Actress Quits Paris Without a Paris Gown

HOLLYWOOD, July 10 (U. P.).—Actress Viveca Lindfors says she will return from four weeks of movie-making in Paris without a single Paris gown.

French clothes belong in France, she said, and not in America.

The Swedish star left by plane last night.

"If I lived in Paris," she said, "I'd buy my clothes there. The French make lovely things, but they are designed for the continental way of life and not for the American."

Hawaiian Blasts County Proposal

HONOLULU, July 10 (U. P.).—The president of the Hawaiian senate denounced U. S. Senator Hugh Butler (R. Neb.) today for proposing that Hawaii become a county of California.

Clem Gomes, the senator, said that if Senator Butler was sincere, the suggestion was both ridiculous and asinine. He said that for Hawaii to become a county of California would be unfair to the islands and would deny them fair representation.

Another Hawaiian senator, Charles H. Silva, suggested that if Hawaii is to become a county, it would be only fair that congress should let the territory decide what state it wished to belong to.

He said Hawaii would prefer Nevada or Wyoming since Hawaiians would outnumber the residents of those states and would be able to elect the governor, U. S. senators and some representatives.

RECEIVES APPOINTMENT—Eric O. Johnson has been appointed general manager of American Central Division of Avco Mfg. Co. in Connersville. Mr. Johnson has been assistant general manager and works manager since he joined the company in 1939.
