#### LOCAL NOTICES TEN CENTS PER LINE, FOR EACH INSERTION.

##### COLD IN THE HEAD RELIEVED

In a few minutes; had breath caused by offensive secretions; weak eyes, cold, catarrhal affections; sense of smell, when lessened or destroyed; deafness, all permanently cured by Seelye's Liquid Catarrh Remedy. Sold in Indiana only by R. H. CAMPBELL. Price, \$2.00 per bottle. Some may object to this medicine because the price is higher than that asked for compounds said to give relief, but no one who seriously wishes to be cured, will care to pay a living price—\$2.00. Try it.

##### Carpeting.

If you want a Carpet, go the Bloomington Woolen Factory, where you will find a variety to select from, of better quality, and at lower figures than any that has ever been offered in this part of the State.

A. HOLTZMAN & SON.

Bloomington, Ind., March 31st.

##### How CAN THEY sell so many Groceries at

Truett & Co.'s? It is frequently asked. Well it is done by keeping a well assorted stock, selling at a narrow margin, and treating customers with courtesy. The new Grocery Store of Truett & Co. is on the west side of the square, north of Stuart & Co.'s Hardware Store.

##### WE HAVE ACCOUNTS ON OUR

books that have been standing two or three years; notes older than that in fact, and we must be excused from feeling kindly toward the parties thus indebted to us. Now we want these accounts and notes paid, or we will sue. These delinquents cannot get credit at McCALLA & CO'S.

##### PAINTS AND OILS by the car load have

just been received at Shoemaker & Co's. Union Drug Store. A large invoice of College Text Books arrived on Thursday from New York Publishing houses, and Students can be supplied with any book they may wish. It must also be remembered that S. & Co. have the largest, choicest, prettiest stock of Wall Paper ever brought to Bloomington. They have one of the most reliable Prescription Druggists in the West, and give particular attention to this branch of business.

##### WE DESIRE TO CLOSE OUT OUR

stock of Wall Paper, and quit that branch of business, and we will sell the Paper we now have on hand, at cost, to get rid of it. Come and buy it cheap, for cash.

McCALLA & CO.

##### Persons from neighboring towns are

astonished when they come to Bloomington, and find an establishment stocked and decorated as is that of Smith & Cochran.

It is as fine, if not finer in its appointments, than any house in Indianapolis. Of this fact any one may judge who has ever visited the capital city. Smith is all the time buying some good bargain, and instead of profiting by it himself, giving it to his customers. You will find this house on the south side of the square.

##### If you should pass along on the west

side of the square, and observe a pile of silver quarters, dimes, etc., in a store window, you will understand that it is the establishment of John P. Smith. John is selling a large number of silver watches now, all the way down to \$5.00 each, and in coin silver cases. John is a careful and competent repairer of Clocks, Watches and Jewelry, and if your Watch is out of order, he is the man who is able to mend it.

##### From Rev. W. F. Warren, of Boston.

EDW. WATTS—Dear Sir: Every body has some favorite journal, which they would be glad to preserve in file, and to preserve, but for two things; first, the care requisite to keep the separate numbers from being lost, and secondly, the expense of getting them bound at the close of the year. Your admirable invention seems to me to remove both these difficulties, being both a faithful custodian of the fugitive numbers, and a secure binding of them all at the end. I wish every family might commence the use of one or more. Yours truly,

W. F. WARREN.

##### HERALDS and Jackotypes taken

as well in cloudy as in clear weather, at the Bloomington Progress Art Gallery.

##### TOBE SMITH has the finest store room in

Indiana, as well as the largest stock of Watches and Jewelry. He will sell a genuine American watch, in coin silver case, for \$15, and he sells other "minks" of watches for \$1 and upward. To be has also added new machinery to that with which his work was already supplied, which enables him to do all kinds of watch repairing for about half the price that others charge, and in a much better manner. He don't patch up your watch so that it will run for a few days, but he supplies new works, instead of the old, so that when it leaves his hands, your time-keeper is as good as new. If you call upon him, he will give you his price list.

Dez 21st

##### JOHN P. SMITH, the popular Jeweler

and Repairer of Watches, finding that the room he had been occupying for several years past, was too small to meet the requirements of his rapidly increasing business, leased the room on the west side of the square, adjoining the auction store, and fitting it up in a manner both elegant and neat, removed to his present location, early this Spring. With a commendable determination to excel, MR. SMITH procured a large, choice and attractive stock of Goods, including fine Jewelry, Musical Instruments, Clocks, and an assortment of American and Foreign Watches, in silver and gold cases, seldom equalled in this portion of the State. He also secured the latest and most approved machinery and tools, for the successful prosecution of the business of Watch Repairing, and now bids defiance to competition. Persons having anything in the line of Watch repairing to do, or desiring to supply themselves with the latest styles of Jewelry, or perfect time-keeping Watches, will consult their best interests by giving JOHN P. SMITH, the West Side Jeweler, a call.

## Fifteenth Amendment Celebration.

The colored citizens of Bloomington and vicinity, will celebrate the Ratification of the Fifteenth Amendment to the Constitution of the United States. The Celebration ceremonies will take place in the Court House Yard, on

THURSDAY, APRIL 10, 1870.

Mr. S. HINTON of Indianapolis, will deliver an address. Other Speakers are expected.

##### SAM. J. SCHOFIELD HAS LEASED

the Ellettsville Woollen Mill, repaired it, put in new machinery, and is now ready to do work for all Monroe County. Mr. S. is a practical workman, has come to Monroe county to stay, and will build up the reputation the Ellettsville Mill has lost. See advertisement.

##### JOHN McCALLA GOES TO THE

city this week to buy a new stock of goods, and he says they will be sold low for cash, and that credit will be given only to such men as are "good," and who have met their bills promptly when presented. He wants that understood.

##### MAJ. HENRY F. PERRY, THE

present Auditor, is to-day announced as a candidate for re-nomination. The offices of Auditor and Clerk of Monroe, are at present ably filled. It is difficult to find a man who is thoroughly competent to transact the business of County Auditor or Clerk, and for this reason we believe that good officers, whenever found to be so by actual test, should be retained indefinitely.

##### A BLAST PUT INTO THE ROCK

one day last week at the bottom of the cellar which is in process of excavation, on the northeast corner of the square, threw a piece of rock weighing about thirty pounds, over the Old Fellows' Hall, alighting in front of the Tailors' Shop, just west of Pearson's Store. It seems miraculous that no one was struck by the fragment, as it fell at a point where persons are passing and re-passing almost constantly.

##### DISTRESSING ACCIDENT.—On

last Saturday morning, a lad of fourteen years, employed in Holtzman's Woollen Factory, was caught by the "Picker," a large cylinder, armed with long, sharp spikes, and before assistance came, his right arm was torn into shreds, and his face had received a number of gashes. It was found necessary to amputate the arm, near the shoulder, and the sufferer is doing as well as could be expected under the circumstances.

##### Ed. Progress.—We want true men to

fill the offices this Fall. True Christians, true Republicans, and true patriots. This too—allow me to direct your attention to a resolution which every true Republican ought to adopt: Resolved, That I will vote only for true men—men who are both honest and true.

Truly yours, in truth and charity,

ROSEFOIL.

##### COUNTY ORDERS.—Two or three

hundred dollars in County Orders are wanted for tax paying purposes, by parties who have left the money at this office, with instructions to pay as little as possible for them. If the terms suit, come and get the money.

ap 12-61

##### MR. EDITOR:—As there seems to be

a general determination to secure, if possible, only the best men for office, at the approaching election, I have a suggestion to make as to who would be acceptable to many of us. For Representative, who would more ably or acceptably fill the position than J. F. Pittman, late of Orange county? He is an attorney of acknowledged ability, and a gentleman of unquestioned honesty; or, Mr. Mulky or Frederick T. Butler would be my next choice. Then for Auditor why not select Uncle Billy Paris, a staunch old Republican, or E. Worley who is well known and popular? For Clerk, I am in favor of Bob Foster, cause he's a No. 1 man, and can beat two fellows that you say owe you five dollars, and he wants to be Democratic candidate for that office. As to the office of Treasurer, anybody can take in and pay out money, (believe I could pay out a large sum myself) so I stand committed for W. L. Adams, for he knows how "whoop can up" in the matter of collections, which is about half of the business. For Sheriff, Wm. McPhetridge suits me to a "T." But of one thing we must be careful: to select new men for Commissioners, and men who are unobjectionable. I know of no three men I would rather see on the Board than C. C. Showers, Chas. P. Tuley and Clement Whitaker. For Recorder, I would favor the nomination of Thomas Williams, an honest man and a true Republican.

OLD BENTON.

##### A MAN TRAP.—At the east end

of a foot-bridge, on 6th street, near the Railroad, the earth has fallen into the ditch beneath, and a great, gaping chasm is left, to the bottom of which, some unfortunate pedestrian may yet be precipitated. Hundreds of men, women and children, pass over this bridge each Sunday, on their way to the M. E. Church, and that an accident has not happened, is to be attributed more to good fortune than to any precaution that have thus far been taken to prevent it.

P. S.—Since the above was written, work has been commenced upon the bridge.

##### WHO IS THE PIONEER?—At a

States House Banquet, given to the City County excise-men, there was much said of Pioneer Manufacturers, and of Manufacturers of Edge Tools, and Iron utensils of various kinds. All the praise and credit of course, being awarded to Indianapolis men. But these gentlemen were ignorant of, or overlooked the fact that ARTHUR SEWARD, of Bloomington, who is yet living, was the man who first made edge tools, in this State. In fact we are told that the ground upon which the city of Indianapolis now stands, was cleared with the axes made by SEWARD. Settlers came from every portion of the State to buy the "Seward ax," which had become famous for its reliability.

Mr. SEWARD also manufactured many of the gun barrels used in those days—applying the people's implements with which to get their supplies of provisions, to clear their lands, and to build their cabins.

R. H. CAMPBELL has sold all of his Seelye Catarrh Remedy, except two bottles. Any one who desires another bottle of this Remedy, should buy it now, as there is no more in the country. The medicine is not manufactured at present.

##### Chips and Splinters.

Some of the papers in distant parts of the State, are making determined efforts to find an older man than the one Monroe County claims, but old man Ross is still ahead, at 112 years. Mr. E. is an orphan.

The Salt Creek chip who got \$9.00 in silver, at Smith's, last week, lost it all playing poker, five cents and came back on Saturday for more fish-bones. Smith had "just sold the last one!"

The proposition in Sullivan county, to vote a donation to the East & West Railroad, was defeated—but one township giving a majority for it. The Sullivan county people don't want railroads—railroads kill stock.

—Paving and garden-making are now in order, among those who appreciate early vegetables.—Two divorces were granted in the Common Pleas Court, last week. The evidence was unusually flimsy, and in consequence, was hugely enjoyed by the persons who take delight in amusements of this character.—Come as the winds come when navies are stranded, and—announce your names as candidates for county township and corporation offices. Bring the money, for upon that hinges success.—The Proclamation for a Corporation Election on the 24th day of May, has been issued. It is rumored that no one will allow the use of his name for any of the positions.—The jury, in the Mississippi Insurance case, (a test case for twenty or thirty of the same character) decided adversely to the Company. It is no easy matter to find a jury that will sustain

the claims of a Mutual Insurance Company.

Charles M. Brown, Guardian of minor heirs to Ephraim Baugh a quantity of land in Van Buren township, being lots 7 and 9 in the Partition suit of Harvey Rice's heirs, \$300.

Joshua Waggoner to Jones Stine, 40 acres, and an undivided interest in a part of 80 acres of land in Benton township, \$1,000.

Wm. Gray to David R. Laforee, the undivided one-third of twenty-six acres of land in Polk township, \$1,200.

Elizabeth Neeld to Wm. F. Burger, and Cyrus N. Neeld, an interest in 315 63-100 of land in Van Buren township, \$1,200.

Henry Ritter to Kate P. Hopewell, the undivided one-third of 20 acres of land in Richmond township, \$1,000.

John A. Fox to Robert Dash, 100 acres more or less of land in Perry township, \$810.

William F. Reed to John M. Ferree, Out Lot No. 28, in the Town of Bloomington, \$1,000 00.

Samuel J. Junkin to Wm. Paul, 44 acres of land, more or less, in Bloomington township, \$200 00.

William F. Lottman to Samuel Wallingford, Lot 26, 10, in the new town plat of Harrodsburg, \$700 00.

Lake James to Calvin Young, 140 acres of land in Bloomington and Clear Creek townships, \$1,000 00.

M. L. Snodgrass, N. G.

G. T. Sloumb, V. G.

J. C. Allen, R. S.

J. D. Showers, P. S.

C. P. Tuley, Treasurer.

##### THE following named Officers

were elected for Herndon Encampment, No. 56, I. O. O. F., March 28th, 1870:

J. D. Walker, C. P.

M. L. Snodgrass, H. P.

Isaac Walker, S. W.

J. C. Hunter, J. W.

J. C. Orchard, Scribe.

C. P. Tuley, Treasurer.

DR. C. MEEHAN, for some time employed in the New York Store, of this place, is now practicing medicine at Switz City, Greene county, and he informs us that his business is rapidly increasing. The Doctor is a genial gentleman, and better still, a sound Republican.

##### HAVE COME.—Perry's fine stock

of Boots and Shoes has arrived from Boston, and is now open for inspection and sale. This stock was bought by a gentleman who is thoroughly conversant with the business, and it is undoubtedly one of the best ever brought to the city.

While examining these Boston goods, the ladies should not neglect to examine M. W. Helton's Patent Ventilating Lasting Shoe, one of the neatest and most durable shoes in the market. Room one door north of Campbell's Drug Store.

##### ENOUGH COFFEE, SUGAR, TEA,

Syrup, Molasses, &c., &c., in Store, to supply the immediate wants of several small Families, for a few days, and will be sold as fast as possible, to make room for another barrel of Sugar.

Call on J. F. FEE.

##### Seizure of Spirits.

On Thursday of last week, W. F. Browning, U. S. Collector for Monroe County, by order of the State Supervisor, and of the Collector of Internal Revenue of the 3rd District, made a seizure of the stock of spirits belonging to Wm. F. O'Bold, a Wholesale and Retail Liquor Dealer, in this place, for violations of the Internal Revenue law.

O'Bold is charged with drawing from the original cask and placing in other casks or packages, each six gallons of spirits, and selling and shipping the packages containing six gallons, without having them gauged and stamped as the law required him to do. These packages were seized by a Revenue officer at Quincy, as being there in violation of law. The estimated value of the stock seized, is \$1,800. The liquors have been removed from O'Bold's rooms, and are now in custody of the officer who made the seizure.

An appropriate gift to a young lady from her lover—A Newspaper File. She might file his letters and read them to her friend.

The health of Captain L. S.

MAYFIELD is greatly improved, so much indeed, that he is now prominently spoken of for County Clerk. We learn that if urged by his numerous friends, he might yet be induced to make the race for the nomination.

COMMON PLEAS COURT LASTED only one week, although there was enough on the docket to consume double the time. Judge Woolen could not be present, but sent Judge Banta. We never could understand why Judges are so much opposed to giving more than a week of their time to the business which they are paid to transact. They never draw half pay we are told.

Our Courts are no worse in this particular than those of other Judicial Districts. There is certainly much room for reform.

The United States Hotel, Louisville, Ky., is only one block from Weisiger Hall.

##### SHERIFF'S SALE.

By virtue of two executions to me directed from the Clerk of the Monroe Common Pleas Court, I will expose at public sale to the highest bidder, on

Saturday, May 7, 1870,

between the hours of 10 o'clock A. M. and 4 o'clock P. M. of said day, at the door of the Court House of Monroe County, the rents and profits for a term not exceeding seven years, the following described real estate, to-wit:

The northwest quarter of section nineteen, and the northwest quarter of the southwest quarter of section sixteen, also the northeast quarter of the southwest quarter of section nineteen, all in township ten, north of range one west, containing two hundred and forty acres, more or less.

And on failure to realize the full amount of judgment, interests and costs, I will at the same time and place expose at public sale the fee simple of said real estate.

Taken as the property
