PLANTATION BITTERS.

S. T.—1860—X.
This wonderful vegetable restorative is the she-shepherd of the body and debilitated. As a tonic and cordial for the aged and languid, it has no equal among stomachics. As a remedy for the nervous weakness to which women are especially subject it is a perfecting every other stimulant. In all climates, tropical, temperate or frigid, it acts as a specific in every species of disorder which undermines the bodily strength and breaks down the animal spirits. For sale by all druggists.

Great Medical Discovery.
Dr. Walker's California VINEGAR BITTERS.
More than 500,000 persons bear testimony of their wonderful curative effects.
WHAT ARE THEY?

They are Not a vile FANCY DRINK.

Made of Pure Rum, Whisky, Proof Spirits, and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," etc., that lead the tippler on to drunkenness and ruin, but are a true medicine, made from the native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and Life Giving Principle, a perfect Restorer and Invigorator of the System, carrying off all poisonous matter, and restoring the blood to a healthy condition. No person can take these Bitters according to directions, and remain long unwell.

\$100 will be given for an incurable case, provided the bones are not destroyed by mineral poisons, or other means, and the vital organs wasted beyond the point of repair.

For Female complaints, whether in young or old, married or single, at the dawn of womanhood or the turn of life, these Bitters have no equal. Send for a circular.

They are a gentle Purgative as well as a Tonic, possessing also, the peculiar merit of acting as a powerful agent in relieving Congestions, or Inflammation of the Liver, and all the Visceral Organs.

For Indigestion and Chronic Rheumatism, and Gout, Dyspepsia, or Indigestion, Bilious, Remittent, and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder; these Bitters have been most successful. Such diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

Pin, Taps, and other worms, lurking in the system of so many thousands, are effectually destroyed and removed.

In Bilious, Remittent, and Intermittent Fevers, these Bitters have no equal. For full directions read carefully the circulars around each bottle, printed in four languages—English, German, French, and Spanish. J. WALKER, Proprietor, 32 Commerce St., N. Y.

DR. JOHN BULL,

SMITH'S TONIC SYRUP!

FOR THE CURE OF

AGUE AND FEVER

OR

CHILLS AND FEVER.

THE proprietor of this celebrated medicine justly claims for it a superiority over all ever offered to the public for the safe certain speedy and permanent cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and Southern country to bear him testimony to the truth of the assertion that in no case whatever will it fail to cure, if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle with perfect restoration of the general health. It is, however, prudent, and in every case more certain to cure, if its use is continued in smaller doses for a week or two after the disease has been checked, more especially in difficult and long standing cases. Usually this medicine will not require any aid to keep the bowels in good order; should the patient, however, require a cathartic medicine after having taken three or four doses of the Tonic, a single dose of Bull's Vegetable Family Pills will be sufficient.

BULL'S WORM DESTROYER.

To my United States and World-wide Readers.

I have received many testimonials from professional and medical men, as my almanac and various publications have shown, all of which are genuine. The following from a highly educated and popular physician of Georgia, is certainly one of the most sensible communications I have ever received. Dr. Clement knows exactly what he speaks of, and his testimony deserves to be written in letters of gold. Hear what the Doctor says of Bull's Worm Destroyer:

Valuable, Walker Co., Ga.,
June 20th, 1868.

Dr. JOHN BULL—Dear Sir: I have recently given your "Worm Destroyer" several trials and find it wonderfully efficacious. It has not failed in a single instance to have the wished for effect. I am giving a pretty large country practice, and have daily use for some article of the kind. I am free to confess that I know of no remedy recommended by the ablest authors that is so certain and speedy in its effects. On the contrary they are uncertain in its effects. My object in writing you is to find out upon what terms I can get the medicine from you. If I can get it upon easy terms, I shall use a great quantity. I am aware that the use of such articles is contrary to the teachings and practice of a great majority of the regular line of M. D.'s, but I see no just cause or good sense in discarding a remedy which we know to be efficient, simply because we may be ignorant of its combination. For my part, I shall make it a rule to use all and any means to alleviate suffering humanity which I may be able to command—not hesitating because some one more ingenious than myself may have learned its effects first, and secured the sole right to secure that knowledge. However, I am by no means an advocate or supporter of the thousands of worthless nostrums that flood the country, that purport to cure all manner of disease to which human flesh is heir. Please reply soon, and inform me of your best terms. I am, sir, most respectfully,

Bull's Sarsaparilla.

A GOOD REASON FOR THE CAPTAIN'S FAITH

Read the Captain's Letter and the Letter from his mother:

Penton Barnicks, Mo., Apr. 30, 1866.

DR. JOHN BULL—Dear Sir: Knowing the efficacy of your Sarsaparilla, and the healing and beneficial qualities it possesses, I send you the following statement of my case:

I was wounded about two years ago—was taken prisoner and confined for six months. Being moved so often, my wounds have not healed yet. I have not sat up a moment since I was wounded. I am shut through the hips. My general health is impaired, and I need something to assist nature. I have more faith in your Sarsaparilla than in any thing else. I wish that which is genuine. Please express me half a dozen bottles and oblige.

Capt. C. P. JOHNSON,
St. Louis, Mo.

P. S.—The following was written April 30, 1866, by Mrs. Jennie Johnson, mother of Capt. Johnson:

DR. JOHN BULL—Dear Sir: My husband Dr. C. P. Johnson, was a skillful surgeon and physician in Central New York, when he left leaving the above C. P. Johnson to my care. At thirteen years of age he had a chronic diarrhoea and scurvy, for which I gave him your Sarsaparilla. It cured him. I have for ten years recommended it to many in New York, Ohio and Iowa, for several years ago and general debility. Perfect success has attended it. The cures effected in some cases of scurvy and fever were almost miraculous. I am very anxious for my son to again have recourse to your Sarsaparilla. It is fearful of getting a spurious article, hence this writing to you for a genuine one. I believe he will never be troubled with it again. JENNIE JOHNSON.

DR. JOHN BULL—Dear Sir: Last February I was in Louisville purchasing drugs, and I got some of your Sarsaparilla and Cedron Bitters.

My son-in-law, who was with me in the store, has been down with rheumatism for some time, commenced on the Bitters and soon found his general health improved.

Dr. Gist who has been in bad health, tried them, and he also improved.

Dr. Coffee, who has been in bad health for several years—stomach and liver affected—improved very much by the use of your Bitters. Indeed the Cedron Bitters has given you great popularity in this settlement. I think I could sell a great quantity of your medicines this fall—especially your Cedron Bitters and Sarsaparilla. Important.—Those who have attained

to the greatest eminence in the science of medicine, and who have by a life long study of, and experience with, the human organism, obtained great insight into the origin and pathology of disease, are yet, notwithstanding all their profound and learned theories, confessedly groping the dark as to the first cause of any and every disease of our race. But this much has been clearly elucidated, and has become an axiom with the learned profession, that by far the greatest number of our ailments are directly traceable to derangement of the digestive functions, and if good digestion wait on appetite, health will be the almost uniform result. Acting upon this axiom, the inventor of Dr. Hurley's CELEBRATED STOMACH BITTERS has been eminently successful (judging from the many testimonials that are constantly pouring in upon him through the mails and press), in preparing a remedy to meet and "nip in the bud" all this long list of obscure and distressing derangements that render "life scarce worth the living." We are glad to learn that the public here are beginning to appreciate these Bitters upon their intrinsic merits, and that they can be had everywhere. See advertisement in another column.
