ROOMS

PLYMOUTH, MARSHALL COUNTY, INDIANA

The proprietor of this establishment having purchased the late interest of A. J. Hassler in the same, and having made expensive additions thereto is now prepared to do all kinds of Photographing, Ambrotyping, Ferrotyping and Melainotyping in the highest style of the art. His large skylight side lights enable him to take all kinds of pictures in all kinds of weather.

He is now having an immense run of those beautiful Carte de Visites, that are all the rage in the cities. They are just the thing and everybody should have a dozen at once.

Life-sized Photographs as true to nature as true to herself, and very popular.

Pictures of all kinds copied and enlarged.

Don't fail to procure a life likeness of your Father, Mother, Son, Daughter, Husband or Wife before their dear forms are hidden from your view by the grave. Money could not buy from you the poorest and fastest Photographic image of the lost loved one. Then delay not a day lest the substance fade and you secure the shadow.

The undersigned having had years of experience in the picture business, and having recently become familiar with all the late improvements in the art, flatters himself that his work will compare favorably with the best done in the cities.

New and beautiful stereos, Stereoscopic views etc. will constantly be added to the already respectable stock, so that this establishment will indeed be a "Fine Art Gallery." Call and see the
