S. T.—1860—X.  
This wonderful vegetable restorative is the sheet-anchor of the feeble and debilitated. As a tonic and cordial for the aged and languid, it has no equal on any stomach. As a remedy for the nervous weakness to which women are especially subject, it is superceding every other stimulant. In all climates, tropical, temperate or frigid, it acts as a specific in every species of disorder which undermines the bodily strength and breaks down the animal spirits. ## Great Medical Discovery.

**Dr. Walker's California VINEGAR BITTERS.**  
More than 500,000 persons bear testimony of their wonderful curative effects.  
**WHAT ARE THEY?**

They are Not a vile FANCY DRINK.

Made of Pure Rum, Whisky, Proof Spirits, and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true medicine, made from the native Root and Herb of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and Life Giving Principle, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter, and restoring the blood to a healthy condition. No person can take these Bitters without directions, and remain long unwell.

\$100 will be given for an incurable case, provided the bones are not destroyed by mineral poisons or other means, and the vital organs wasted beyond the point of repair.

For Female complaints, whether in young or old, married or single, at the dawn of womanhood, or the term of life, these Tonic Bitters have no equal. Send for a circular.

They are a gentle Purgative as well as a Tonic, possessing also, the peculiar merit of acting as a powerful agent in relieving Congestions, or Inflammation of the Liver, and all the Viscera Organs.

For Infanitary and Chronic Rheumatism, and Gout, Indigestion, or Indigestion, Bilious, Flatulent, and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder; these Bitters have been most successful. Such diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

Cleanse the Vitiated Blood whenever you find it impure, by purging through the skin in Pimples, Eruptions, or Sores, cleanse it when you find it is obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

Fin, Taps, and other worms, lurking in the system of so many thousands, are effectually destroyed and removed.

In Filioles, Rheumatism, and Intermittent Fevers, these Bitters have no equal. For full directions read carefully the circulars around each bottle, printed in four languages—English, German, French and Spanish. J. WALKER, Proprietor, 32 Commerce St., N. Y.

**THE PROPRIETOR** of this celebrated medicine, justly claims for it a superiority over all ever offered to the public for the safe certain and permanent cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and Southwestern country to bear him testimony to the truth of the assertion that in no case whatever will it fail to cure, if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle with a perfect restoration of the general health. It is, however, prudent, and in every case more certain to cure, if its use is continued in smaller doses for a week or two after the disease has been checked, more especially in difficult and long standing cases. Usually this medicine will not require any aid to keep the bowels in good order; should the patient, however, require a cathartic medicine after having taken three or four doses of the Tonic, a single dose of Bull's Vegetable Family Pills will be sufficient.

## BULL'S WORM DESTROYER.

To my United States and World-wide Read  
I have received many testimonials from professional and medical men, as my Almanac and various publications have shown, all of which are genuine. The following from a highly educated and popular physician of Georgia, is certainly one of the most reliable communications I have ever received. Dr. Clement knows exactly what he speaks of, and his testimony deserves to be written in letters of gold. Hear what the Doctor says of Bull's Worm Destroyer:  
Valdosta, Walker Co., Ga.  
June 20th, 1868.

Dr. John Bull—Dear Sir: I have recently given your 'Worm Destroyer' several trials and find it wonderfully efficacious. It has not failed in a single instance to have the wished for effect. I am doing a pretty large country practice, and have daily use for some article of the kind. I am free to confess that I know of no remedy recommended by the ablest authors that is so certain and speedy in its effects. On the contrary they are uncertain in the extreme. My object in writing you is to find out what terms I can get the medicine from you. If I can get it upon easy terms, I shall use a great deal of it. I am aware that the use of such articles is contrary to the teachings and practice of a great majority of the regular line of M. D.'s, but I see so just cause or good sense in discarding a remedy which we know to be efficient, simply because we may be ignorant of its combination. For my part, I shall make it a rule to use all and any means to alleviate suffering humanity which I may be able to command—not hesitating because some one more ingenious than myself may have learned its effects first, and secured the sole right to secure it in knowledge. However, I am by no means an advocate or supporter of the thousands of worthless nostrums that flood the country, that purport to cure all manner of disease to which human flesh is heir. Please reply soon, and inform me of your best terms. I am, sir, most respectfully,  
JAMES P. CLEMENT, M. D.

## Bull's Sarsaparilla.

**A GOOD REASON FOR THE CAPTAIN'S FAITH**  
Read the Captain's Letter and the Letter from his mother:  
Benton Barrack, Mo., Apr. 30, 1868.  
Dr. John Bull—Dear Sir: Knowing the efficacy of your Sarsaparilla, and the healing and beneficial qualities it possesses, I send you the following statement of my case.  
I was wounded about two years ago—was taken prisoner and confined for six months. Being moved so often, my wounds have not healed yet. I have not sat up a moment since I was wounded. I am shot through the hips. My general health is impaired, and I need something to assist nature. I have more faith in your Sarsaparilla than in any thing else. I wish that this is genuine. Please express me half a dozen bottles and oblige.

## Important.

Those who have attained to the greatest eminence in the science of medicine, and who have by a life long study of, and experience with, the human organism, obtained great insight into the origin and pathology of disease, are yet, notwithstanding, all their profound and learned theories, confessedly groping the dark as to the first cause of any and all diseases that affects our race. But this much has been clearly elucidated, and has become an axiom with the learned profession, that by far the greatest number of our ailments are directly traceable to derangement of the digestive functions, and if such derangement exist, no medicine will be the almost uniform result. Acting upon this axiom, the inventor of Dr. Hurley's CELEBRATED STOMACH BITTERS has been eminently successful (judging from the many testimonials that are constantly pouring in upon him through the mails and press), in preparing a remedy to meet and cure all the ailments that are caused by indigestion, and distressing derangements that render life scarce worth the living. We are glad to learn that the public here are beginning to appreciate these Bitters upon their intrinsic merits, and that they can be had everywhere. See advertisement in another column.

Another great merit that will commend itself to all parents is the entire absence of the stupefying effects on the child, so common in the use of Doan's Balm and other preparations we have used for similar diseases. **DR. SEABROOK'S**  
Infant Soothing Syrup.  
**25 CENTS PER BOTTLE.**  
Use in the future only Seabrook's, a combination quite unobtainable elsewhere. It is the most perfect and safe advancement of the age. Pleasant to take, harmless in its action, efficient and reliable in all cases. Invaluable in the following diseases:  
Summer Complaint, Irregularities of the Bowels, Restlessness, Teething, &c.  
Gives health to the child and rest to the mother.  
To Parents—Louisville, Oct. 3, 1868.  
Messrs James Ruddle & Co.—Gentlemen: We have for some time been using your Infant Soothing Syrup, and have given it a fair trial. For curing colic, removing pain, quieting restlessness, and relieving sick stomachs, we have found it more efficacious than all other remedies we have ever used. It is very pleasant to the taste, while most remedial for colic, &c., are very nauseous. Another great merit that will commend itself to all parents is the entire absence of the stupefying effects on the child, so common in the use of Doan's Balm and other preparations we have used for similar diseases. We most cordially recommend it to all parents.
