, of the Indiana Amateur Fencing Association games will be held Saturday at a site to be chosen later.

Ellen Dilger of Evansville and Richard Beemer of Richmond's Morton High School Fencing Club carried off the honors in the tests at the Riviera Club yesterday. Miss Dilger captured the women's foils championship and Beemer took the junior foils division as 11 clubs and 50 fencers took part in the day's activities.

Roy Aberson of Indianapolis was elected president of the organization and Eugene Knezevich of Indiana University Club was named vice president. The position of secretary-treasurer will be filled by appointment.

Rita Johns Stars In Women's Meet

Times Special

KOKOMO, Ind., March 31.—Rita Johns of the White Rock Girls team of Indianapolis blasted the pins for 1739 to take over the lead of the Class A All-events in the women's state bowling tournament here yesterday.

Teamed with Tillie Pesut in the doubles Miss Johns rolled a 638 to gain the pair second place in this field. Her team score aided the White Rock Girls to capture second place in the Class A team event.

A new state record was established in the Class B team event when the Steel Kitchen quintet of Connersville rolled 2396 to plant them firmly in first place.

short field and at bat, he has decided tentatively to start with him as a regular and endeavor to improve his style. And of course, Zientara is classed as a fixture at the keystone base.

With his infield set for the present and opening day, Killefer is now working on the outfield. He has six pretty fair fly chasers on the roster but is uncertain about center field. Three of the members prefer left field and three prefer the right garden.

This situation creates a headache over the center field post.

Lewis in Center

As a starter, Kermit Lewis is picked to patrol center and will receive a thorough tryout there. He batted .325 at Albany in the Eastern League last year but in 40 games with Indianapolis in 1939 the right handed swinger was a failure and only batted .222. But it will be Lewis in center for the 1941 Indians unless Milton Galatzer shoves him out of the picture and Milton probably will do it in time.

Galatzer goes best in right field but can do a neat job in the middle pasture despite his aging legs. He gets a fast jump on the ball to overcome a shortage of speed, and Milton led the Tribe in batting last season with a mark of .336.

Legrant Scott is a right field specialist and is going big in spring training. In 1940 after a poor start he batted .303 and is challenging for the regular right field post in a big way.

Birmingham took the Indians over the bumps at Tampa yesterday, 12 to 8. The Tribe infield fell apart in the eighth and two errors by Blackburn and one by Harrington, after two down, paved the way for a four-run rally by the Barons.

Might Trade Pitchers

The Indians may use one or two of the six outfielders in deals for pitchers, but in the event this does not happen they will be retained and permitted to continue the battle for positions. Eventually, however, the fly chasing squad will be cut to four or five at the most, depending upon the number of pitchers carried.

For the third time this spring, the Indians were scheduled to open the "home" season in Bartow, playing the Baltimore Orioles. Two previous attempts to perform here were rained out. The Redskins and Orioles have met twice at Haynes City, with Baltimore taking both tilts.

With Lewis shifted from left to center, three Redskins are struggling for the left field post. These are Allen Hunt, Gilbert Brack and Carmel Castle, the huge rookie who looks promising at the plate but shaky on defense. He is another who prefers the right field pasture.

It was the sixth defeat in seven starts for the Tribe. Glenn Fletcher and Jake Wade toiled on the Tribe mound and the former was knocked out in the sixth.

Elevated to leadoff in the batting order, Zientara drew three walks and got one hit, a double. Killefer made other changes in the batting order, including the placing of Scott in the heavy duty cleanup spot. Joe Mack batted sixth and had a double and single.

Catcher Al Lakeman narrowly escaped serious injury in the seventh when he crashed against the grandstand while chasing a high foul. He was relieved by Johnny Pasek in the eighth.
