At a debating society the other day, in Schenectady, the subject was: 'Which is the most beautiful production, a pretty girl or a strawberry?' After continuing the argument for two nights, the meeting finally adjourned without coming to a conclusion—the old men going for the strawberries, and the young ones for the girls.

"A Casket of Gems of Wit & Wisdom."

A Thousand and One Stories,

*Of Fact and Fancy, Wit and Humor, Rhyme, Reason and Romance.*

EDITED BY S. G. GOODRICH—(PETER PARLEY.)

One volume, large octavo, handsomely bound in red morocco, with gilt side and back; containing 750 pages, and illustrated by 300 beautiful engravings.

THE design of this book is to bring whole library into a single volume—to furnish a mental meal for every day and every hour—for every taste, humor, age, caprice—a book for the grave and gay, the old and young, we have, therefore, Science and Philosophy, Rhyme and Reason, Wit and Wisdom Fact and Fancy, which, put together as they come, produce a sort of an intellectual plum pudding, inasmuch as the whole is peppered and spiced with puns, conundrums, and drolleries, to say nothing of a garnish of three hundred engravings.

In these pages are given the essence of thought and sentiment from Goethe, Sydney Smith, Sam. Jones, and many others; clerical anecdotes, Hibernian eccentricities, Western extravaganzas, gathered from the *four winds of the Press;* outlines of the tales of Don Quixote and Gil Blas; of the fables of Flavian and Lafontain; of the epic poems of Jerusalem Delivered, Telemachus, Orland Furioso, and others; of the Life and sayings of Mrs. Partington and the Widow Bedott; of the Bundy Papers and the Green Mountain Girls; of the Life of Sam Houston, Gerard the Bear-killer, Cummings the elephant destroyer, and Livingstone, the giraffe eleaser; of Stevens' Travels in Egypt and palestine, Paul and Virginia, Alexander Dumas, the Swiss Family Robison, Mr. Giddon and Sam Patch; with spicy citations of prose and poetry; from the master spirits of the day—Longfellow, Bryant, Bayard Taylor, Dr. Kane, Commodore Perry, ect. It furnishes, also, a fund of information for the serious—the Natural History of the Bible, which is a subject of exhaustless interest; striking facts in Astronomy, Chemistry, and Natural History; remarkable Biographies, interesting Travels, and wonderful Discoveries in Art and Science.

PETER PARLEY, the editor of this book, has a world-wide reputation, as an author—his writing having become as familiar as household words wherever the English language is spoken. THIS IS HIS LAST WORK, and we predict for it a popular equal, if not superior, to that acquired by any of his former publications.

☞ This work will be SOLD EXCLUSIVELY BY SUBSCRIPTION, at the low price of $4.50. Agents wanted in all parts of the Country to obtain subscribers for it.

Specimen Copies will be sent by mail, prepaid, on any address on receipt of the price. For full particulars addres, DERBY & JACKSON, Publishers, aug19 119 Nassau St., New York.

HOWARD ASSOCIATION,

PHILADELPHIA.

*A Benevolent Institution established by special Endowment for the relief of the Sick and diseased, afflicted with Virulent and Epidemic Diseases.*

THE HOWARD ASSOCIATION, in view of the awful destruction of human life, caused by Sexual diseases, and the deceptions practiced upon the unfortunate victims of such diseases by Quacks several years ago directed their Consulting Surgeon, as a CHARITABLE ACT worthy of their name, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give Medical Advice GRATIS to all who apply by letter, with a description of their condition, (age, occupation, habits of life, &c.,) and in cases of extreme poverty, to furnish Medicines FREE OF CHARGE. It is needless to add that the Association commands the highest Medical skill of the age, and will furnish the most approved modern treatment.

The Directors of the Association in their annual Report upon the treatment of Sexual Diseases, for the year ending January 1st, 1858, express the highest satisfaction with the success which has attended the labors of the Consulting Surgeon in the cure of Spermatorrhœa, Seminal Weakness, Impotence, Gonorrhœa, Gleet, Syphilis, the vice of Onanism or Self-Abuse, &c., and order a continuance of the same plan for the ensuing year.

The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important and much despised cause.

An admirable Report on Spermatorrhœa, or Seminal Weakness, the vice of Onanism, Masturbation or Self-Abuse, and other diseases of the sexual organs, by the Consulting Surgeon, will be sent by mail, (in a sealed envelope,) FREE OF CHARGE, on receipt of TWO STAMPS for postage. Other Reports and Tracts on the nature and treatment of sexual diseases, diet, &c., are constantly being published for gratuitous distribution, and will be sent to the afflicted. Some of the new remedies and methods of treatment discovered during the past year, are of great value.

Address, for Report or treatment, Dr. GEORGE R. CALHOUN, Consulting Surgeon, Howard Association, No. 2 South Ninth Street, Philadelphia, Pa.

By order of the Directors

☞ CAUTION.—All Genuine Pills have the above Indian on Horseback, on each Box. Merchants and Traders will be on their guard and not be imposed upon by a Counterfeit of Morse's Indian Root Pills, signed *A. B. Moore.* All genuine Indian Root Pills have the name and signature of *A. J. White & Co.*, on each box.

Dr. MORSE, the inventor of MORSE'S INDIAN ROOT PILLS, has spent the greater part of his life in traveling, having visited Europe, Asia and Africa, as well as North America—has spent three years among the Indians of our Western country—it was in this way that the Indian Root Pills were first discovered. Dr. Morse was the first man to establish the fact that all diseases arise from IMPURITY OF THE BLOOD—that our strength health and life depend upon this vital fluid.

When the various passages become clogged, and do not act in perfect harmony with the different functions of the body, the blood loses its action, becomes thick, corrupted and diseased; thus causing all pains, sickness and distress of every name; our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stagnant humors, the blood will become choked and cease to act, and thus our light of life will be forever blown out. How important then that we should keep the various passages of the body free and open. And how pleasant to us that we have it in our power to put a medicine in you reach, viz: Morse's Indian Root Pills, manufactured from plants and roots grow around the mountainous cliffs in Nature's garden, for the health and recovery of diseased man. One of the roots from which these Pills are made is a Sudorific which opens the pores of the skin, and assists Nature in throwing out the finer parts of the corruption within. The second is a plant which is an Expectorant, that opens and unclogs the passage to the lungs, and thus in a soothing manner, performs its duty by throwing off phlegm and other humors from the lungs by copious spitting. The third is a Diuretic, which gives ease and double strength to the kidneys; thus encouraged, they draw large amounts of impurity from the blood, which is then thrown out bountifully by the urinary or water passage, and which could not have been discharged in any other way. The fourth is a Cathartic, and accompanies the other properties of the pills while engaged in purifying the blood; the coarser particles of impurity which cannot pass by the other outlets, are thus taken up and conveyed off in great quantities, by the bowels. From the above it is shown that Dr. Morse's Indian Root Pills not only enter the stomach, but become united with the blood, for they find way to every part, and completely rout out and cleanse the system from all impurity, and the life of the body, which is the blood becomes perfectly healthy; consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes so pure and clear. The reason why people are so distressed when sick, and why so many die, is because they do not get a medicine that will pass to the afflicted parts, and which will open the natural passages for the disease to be cast out; hence, a large quantity of food and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted mass; thus undergoing disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every vein and artery, until life is taken from the body by disease. Dr. Morse's Pills have added to themselves victory upon victory, by restoring millions of the sick to blooming health and happiness. Yes, thousands who have been racked or tormented with sickness, pain and anguish, and whose feeble frames have been scorched by the burning elements of raging fever, and who have been brought, as it were, within a step of the silent grave, now stand ready to testify that they would have been numbered with the dead, had it not been for this great and wonderful medicine, Morse's Indian Root Pills. After one or two doses had been taken, they were astonished, and absolutely surprised, in witnessing their charming effects. Not only do they give immediate ease and strength, and take away all sickness, pain and anguish, but they at once go to work at the foundation of the disease, which is the blood. Therefore, it will be shown, especially by those who use these Pills, that they will cleanse and purify, that disease—that deadly enemy—will take its flight and the flush of youth and beauty will again return, and the prospect of a long and happy life will cherish and brighten your days. ☞ CAUTION.—Beware of a counterfeit signed A. B. MOORE. All genuine have the name of A. J. WHITE & Co. on each box; also the *signature of A. J. White & Co.*; all others are spurious.

Dr. Roback's Scandinavian Remedies.

AFTER YEARS OF STUDY AND EXperiment, Dr. Roback, the eminent Swedish Physician, succeeded in producing a medicine from twenty-three different species of mountain herbs of his native land, which acts directly on the causes of disease in the blood, and by restoring the corrupted fountain of life, to a condition of health and purity, expels disease from the system, wherever it may be located, or whatever may be its character. Indigestion, nervous complaints, epileptic and other fits, coughs, consumption in its early stages, sore throat, bronchitis, fever and ague, asthma, low spirits, sexual incapacity, feminine weakness, prickling of the skin, symptomatic of paralysis, rheumatism, neuralgia, tumor, cancer, diabetes, lassitude and debility, diarrhea, and all other disorders of the organs of respiration, the liver, the kidneys, the stomach, the nerves, or the muscular fibre, are unerringly cured by this preparation. It is to the MATERIES MORBI or seeds of disease what an alkali is to an acid: it neutralizes them with absolute certainty, while at the same time it regulates the secretions, removes obstructions from the bowels, creates appetite, renews bodily vigor, and regenerates every animal function. Such is the nature, such are the effects of Dr. Roback's famous Scandinavian Blood Purifier, which, if taken in conjunction with his Scandinavian Blood Pills, will not only obliterate the most painful disease, but prevent their recurrence, and lengthen life beyond the ordinary span.

In the "Scandinavian Blood Pills," Dr. Roback presents the result of twenty years of experience, hard study and experiment as to what a perfect pill should be. No one can doubt their superiority after one single trial. Price of the Scandinavian Blood Purifier, $1 per bottle, or $5 per half-dozen; Scandinavian Blood Pills, 25 cents per box, or five for $1.

PERU, Miama Co., Ind., Aug. 4, 1857.

DR. C. W. ROBACK: I have received so much benefit from your Scandinavian Blood Purifier and Blood Pills, that I have thought it my duty, and it is no less my inclination, to give you a plain statement of my case. I was for years afflicted with that bane of all comfort and efficiency in business, dyspepsia. To recapitulate all the so-called remedies which I have used to rid myself of this disease, would indeed make a melancholy catalogue. I also consulted with the best physicians I could hear of. I was induced to try your remedies through the persuasions of a friend, and after using them a few days was greatly benefitted, and in a short time less than a month, I was entirely and permanently cured. I was also afflicted with the most violent nervous headache, which I suppose was produced by my disordered stomach, for when my dyspepsia left me, my headache left with it. I now feel better in every respect than I have for ten years.

Very truly yours, JOHN S. DEMUTH.

CINCINNATI, Friday, Sept. 4, 1857.

DR. ROBACK—Dear Sir: Having been afflicted with neuralgia or rheumatism for the past year and a half, and having seen your medicine, called the Scandinavian Blood Purifier, highly recommended by gentlemen with whom I am acquainted, I was induced to try it, for not before I had used various other medicines. After using two bottles, I felt its effects very sensibly, and upon using two more, I found myself perfectly cured. You will allow me, therefore, to congratulate you upon making a discovery in medicine which is proving itself to be a worker of such wonders in the diseases of the human family.

DR. C. W. ROBACK—Dear Sir: Having been troubled for several years with extreme debility and weakness, so much so that I was unable to attend to my ordinary business at times, and having heard of the wonderful cures that your Scandinavian Blood Purifier and Pills were effecting, I was induced by a friend to try them.

I have been using the Purifier for the last twelve months, and find the medicine fully equal to its recommendations. So valuable is its use to me that I cannot now dispense with the use of it at my advanced age of life—seventy seven years.

I cheerfully give this information for the benefit of those similarly affected. MORRIS MORRIS.
