Cachaya or King's Link was unknown until the middle of the
century. Humboldt makes favorable mention of its efficacy as
an antidote to Fever and Ague, Intermittent and Malarious Fevers,
extensive South American travels.
In 1640 it was used by the Jesuits, who alone at that time possessed
the secret of its wonderful tonic properties, and it was sold by them for
its own weight in silver.
In 1653, eighteen years later, Sir John Fallopp employed it with great
success in France in the treatment of Fever and Ague, Dyspepsia,
Nervous Affections, Loss of Appetite, Weakness and Debility, Palpitation
of the Heart, Diarrhoea, etc. In 1679 he sold the secret of its origin
to Louis XIV, by whom it was divulged. It is now the all important
ingredient in Drake's PLANTATION BITTERS, and preserved as it is
in pure St. Croix Rum, makes a tonic of rare merit, and one that should
be upon the side-board of every family. Messrs. P. H. Drake & Co., the
sole proprietors of the celebrated PLANTATION BITTERS, are the
largest importers of Cachaya Bark in America. The Bark is gathered
and cured under the immediate supervision of an agent sent out to
Brazil, expressly for that purpose, and aside from a few thousand
pounds which are sold to the manufacturers of Quinine, is all used in
the preparing of these Bitters, to which they are indebted for their
wonderful success as a tonic.
The above out- sends the natives in their own native forest
gathering the Bark.

ous Minerals

AGUE TONIC.
1,000 DOLLARS TO ANY
CHEMIST FOR ITS DETECTION!
The only purely Vegetable Com-
pound before the public for
the cure of
AGUE AND FEVER.
Every Bottle is Warranted.
N.B. The use of Armistead's
Liver Pills, with this Tonic, will
cure Billious Fever.

DR. H. W. CLOUD'S
INVIGORATING CORDIAL
BLOOD REGENERATOR.
The only popular Blood or Cordial, that
contains Phosphorus of Iron, combined
with Vegetable agents. The ingredients of
its composition are published on the outside
of each bottle, and hundreds of physicians,
without compromising their professional
obligations, have recommended it to their
patients in cases of Debility, Nervous Pro-
stration, Dyspepsia, &c., with complete suc-
cess.
The following gratuitous testimonials are
from Dr. John Magennis, formerly of the
Royal College of Surgeons, and Surgeon in
the United States Army, during the war:
Evansville, Indiana, June 16, 1868.
I take pleasure in recommending Dr. H.
W. Cloud's Invigorating Cordial, as a reme-
dy of superior excellence. In debilitated
conditions of the system, it has proved, in
my hands, the best combination of tonics
and stimulants that I am aware of.
JOHN MAGENNIS, M.D.
It cures Kidney disease; it cures Liver
complaint; it makes new blood; it builds
up the weak and enfeebled human frame,
and infuses into it new life and vigor. For
Female Derangements so common in our
country, there is no preparation that has
ever earned a comparison with it.
DR. JOHN BULL
Louisville, Ky., April 23, 1888.
ONE HUNDRED DOLLARS IN GOLD
Will be given to any person, who, on an-
alyzing, will discover one grain of arsenic or
any other poison in Dr. H. W. Cloud's
Ague Tonic. It is purely vegetable, and the
most healthy combination that the science of
medicine has developed to contest success-
fully, with the most powerful poisons in the
human or animal system. It is being a
most popular and profitable remedy, break-
ing the child in two or three doses, but bet-
ter than that of the old and what renders it
the most efficacious compound extant, is the
university of Louisville, and it leaves the
patient in better condition, than before the
attack, with no further loss of skin, no
boiling in the blood, no loss of blood, and
a clear head, a healthy skin, bright eyes,
elastic step, and buoyant health.
It eliminates disease from the system, dis-
sipating the elements of the secretions, ex-
ercising the liver to healthy action, and
giving the nervous and hepatic juices their
normal condition and healthy flow.
It is a better preventive than cure, and
if people could be prevailed upon to take it,
in say tea-spoonfuls three times a day,
during the chilly seasons, they would have
perfect immunity from chills, and all their
train of consequent diseases, but who but
the prudent will take medicine before they
are sick. Read advertisement in another col-
umn.

How Lost, How
Restored.
Last published, a new edition of
Dr. Culverwell's Celebrated Essay
on the radical cure (without medicine) of
Spermatorrhoea, or Seminal Weakness, in-
voluntary Seminal Losses, Impotency, Men-
strual and Physical Incurable, Impediments to
Marriage, etc., a Consumption, Epilepsy,
and Fits, induced by self-indulgence or Sex-
ual extravagance.
Price, in a sealed envelope, only 6
cents.
This celebrated and in- is a valuable
essay, and is demonstrated on a thirty
cent successful practice, that the alarming
consequences of self abuse may be radically
cured, without the dangerous use of inter-
nal medicine, and the cure is effected by the
pointing out of a mode of cure, at once simple
and effective, by means of which every
sufferer, no matter what his condition
may be, may cure himself cheaply, privately,
and radically.
This Lecture should be in the hands
of every youth and every man in the land.
Sent in a sealed, in a plain envelope, to
my address, post-paid, on receipt of six cents,
or two cent stamps. Also Dr. Culverwell's
