WANTED NOW
Sales Representatives

This may be just what you have always wanted if you are married and between 25 and 35 years of age. Here is what we offer. You will represent the largest manufacturer in the field of warm air home heating and Winter air conditioning. You will sell to dealers and consumers in a ten-county area—your own territory. You will be near home. You will be given intensive training, unobtainable in any school or college in this country. During the basic training period, you will pay your living expenses at headquarters. Liberal compensation when you start on your own. Constant top supervision and advice are yours at all times.

How to get the complete story

Write us today. Give weight and height. If convenient, send small photo. Not necessary but helpful. Tell us all about yourself, your age, marital status at present, children if any, educational background, sales experience, if any, and family background. Your letter will be acknowledged and a personal interview arranged at earliest possible date. Be sure to let us have your full address and phone number, and, when you write, clip this ad and send it with your letter.

Important. Your letter will be treated in the strictest confidence. This is a permanent lifetime job.

Write immediately to Walter H. Wuerdeman, c-o Hotel Marott, Indianapolis.
