AIRPLANES KEEP UP LIASON

(INTERNATIONAL NEWS SERVICE)
EAGLE PASS, Tex., Aug. 21.—Airplanes are today keeping up the liason between American and Carranza troops in the hunt for bandits of northern Mexico. The Mexican consul at Presidio has agreed to this link of air communication.

Major General Joseph T. Dickman, commander of the Southern department, informed Washington that the American airmen crossed the border with the full knowledge of the Mexican consul at Presidio and also General Prunada, commander of the Carranzista forces across the Rio Grande from there.

Gen. Dickman reported that the Mexican consul at Presidio at first informed Gen. Prundada that it would be best not to move the Carranzista troops at all. Gen. Dickman agreed this would be best.

THREE WHITING BOYS IN TROUBLE

Confess to Having Robbed Three Whiting Business Houses.

(SPECIAL TO THE TIMES)
WHITING, Ind., Aug. 21.—Three Whiting boys, John Brechka, 15 years of age, Joe Gacak, age 11, and Mike Mihalko, age 14 years, were taken in Crown Point yesterday by Juvenile officer Lewis to appear in the juvenile court to the charge of robbery.

Brechka, the leader of the gang, who has previously been in the reform school, confessed to having robbed three Whiting business houses. The Fish and Winsberg clothing store on Schrage avenue was robbed of many valuable articles several weeks ago, but the Mike Kosacik hardware store and the T. J. Moser hardware store, both on 119th st., were entered about a week ago. At Kosacik and Mosers the loot consisted largely of revolvers, rifles and a vast amount of ammunition and a number of pocket knives, together with all the cash they could find in the registers. The loss at Kosacik's amounted to about $100 but the loss at Mosers exceeded this amount by a small sum. Several of the articles were recovered but not in usable conditions, the guns being all rusted etc.

The confession was secured from the boys by Sergeant Lawler, who also made the arrests by following them to Strawberry Island at what was formely known as Mud Lake.

E. CHICAGO REPORTS ON FARE RAISE

The Chamber of Commerce of East Chicago at its meeting yesterday noon at the Phillips Hotel heard the report of its committee on street car fares and after considerable discussion adopted it unanimously.

The report reads as follows:

"Your committee to whom was referred the matter of the request of the Hammond, Whiting, East Chicago Street Car Company for a raise of fare, begs leave to report as follows:

"That the committee on investigation, can find no just reason for raising the fare for the short haul within the city limits of East Chicago of its citizens who daily use the line to ride to and from their work and for the school children who are compelled to use the service five days a week.

"Your committee believes that whatever increase of revenue is necessary to meet the raise of wages the company's employees could be made by increasing the fares to a sufficient amount on interurban traffic, thus making the long haul bear its just proportion of the expense instead of it being charged to the short haul of our own citizens and our city school children.

"Your committee further reports that it is unable to recommend or suggest what increase in revenue the company is entitled to as it was not furnished a copy of the company's income tax report although its representatives agreed to furnish same to your committee.

MARKET SENDS DOWN THE PRICES

The war which is being waged against the H. C. L. in Gary is resulting in the slashing of prices by Marketmaster Carrot Slick at the city market, according to figures this morning.

Eggs, which are selling at the stores for 60 cents a dozen, retailed for 50 cents at the market, and on Saturday a promise is made that they will drop down to 45 cents a dozen.

Mr. Slick also stated that ducks and geese will drop five cents a pound, cabbage one cent a pound and cucumbers and leaf lettuce three cents a pound. Chickens will also be cheaper.

This morning City Food Inspector Frank Hubinger boosted a cold storage egg man bodily out of the market. He was attempting to sell them to the public as fresh eggs. Mr. Hubinger candled several of them and found them to be of cold storage variety. He warned the peddler not to show around the market in the future.

That the city market is proving more popular each market day is shown by the large crowd of buyers. It is not considered a good morning's business if some of the truck gardeners cannot take in $100. The prices at the city market were quoted this morning as follows:

Tomatoes, 10c per 2 lbs., per bu. $1.15
String beans, per lb. 10c
Cabbage, per lb. 5c
Cucumbers, large size, each 5c
Leaf Lettuce, 15c per 2 lbs., per lb. 8c
Head Lettuce, per head 5c
Rhubarb, 5c per lb., 3 bunches 10c
Celery, per 12 stalks 30c
Potatoes, per peck 70c
Beets, turnips, parsley, green peppers, carrots, onions, radishes; per 2 bunches 5c
Sweet corn, per doz. 25c
Eggs, per doz. 50c
Broilers, per lb. 40c
Fowls, per lb. 32c
Roosters, per lb. 25c
Ducks, per lb. 30c
Geese, per lb. 25c

FEDERAL GRAND JURY MEETS MONTH EARLIER

September 30 Set as Time By District Attorney.

INDIANAPOLIS, Ind., Aug. 21.—The federal grand jury will convene Tuesday, September 30, or one month ahead of the regular time. Definite announcement of this was made Tuesday by District Attorney Slack, who said also that the trial of the men charged with complicity in the Muncie grand cases would be taken up Tuesday, November 4. The Munster grand case will be the first taken up at the November term of court and the other criminal cases, which have not yet been set, will follow.

Investigations of gambling and of alleged violations of the food control act are resulting in the extra amount of business which makes necessary the convening of the grand jury a month earlier than usual.

Violation of the Reed amendment is charged in 100 cases which will be tried. Of the eighteen men who have been arrested for complicity in the Muncie grand case, six have pleaded guilty and twelve will stand trial on a plea of not guilty, either to the charge of using the mails to promote fraud or conspiracy. Most prominent of the men who will stand trial in this case are Rollin H. Bunch, mayor of Muncie, and Horace G. Murphy, prosecuting attorney for Delaware county.

EAST CHICAGO ACTIVE ON $5,000 DRIVE

Headed by J. Kalman Rappa, chairman of the finance committee of East Chicago's great welcome home day, the committee is active in its drive for $5,000 and has issued the following appeal:

"The people of this community have decided to honor their returned soldiers and sailors by a Welcome Home Day on Monday, September 1, Labor Day.

"The program, as outlined at present calls for a parade through the city and for a barbecue at Indiana Harbor Lake Front Park.

"We expect to honor sixteen hundred soldiers and sailors of this city, and to have a crowd of from ten to twenty thousand people at the barbecue. Naturally this will take money.

"We expect that the citizens of East Chicago and Indiana Harbor, who have so loyally supported the government in every drive will cheerfully support this drive, thereby showing our returned heroes our appreciation and gratitude for their noble work.

"Therefore we ask you for a contribution to the WELCOME HOME DAY FUND."

The committee organization is as follows: J. Kalman Rappa, chairman, A. M. Kelly, treasurer; James Clements, chairman welcome home drive captains, Geo. Oswego, Harvey Rhed, Mable Dixon, M. H. Silverman, W. G. Dickinson, Wm. A. Fuzy, Leo Bonaventura, M. Hanski, John Pete, D. W. Dunes, Chris Dollos, John Cosma, L. W. Savic, Harry Rudolph, John Yonko, M. Aranoff and Mrs. Carretta.

LAUNDRY MEN STILL CONFER.

In the interest of the laundry drivers who threaten to strike in Gary next Monday morning if the owners do not grant them their demands, A. C. Hulce, business agent for the teamster's local, is conferring with the international officials in Indianapolis today.

At a late hour today, the laundry drivers and the laundry owners had reached an agreement. The drivers expected to strike last Monday but at the eleventh hour it was postponed a week. No fear is expressed that the owners will refuse their demands and a settlement is expected before the week end. The drivers ask $12 a week and 12 per cent commission on bundle deliveries, which is one dollar more a week and one percent more in commission than they have been getting.

CITY ATTORNEY BUSY WITH PAPERS TO GO IN COURT

With City Attorney W. W. McMahon drawing up the necessary papers which will request the courts to order the H. W. & E. C. street railway company to resume service and ask for the appointment of a receiver to operate the lines during the litigation no other move is being made by either side in the controversy.

The committee which was appointed to confer with the company and that failed to report any success is still open to approaches from the company. The members declare they have made their last advances toward the Green line and further conferences which may be held will only come on the initiative of the company.
