

PLANTATION BITTERS

S. T.—1860—X.
This wonderful vegetable restorative is the sheet-anchor of the feeble and debilitated. As a tonic and cereal for the aged and languid, it has no equal among stomachics. As a remedy for the nervous weakness to which women are especially subject, it is surpassing every other stimulant. In all climates, tropical, temperate or frigid, it acts as a specific in every species of disorder which undermines the bodily strength and breaks down the animal spirits. For sale by all druggists, method.

Great Medical Discovery.

Dr. Walker's California VINEGAR BITTERS.

More than 500,000 persons bear testimony of their wonderful curative effects.

WHAT ARE THEY?

They are Not a vile FANCY DRINK.

Made of Pure Rum, Whisky, Proof Spirits, and Refine Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true medicine, made from the native Root and Herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and Life Giving Principle, a perfect Restorer and Invigorator of the System, carrying off all poisonous matter, and restoring the blood to a healthy condition. No person can take these Bitters according to directions, and remain long unwell.

\$100 will be given for an incurable case, provided the bones are not destroyed by mineral poisons or other means, and the vital organs wasted beyond the point of repair.

For Female complaints, whether in young or old, married or single, at the dawn of womanhood or the turn of life, these Tonic Bitters have no equal. Send for a circular.

They are a gentle Purgative as well as a Tonic, possessing the peculiar merit of acting as a powerful agent in relieving Congestions, or Inflammation of the Liver, and all the Visceral Organs.

For Inflammatory and Chronic Rheumatism, and Gout, Dyspepsia, or Indigestion, Bilious, Remittent, and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder; these Bitters have been most successful. Such diseases are caused by Vicious Blood, which is generally produced by derangement of the Digestive Organs.

Cleanse the Vicious Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when to keep the blood pure and the health of the system will follow.

Pin, Tape, and other worms, lurking in the system of so many thousands, are effectually destroyed and removed. In Bilious, Remittent, and Intermittent Fevers, these Bitters have no equal. For full directions read carefully the circulars around each bottle, printed in four languages—English, German, French and Spanish. J. WALKER, Proprietor.

DR. JOHN BULL'S Great Remedies.

DR. JOHN BULL'S SMITH'S TONIC SYRUP!

FOR THE CURE OF AGUE AND FEVER OR CHILLS AND FEVER.

THE PROPRIETOR of this celebrated medicine just claims for it a superiority over all ever offered to the public for the safe certain and permanent cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and Southern country to bear him testimony to the truth of the assertion that in no case whatever will it fail to cure, if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle with a perfect restoration of the general health. It is, however, prudent, and in every case more certain to cure, if its use is continued in smaller doses for a week or two until the disease has been checked, more especially in difficult and long standing cases. Usually his medicine will not require any aid to keep the bowels in good order; should the patient, however, require a cathartic medicine after having taken three or four doses of the Tonic, a single dose of Bull's Vegetable Family Pills will be sufficient. DR. JOHN BULL'S Office: No 10 Fifth Street, LOUISVILLE, KY.

BULL'S WORM DESTROYER.

To my United States and World-wide Readers. I have received many testimonials from professional and medical men, as well as almost every other class of people, showing all of which are genuine. The following from a highly educated and popular physician of Georgia is certainly one of the most sensible communications I have ever received. Dr. Clement knows exactly what he speaks of, and his testimony deserves to be written in letters of gold. Hear what the Doctor says of Bull's Worm Destroyer: Valhalla, Walker Co., Ga. June 20th, 1868.

Dr. John Bull—Dear Sir: I have recently given your "Worm Destroyer" several trials and find it wonderfully efficacious. It has not failed in a single instance to have the wished for effect. I am doing a pretty large country practice, and have daily use for some article of this kind. I am free to confess that I know of no remedy recommended by the ablest authors that is so certain and speedy in its effects. On the contrary they are uncertain in the extreme. My object in writing you is to find out upon what terms I can get the medicine from you. If I can get it upon easy terms, I shall use a great deal of it. I am aware that the use of such articles is contrary to the teachings and practice of a great majority of the regular line of M. D.'s, but I see no just cause or good reason in discarding a remedy which we know to be efficient, simply because we may have quarrels of its combination. For my part, I shall make it a rule to use all and any means to alleviate suffering humanity which I may be able to command—not hesitating because some more ingenious than myself may have learned its effects first, and secured the sole right to secure that knowledge. However, I can mean an advertisement supporter of the thousands of worthless nostrums that flood the country, that purport to cure all manner of disease to which human flesh is heir. Please reply soon, and inform me of your best terms. I am, sir, most respectfully, JAMES P. CLEMENT, M. D.

Bull's Sarsaparilla.

A GOOD REASON FOR THE CAPTAIN'S FAITH. Read the Captain's Letter and the Letter from his mother: Benton Haracke, Mo., Apr. 30, 1866. DR. JOHN BULL—Dear Sir: Knowing the efficacy of your Sarsaparilla, and the healing and beneficial qualities it possesses, I send you the following statement of my case. I was wounded about two years ago—was taken prisoner and confined for six months. Being moved so often, my wounds have not healed yet. I have not set up on my feet since I was wounded. I am that through the hips. My general health is impaired, and I need something to assist nature. I have more faith in your Sarsaparilla than in any thing else. I wish that it is genuine. Please express me half a dozen bottles and oblige, CAPT. C. P. JOHNSON, St. Louis, Mo.

P. S.—The following was written April 30, 1865, by Mrs. Jennie Johnson, mother of Capt. Johnson: DR. JOHN BULL—Dear Sir: My husband Dr. C. P. Johnson, was a skilled surgeon and physician, and was killed in the war, leaving the care of our children to me. At thirteen years of age he had a chronic diarrhea and scrofula, for which I gave him your Sarsaparilla. It cured him. I have for ten years recommended it to many in New York, Ohio and Iowa, for scrofula, fever, sores and general debility. Perfect success has attended it. The cure effected in some cases of scrofula and fever sores, were almost miraculous. I am very anxious for my son to again have recourse to your Sarsaparilla. He is fearful of getting a spurious article, hence his writing to you for it. His wounds were terrible but I believe he will recover. JENNIE JOHNSON.

Bull's Cedron Bitters.

Testimony of Medical Men. STONY POINT, White Co., Ark. May 23, '66. DR. JOHN BULL—Dear Sir: Last February I was in Louisville purchasing drugs, and I got some of your Sarsaparilla and Cedron Bitters. My son-in-law, who was with me in the store, has been down with rheumatism for some time, commenced on the Bitters and soon found his general health improved. Dr. Gist who has been in bad health, tried them, and he also improved. Dr. Coffee, who has been in bad health for several years—stomach and liver affected—improved very much by the use of your Bitters. Indeed the Cedron Bitters has given you great popularity in this settlement. I think I could sell a great quantity of your medicines this fall—especially your Cedron Bitters and Sarsaparilla. Ship me via Memphis, care of Rickett & Neely. Respectfully, W. WALKER. Prepared and sold by DR. J. M. BULL, at his Laboratory, Fifth Street, Louisville, Ky. For sale by J. W. Important.—Those who have attained to the greatest eminence in the science of medicine, and who have by a life long study of, and experience with, the human organism, obtained great insight into the origin and pathology of disease, are yet, notwithstanding all their profound and learned theories, confessedly groping the dark as to the first cause of any and all diseases that affects our race. But this much has been clearly elucidated, and has become an axiom with the learned profession, that by far the greatest number of our ailments are directly traceable to derangement of the digestive functions, and if "good digestion wait on appetite, health will be the almost uniform result. Acting upon this axiom, the inventor of Dr. Hurley's CELEBRATED STOMACH BITTERS has been eminently successful in judging from the many testimonials that are constantly pouring in upon him through the mail and press, in preparing a remedy to meet and cure all the ailments of the stomach, and distressing derangements that render "life scarce worth the living." We are glad to learn that the public here are beginning to appreciate these Bitters upon their intrinsic merits, and that they can be had everywhere. See advertisement in another column.

Six Great Remedies.

HURLEY'S STOMACH BITTERS.

FOR Debility, Loss of Appetite, Weakness, Indigestion, or Dyspepsia, Want of action of the Liver or Disordered Stomach. JAMES RUDDELL & CO., Proprietors, Louisville, Ky.

To Jas. Ruddle & Co., Louisville, Ky.: Gentlemen: This is to certify that I have been for years a sufferer, and tried all the tonics I have heard of or seen advertised, with little or no relief from any of them. I heard Hurley's Bitters highly spoken of, and tried a bottle, with little faith in it before I commenced, and to my surprise, before I finished one bottle, I felt a great deal better and firmly believe that on one or two occasions it was the means of saving and prolonging my life. I conscientiously recommend them to all who are as the best Bitters known, and advise them always to ask for Dr. Hurley's and have no other. Your, etc., JOHN W. DIXON. Louisville, Ky., December 10, 1868.

NOTICE TO MOTHERS.

DR. SEABROOK'S Infant Soothing Syrup.

25 CENTS PER BOTTLE. Use in the future only Seabrook's, a combination quite up with the advancement of the age. Pleasant to take, harmless in its action, efficient and reliable in all cases. In Summer Complaints, Irritabilities of the Bowels, Restlessness, Teething, &c. Gives health to the child and rest to the mother. To Parents.—Louisville, Oct. 9, 1868.—Messrs. Jas. Ruddle & Co.—Gentlemen: We have for some time been using your Dr. Seabrook's Infant Soothing Syrup, and have given it a fair trial. For curing colic, removing sick stomach, we have found it more efficacious than all other remedies we have ever used. It is very pleasant to the taste, while most remedies for colic, &c., are very nauseous. Another great merit that will commend itself to all parents is the entire absence of the stupefying effects on the child, so common in the use of Dower's Mixture and other preparations we have used for similar diseases. We most cordially recommend it to all parents. J. W. DIXON. Sheriff Jefferson Co.

Hurley's Ague Tonic.

No Arsenic—No Mercury. The only remedy for Chills and Fever, or Ague or Fever, that is or can be depended upon is Hurley's Ague Tonic. There have been thousands cured by using it who have tried the usual remedies without benefit. NEW ALBANY, IND., May 30, 1868. Messrs. James Ruddle & Co.—Gents: I was afflicted with ague for months, perhaps for a year or more. Hurley's Ague Tonic was recommended to me by a friend. I got a bottle immediately and commenced taking it according to directions, and have not been troubled with a chill since. I am satisfied it will cure any case of ague and fever, and recommend it to all suffering with this disease. Yours truly, VINCENT KIRK.

Purify Your Blood.

Hurley's Sarsaparilla.

With Iodine or Potash. Affections of the Throat, Habitual Constipation, Debility, Diseases of the Kidneys, Dyspepsia, Eruptions, and Boils, Irritability, Pimples, all Skin Diseases, Liver Complaint, Indigestion, Piles, Pulmonary Diseases, Scrofula, or King's Evil, Syphilis.

Dr. Hurley—Sir: I wish to make known my case to the inhabitants of Louisville. I am a clerk in a large establishment, and a victim of hereditary scrofula, from which I have suffered beyond description, and for months have been unable to follow my employment. I have taken Cod Liver Oil, Iodine, Syphilis, and Boils. My brother had been in Louisville, and hearing of Dr. Hurley's Sarsaparilla, procured me half a dozen bottles of it. I have suffered for twelve years, and am now finishing the last bottle, which will leave me in perfect health. I think it a wonderful medicine, and the doctor a credit to the city he lives in. I shall be happy to answer any communications that may be addressed to me on this subject. I am, sir, yours obliged, HENRY TORREN, Cincinnati.

HURLEY'S Popular Worm Candy.

As this is really a specific for Worms, and the best and most palatable form to give to children, it is not surprising that it is fast taking the place of all preparations for Worms—it being perfectly tasteless and any child will take it. F. F. BIBBY, M. D. Portmore, Miss., April 17, 1868.

DR. THOMAS A. HURLEY, Louisville, Ky.

Dear Sir: I have recommended your Vegetable Worm Candy, and cordially endorse the assertion that it is the most effective, safe and pleasant specific I have ever used. Your medicines are all the go in our town. Very truly your friend, F. F. BIBBY, M. D.

DR. SEABROOK'S Elixir of Pyrophosphate of Iron and Calisaya.

This elegant combination possesses all the tonic properties of Peruvian Bark and Iron, without the disagreeable taste and bad effects of either, separately or in other preparations, of these valuable medicines. It should be taken in all cases when a gentle tonic impression is required after convalescence from fevers or debilitating diseases, or in those distressing irregular
