

ward: "Akabard; go on at river," Peter instantly straightened the team and brought the towing line level with the dock, and the Young Lion of the West moved on. She made a trip the most memorable and magnificent of any boat that ever passed over the canal. It was a constant ovation of celebrations, jubilation and glorification, from Buffalo to New York, where the grandest and most imposing demonstration of all, was made. The driver might well be proud of his trip, as well as the distinguished Governor, who was his passenger, and who thus celebrated the great achievement of his life. Peter continued to be a canal driver until the end of his days, and the canal men ought to erect a monument to his memory. We hear that they talk of doing so.—*Penn Yan (N. Y.) Chronicle.*

STREET ETIQUETTE.—Only villagers, or persons with rural ideas, any longer contend that ladies should always be given the right of the pavement in passing. The rule adopted in cities is to the right, whether the right leads to the wall or the gutter, and an observance of this common sense rule would obviate much unpleasant "scourging" by over-gallant gentlemen who persistently crowd for the outside of the walk. Another common custom, and required by fashionable etiquette, and one which is nearly as inexplicable and absurd, is the practice of a whole string of men filing out of a church pew, making themselves as ridiculous as an "awkward squad" practicing at "catching step," in order to give a woman the wrong end of a pew, or that of a man, when on a promenade or walk with a lady, to keep himself on the outside of the pavement. A little exercise of judgment will convince any person of the utter uselessness of this bobbing back and forth in every corner.

Life Insurance a Duty. It is a moral duty. It is a social duty. It is a religious duty. If any man provide not for his own, especially for those of his own house, he hath denied the faith, and is worse than an infidel.

The Neuragia Exterminator. THE BISHOP PILL! THE BISHOP PILL! THE BISHOP PILL!

Calisaya or King's Bark was unknown until the middle of the 17th century. Hurttold: makes favorable mention of its febrifuge qualities as an antidote to Fever and Ague, Intermittent and Malarious Fevers, in his extensive South American travels.

In 1640 it was used by the Jesuits, who alone at that time possessed the secret of its wonderful tonic properties, and it was sold by them for its own weight in silver.

In 1653, eighteen years after, Sir John Taibor employed it with great success in France in the treatment of Fever and Ague, Dyspepsia, Nervous Affections, Loss of Appetite, Weakness and Debility, Palpitation of the Heart, Diarrhea, etc.

In 1679 he sold the secret of its origin to Louis XIV, by whom it was divulged. It is now the all important ingredient in Drake's PLANTATION BITTERS, and preserved as it is in pure St Croix Rum, makes a tonic of rare merit, and one that should be upon the side-board of every family.

Messrs. P. H. Drake & Co., the sole proprietors of the celebrated PLANTATION BITTERS, are the largest importers of Calisaya Bark in America. The Bark is gathered and cured under the immediate supervision of an agent sent out to Brazil, expressly for that purpose, and aside from a few thousand pounds which are sold to the manufacturers of Quinine, is all used in the preparing of these Bitters, to which they are indebted for their wonderful success as a tonic.

The above cut represents the natives in their own native forest gathering the Bark.

The following gentleman's testimonial is from Dr. John Magnus, formerly of the Royal College of Surgeons, and Surgeon in the United States Army, during the war:

Evansville, Indiana, June 16, 1868. I take pleasure in recommending Dr. H. W. Cloud's Invigorating Cordial, as a remedy of superior excellence. In debilitated conditions of the system, it has proved, in my hands, the best combination of tonics and stimulants that I have ever used.

JOHN MAGNUS, M.D. It cures Kidney disease; it cures Liver complaint; it makes new blood; it builds up the weak and enfeebled human frame, and infuses into it new life and vigor. For Female Derangements, so common in our country, there is no preparation that has even equalled it, except with it.

CATARRH! WHY suffer with this dangerous and loathsome disease when it can be cured and entirely eradicated from the system by the use of

Dr. Seelye's Liquid Catarrh Remedy!

Catarrh will surely result in Consumption unless checked in its incipient stages. Dr. Seelye's Liquid Catarrh Remedy never fails. Cure warranted if directions are followed! Single Bottle will last a month. Cold in the head relieved in a few minutes! Bad breath caused by offensive secretions! Weak Eyes caused by Catarrhal Affections! Sense of Smell when lessened or destroyed! Deafness when caused by Catarrhal difficulties! All are cured by this remedy! Throat Affections are more frequently than otherwise caused by a thick, slimy mucus falling from the head, especially during the night, and resulting from Catarrh, and are cured by Dr. Seelye's Liquid Catarrh Remedy.

Symptoms: The symptoms of Catarrh are at first very slight. Persons find they have a cold, but they have frequent attacks, and are more sensitive to the changes of temperature. In this condition the nose may be dry, or a slight discharge, thin and acrid, afterwards thick and adhesive, may ensue.

As the disease becomes chronic, the discharges are increased in quantity and in quality; they are now thick and heavy, and are hawked or coughed off. The secretions are offensive, causing a bad breath; the voice thick and hoarse, the eyes are weak; the sense of smell is lessened or destroyed; deafness frequently takes place.

Another common and important symptom of Catarrh is that the person is obliged to clear his throat in the morning of a sick or slimy mucus which has fallen from the head during the night. When this takes place, the person may be sure that his disease is on its way to the lungs, and should lose no time in arresting it.

Seelye's Catarrh Cure is the only specific. For sale by R. H. Campbell.

HALL'S Vegetable Sicilian Hair Renewer

Every year increases the popularity of this valuable Hair Preparation, which is due to its merit alone. We can assure our old patrons that it is kept fully up to its high standard, and to those who have never used it we can confidently say, that it is the only reliable and perfected preparation to restore GRAY OR FADED HAIR to its youthful color, making it soft, lustrous, and silken; the scalp, by its use, becomes white and clean; it removes all eruptions and dandruff, and by its tonic properties prevents the hair from falling out, as it stimulates and nourishes the hair glands. By its use the hair grows thicker and stronger. In business it restores the capillary glands to their normal vigor, and will create a new growth except in extreme old age. It is the most economical HAIR DRESSING ever used, as it requires no applications, and gives the hair that splendid glossy appearance so much admired by all. A. A. Hayes, M.D., State Assayer of Mass., says, "The constituents are pure and carefully selected for the restoration of the hair, and so acknowledged by the best Medical and Chemical Authorities."

Sold by all Druggists and Dealers in Medicine. Price one Dollar Per Bottle.
