Can you read this last line? If so, you may read type below with reasonable assurance you won't be struck blind.

"... enough to strain your eye-balls reading newspaper type the size of buck-shot pellets?

"You want a bargain THAT bad, eh? Then, go ahead ... squint, stare, scrutinize—get out a magnifying glass—but READ the little ads in the tiny type below.

"We promise you: You won't punish your pupils for nothing ... for here, in unassuming agate (that's what printers call the type), are some of the GREATEST FURNITURE VALUES IN INDIANAPOLIS. Read ... wash out your eyes with boric acid ... then come a-running to ECONOMY FURNITURE OUTLET."

Can You Guess?

WHAT WELL-KNOWN GAS RANGE IS NOW WEARING A SPECTACULARLY LOW PRICE TAG at ECONOMY FURNITURE OUTLET?
ANSWER IN AD NO. 18

ANY RESEMBLANCE BETWEEN ACTUAL RANGE AND PICTURE ABOVE IS PURELY COINCIDENTAL

Scotty Says: AD NO. 1 — "Slightly damaged CHROME BREAKFAST SETS, $39.95. You'll never notice the little chips and dents ... your nose will be buried in the patch. The Mrs. will overlook 'em, too ... she'll be too busy cremating the toast and scraping Junior's oatmeal off the floor, ceiling, stove, refrigerator, etc. Those nicks save you $10, too; these dinettes originally $49.95."

Scotty Says: AD NO. 2 — "You get gas, lights, water and taxicab rides on a METER PLAN. Do you know what else you can have on a METER PLAN at Economy Furniture Outlet? Why, a big, beautiful FRIGIDAIRE Electric Refrigerator, that's what! Yes, if you have a quarter a day to spare, why, MAM, you can own a FRIGIDAIRE! Ask us for details."

Scotty Says: AD NO. 3 — "The manufacturer who made this WASHER is well-known. His wife knows him. His kids know him. His secretary knows him. See how well-known he is? But, no fooling, he makes a GOOD washer ... and we have a floor sample at $89.95. THAT'S $60.00 OFF ... and the washer is yours on low ECONOMY terms."

Scotty Says: AD NO. 4 — "We know, we know ... nobody helped YOU with your homework when you were a kid. O.K., O.K., let Junior do his own problems ... but it would help if you got him a DESK of his very own. After all, the taxes he saves you will pay for it in no time. DESKS at ECONOMY ... $3.95 up."

Scotty Says: AD NO. 5 — "People getting murdered, Russia's got the atom bomb ... it's an ugly old world. In lots of ways, at least. But a RUG from ECONOMY—there's something B-EAUTIFUL. Choose from large assortment; many designs and styles. All wool-faced rugs as low as $39.95."

Scotty Says: AD NO. 6 — "But, baby, it's GOING to get AWFUL COLD outside! Worried about how you're going to keep it WARM INSIDE? A heater from ECONOMY is the answer ... and you'll BAVE. Famous-make heaters were, $129.95 ... now, only $69.95."

Scotty Says: AD NO. 7 — "You've heard of DP's ... Displaced Persons? Well, we have some DPF's ... Displaced Furniture Pieces. They are floor sample—factory close-outs, odds and ends ... orphans, you might say. We've put 'em together and made a fine 3-ROOM OUTFIT, which we are selling at the ridiculously low price of $189. Give these DPF's a home ... they won't last forever, but certainly long enough to justify your investment. By the way, those three rooms are: Living Room, Bedroom and Kitchen."

Scotty Says: AD NO. 8 — "Frost-on-the-pumpkin weather just ahead ... almost time to do your relaxing indoors. Be comfortable, make things more pleasant ... get a smart, low-priced Living Room Suite from ECONOMY. Fine suites as low as $79.95."

Scotty Says: AD NO. 9 — "We showed Mrs. Green how to wash Mr. Green's long underwear. We turned out the fluffiest batch of wash for Mrs. Smith. We sent Mrs. Jones into ecstasy by washing her slip snowy white (now, let's see, was that slip pink when we started?). Yes, we're doing a little spoofing here ... but we have used this JACOBS LAUNDER-ALL AUTOMATIC WASHER as a demonstrator. That's why its price has been reduced to $169.95 ... a savings to you of $130.00."

Scotty Says: AD NO. 10 — "Sorta—allergic to Mohair myself ... makes me itch to look at it. But we keep selling mo' and mo' MOHAIR LIVING ROOM SUITES. So attention, all itch-proof people: 2-pc. Blue Mohair Suite, floor sample, was $169.95 ... now, $89.95. Economy terms, naturally."

Scotty Says: AD NO. 11 — "You won't freeze this winter if ol' Scotty can help it. Floor sample Estate Oil Heaters (yes, we said ESTATE!) that were $139.95 ... now $89.95. A savings of $50.00 ... and TERMS you'll warm to, too!"

Scotty Says: AD NO. 12 — "SOFA BED AND MATCHING CHAIR. Not brand-new; both slightly used. Now that we've made this clear, come in and judge for yourself. They sold in the beginning for $169.95 ... are they worth $49.95 to you now? Terms, of course."

Scotty Says: AD NO. 13 — "'Home, Home on the Range.' Which is as bad a way as any to introduce a plug for the gas ranges at ECONOMY. They're low in price, high in quality, good-looking—and say, podnah, do they ever turn out the luscious meals! All styles and makes from $69.50 up."

Scotty Says: AD NO. 14 — "Pathetically, a Love Seat sits ... unloved, unwanted, all dressed up in green brocatelle and no place to go. Could we have placed too high a value on this frustrated furniture item? We thought its charms worth $189.95. But to give it the attention and affection it yearns for, this lovely, lonely Love Seat is now yours for only $89.95. Save $100.00. Easy terms."

Scotty Says: AD NO. 15 — "You ignored it at $169.95. You ignored it at $139.95. You ignored it at $109.95. How, oh help us, HOW, can you ignore this TWIN BEDROOM SUITE at $89.95? We won't go one penny lower, do you hear? It's a floor sample, but decidedly not shop-worn. It's walnut-finished. It's yours on low, low ECONOMY Terms."

Scotty Says: AD NO. 16 — "Insomnia sufferers, we can't help you. But as far as making things comfortable and cheerful in your bedroom, that we CAN do. Bedroom suites that look like a million bucks sell for considerably less—$135, to be exact. Come, see them, looking costs NOTHING."

Scotty Says: AD NO. 17 — "Even the soberest of homes needs lit-up corners. Choose a beautiful LAMP from our wide selection at ECONOMY. We're clearing out a dandy at $7.95."

Scotty Says: AD NO. 18 — "That well-know gas range ... the ESTATE ... is sporting an unfamiliar price tag at ECONOMY. Lo and behold, it says $159.95! A derned big come-down from the original $219.95 ... and this big, beautiful ESTATE is yours on low, low ECONOMY terms."

Scotty Says: AD NO. 19 — "An odd situation. You want a CHEST to GIVE you storage space. We've got CHESTS we want to get rid of, because they TAKE UP storage space. Let's get together! Buy one of our CHESTS for as low as (this hurts!) $59.95. Your choice on low, low ECONOMY terms."

Scotty Says: AD NO. 20 — "You get up at 7, the garbage man doesn't pick up the stuff 'til 10. Then you try getting up at 9, only to find out the garbage man came by at 8. In desperation, you put out the garbage the night before and somebody steals the can. End your problem by getting a GARBAGE BURNER from ECONOMY. They've been reduced from $69.95 to $49.95."

Scotty Says: AD NO. 21 — "Do you need more hanging space in your home? Then go hang yourself on a tree in the back yard. No, no, no—that's not what we intended to say! We mean hanging space for CLOTHES. A CHIFFOROBE will give you this space ... a swell one at ECONOMY for only $29.95."
