A Great Remedy.

FOR THE CURE OF THROAT AND LUNG

DISEASES.

Dr. Wisbart's Pine Tree

Cordial.

It is the vital principle of the Pine Tree,

obtained by a peculiar process in the distillation

of the bark, by which its highest medicinal

properties are retained.

It is the only safe-guard and reliable remedy

which has ever been prepared from the juice

of the Pine Tree.

It invigorates the digestive organs and

restores the appetite.

It strengthens the debilitated system.

It purifies and enriches the blood, and

expels from the system the corruption which

seriously broods on the lungs.

It dissolves the mucus in phlegm which

stops the air passages of the lungs.

Its healing principle acts upon the irrita-

ted surface of the lungs and throat, penetra-

ting to each diseased part, relieving pain

and subduing inflammation.

It is the result of years of study and

experiment, and it is offered to the afflicted,

with the positive assurance of its power to

cure the following diseases: Cough, Sore

Throat and Breast, Bronchitis, Liver Com-

plaint, Blind and Bleeding Piles, Asthma,

Whooping Cough, Diphtheria, &c., &c.

We are often asked why we are not other

remedies in the market for Consumption,

Colds, and other pulmonary affections equal

to Dr. L. Q. Wisbart's Pine Tree Cordial. We

answer:—

1st. It cures, not by stopping a cough, but

by loosening and assisting to throw off the

unhealthy matter collected about the throat

and bronchial tubes.

2d. Most Throat and Lung Remedies are

composed of anodynes, but by their com-

posing effects the fluids become hurried, and

the unhealthy fluids coagulate, causing

disease beyond the control of our most

eminent physicians.

3d. The Pine Tree Tar Cordial, with its

assistants are preferable, because they assist

the lungs to throw off the unhealthy se-

cretions, and purify the blood, thus sci-

entifically making the cure perfect.

Calisaya or King's Bark was unknown until the middle of the 17th century. Humboldt makes favorable mention of its febrifuge qualities as an antidote to Fever and Ague, Intermittent and Malarious Fevers, in his extensive South American travels.

In 1640 it was used by the Jesuits, who alone at that time possessed the secret of its wonderful tonic properties, and it was sold by them for its own weight in silver.

In 1658, eighteen years after, Sir John Talbot employed it with great success in France in the treatment of Fever and Ague, Dyspepsia, Nervous Affections, Loss of Appetite, Weakness and Debility, Palpitation of the Heart, Diarrhoea, etc. In 1679 he sold the secret of its origin to Louis XIV, by whom it was divulged. It is now the all important ingredient in Drake's PLANTATION BITTERS, and preserved as it is in pure St. Croix Rum, makes a tonic of rare merit, and one that should be upon the side-board of every family. Messrs. P. H. Drake & Co., the sole proprietors of the celebrated PLANTATION BITTERS, are the largest importers of Calisaya Bark in America. The Bark is gathered and cured under the immediate supervision of an agent sent out to Brazil, expressly for that purpose, and aside from a few thousand pounds which are sold to the manufacturers of Quinine, is all used in the preparing of these Bitters, to which they are indebted for their wonderful success as a tonic.

The above cut represents the natives in their own native forest gathering the Bark.
