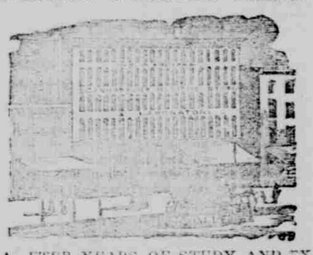
DR. ROBACK'S

BLOOD PURIFIER AND BLOOD PILLS!!

DISEASE VANQUISHED

—BY—

Dr. Roback's Scandinavian Remedie



AFTER YEARS OF STUDY AND EXperiment, Dr. Roback, the eminent Swedish Physician, succeeded in producing a medicine from twenty-three different species of mountain herbs of his native land, which acts directly on the causes of disease in the blood, and by restoring the corrupted fountain of life, to a condition of health and purity, expels disease from the system, wherever it may be located, or whatever may be its character Indigestion, nervous complaints, epileptic and other fits, coughs, consumption in its early stages, sore throat, bronchitis, fever and ague, asthma, low spirits, sexual incapacity, feminine weakness, prickling of the skin, symptomatic of paralysis, rheumatism, neuralgia, tumor, cancer, diabetes, lassitude and debility, diarrhea, and all other disorders of the organs of respiration, the liver, the kidneys the stomach, the nerves, or the muscular fibre, are unerringly cured by this preparation. It is to the MATERIES MORBI or seeds of disease what an alkali is to an acid: it neutralizes them with absolute certainty, while at the same time it regulates the secretions, removes obstructions from the bowels, creates appetite, renews bodily vigor, and regenerates every animal function. Such is the nature, such are the effects of Dr. Roback's famous Scandinavian Blood Purifier, which, if taken in conjunction with his Scandinavian Blood Pills, will not only obliterate the most painful disease, but prevent their recurrence, and lengthen life beyond the ordinary span.

In the "Scandinavian Blood Pills," Dr. Roback presents the result of twenty years of experience, hard study and experiments to what a perfect pill should be. No one can doubt their superiority after one single trial. Price of the Scandinavian Blood Purifier, $1 per bottle, or $5 per half dozen; Scandinavian Blood Pills, 25 cents per box, or five for $1

PERU, Miama Co., Ind., Aug. 4, 1857.

DR. C. W. ROBACK: I have received so much benefit from your Scandinavian Blood Purifier and Blood Pills, that I have thought it my duty, and it is no less my inclination, to give you a plain statement of my case. I was for years afflicted with that bane of all comfort and efficiency in business, dyspepsia. To recapitulate all the so called remedies which I have used to rid myself of this disease, would indeed make a melancholy catalogue. I also consulted with the best physicians I could hear of. I was induced to try your remedies through the persuasions of a friend, and after using them a few days was greatly benefitted, and in a short time, less than a month, I was entirely and permanently cured. I was also afflicted with the most violent nervous headache, which I suppose was produced by my disordered stomach, for when my dyspepsia left me, my headache left with it. I now feel better in every respect than I have for ten years.

Very truly yours, JOHN S DEMUTH.

CINCINNATI, Friday, Sept. 4, 1857.

DR. ROBACK—Dear Sir: Having been afflicted with neuralgia or rheumatism for the past year and a half, and having seen your medicine, called the Scandinavian Blood Purifier, highly recommended by gentlemen with whom I am acquainted, I was induced to try it, but not before I had used various other medicines. After using two bottles, I felt its effects very sensibly, and upon using two more, I found myself perfectly cured. You will allow me, therefore, to congratulate you upon making a discovery in medicine which is proving itself to be a worker of such wonders in the diseases of the human family. GEORGE S. BENNETT,

Local Editor Cincinnati Daily Enquirer

INDIANAPOLIS, Wednesday, Sept. 2, 1857.

DR. C. W. ROBACK—Dear Sir: Having been troubled for several years with extreme debility and weakness, so much so that I was unable to attend to my ordinary business at times, and having heard of the wonderful cures that your Scandinavian Blood Purifier and Pills were effecting, I was induced by a friend to try them.

I have been using the Purifier for the last twelve months, and find the medicine fully equal to its recommendations. So valuable is its use to me that I cannot now dispense with the use of it at my advanced age of life—seventy-seven years.

I cheerfully give this information for the benefit of those similarly affected. MORRIS MORRIS.
