TIME to have your car made "WINTER READY"

W. E. (BILL) KUHN
President

"READY FOR THE RIGORS OF WINTER"

It's not one bit too early to think about making your car Winter Ready—might get a freeze any day now. And remember your car's brakes, wheels and motor need conditioning for cold weather driving.

LUBRICATE
A good lubrication job with thinner grease and oil is definitely a factor in smooth operation these days $1.00

ADJUST BRAKES
More night-time driving means more chances for accidents—be prepared for quick, even stops $1.40

ALIGN WHEELS
On wet or icy pavements you have better control of your car if the wheels are in perfect alignment $1.40

BALANCE WHEELS
Save wear on your tires—get better traction—by eliminating front wheel shimmy. Cost of weight, plus $1.50

MOTOR TUNE-UP
For dependable motor performance you need this complete check of your car's motor. Gives more mileage, too $4.15
