By JOE CARESKEY

This year's hay fever season picked up a gang of new sufferers — and no wonder, the air has been packed with record pollen. I wonder if people suffered with this years ago. Maybe they used to call it by a different name. By any name it's rough.

Joe Careskey

See STAR'S clean 1938 Buick special 4-dr. with R. & H., it's cleaner than most and priced right.
