It is hereby requested and directed that  
in all election precincts, where the In-  
spector is a Democrat, he shall appoint a  
Judge and Clerk, to be elected by the Re-  
publicans of such precinct; and where the  
Inspector is a Republican, he shall appoint  
a Judge and Clerk, to be elected by the  
Democrats of such precinct.

JAMES N. HUSTON,  
Chairman Rep. State Central Com.  
ED. HENDERSON,  
Chairman Dem. State Central Com.

### THE REPUBLICAN COUNTY CANDIDATES.

**ENOCH FULLER**, the Republi-  
can candidate for Clerk, is one of  
the best known men of the county.  
He carried a musket, three years  
and a half, and has a fine soldier  
record—few have a better one—he  
also carries three bullet wounds in  
his body. He is one of the best  
“mixers” on the ticket, and will  
defeat Jas. B. Clark with ease on  
the 2d of November. Fuller has  
many Democratic friends through-  
out the county, who will assist in  
his election, because they like him  
as a man. He will fill the office  
with satisfaction to all after Novem-  
ber 15th next, and has preceded his  
election by one of the liveliest can-  
vasses ever seen in Monroe county.

**MAJ. SILAS GRIMES**, the candi-  
date for Auditor was elected Sheriff  
of Monroe county in 1880 and was  
re-elected in '82. He made one of  
the most satisfactory officers that  
ever held the position, and returned  
to his farm with the best wishes  
of everybody. He responded to  
President Lincoln's first call for  
troops, and served till the end of  
the three months. He then promp-  
tly re-enlisted for the war and was  
elected Lieutenant; was afterwards  
made Captain, and still further on  
in the war, through meritorious  
conduct as an officer and a soldier,  
and having the confidence of his  
superiors, he was promoted to the  
office of Major. He never failed to  
make a march that his regiment  
made, and never missed a fight that  
his company participated in. He  
will be elected by a satisfactory ma-  
jority over Simon Pedigo.

**DR. JAS. H. GASTON**, the candi-  
date for County Treasurer, is a resi-  
dent of Stanford, Van. Buren tp.,  
where he has been in the practice  
of medicine since the close of the  
war. Dr. Gaston was a private  
soldier in the 43d regiment Ind.  
Vol. Infantry, and while doing gal-  
lant service in one of the battles of  
1863 his right arm was shot to  
pieces, and now hangs mutilated at  
his side. Dr. G. has always been a  
true Republican, an active, self-  
sacrificing worker, and withal is a  
modest, quiet gentleman, who is  
naturally averse to bringing him-  
self into prominence and notoriety.  
Notwithstanding this, he is being  
persecuted in a malignant manner by  
the opposition, in their efforts to elect  
Sudbury to the place.

**N. E. MATHERS**, the candidate  
for Sheriff, was born and reared in  
Monroe county, and when a mere  
boy, enlisted in the army in defense  
of the Union. He served in four  
regiments, and was commissioned a  
Captain before he had arrived at  
the age of 20 years. Known by his  
courage to be brave, generous,  
and kind to all, he retains their es-  
teem to-day, and they will rally to  
his support as one man on the 2d

ult. For many years Mathers has  
been a stock buyer, and has always  
dealt liberally with all, so that his  
acquaintance is general, and his sup-  
port will come from all classes.  
Newt. is a hustler, and he is mak-  
ing a vigorous canvass. Marion  
Hinkle will turn over the keys on  
the 15th of next November.

**JOHN BRADFORD**, the candidate  
for Recorder, is a citizen of Rich-  
land township, and one of her most  
substantial farmers. Mr. Bradford  
belongs to a large family of Virgin-  
ians, all of whom were in the con-  
federate army; but John Bradford  
was a Union soldier—fought for the  
cause, and bears wounds as evi-  
dence of the fact. He is a sound  
Republican, and will carry the full  
strength of the party, which will be  
sufficient to triumphantly elect him.

**JOHN P. HARRELL** was a gal-  
lant soldier, and is one of the best  
citizens of Clear Creek tp. He is  
now serving a term as county com-  
missioner for the third district, and  
has done everything in his power,  
conscientiously, for the best interests  
of Monroe county, as the understood  
them. Wm. M. A. Kirby is serv-  
ing a term as Commissioner for the  
2d district, and has been in sym-  
pathy with Mr. Harrell in his ef-  
forts to improve the county in the  
way of building roads, and in such  
enterprises as his judgment told him  
were for the best interests of the  
people at large. These two faith-  
ful servants will be retained.

**DR. JOS. ROGERS**, the candidate  
for Coroner, is one of our best  
known young physicians—energetic,  
competent and popular. He is a  
sound Republican as well as a  
thoroughly competent physician,  
and will hold the next inquest on  
the Democracy.

**A. G. DILLMAN** is the present  
County Surveyor, by appointment,  
and understands, both theoretically  
and practically, the science of sur-  
veying. He has given satisfaction  
to the public in that office, and will  
be retained.

**DR. GASTON** is the man you  
should vote for to fill the office of  
Co. Treasurer. He is a No. 1 man  
in all particulars. He was a gal-  
lant soldier in the ranks, and had  
his right arm shattered and mutilated  
by a musket ball. Such a man  
ought to be elected without any  
effort, and we have enough con-  
fidence in the people of Monroe  
county to believe that they will do  
so. When you go to the polls see  
that your ticket contains the name  
of Gaston as the candidate for county  
Treasurer.

The commissioners get a great  
amount of blame for acts over which  
they have no control whatever. For  
illustration, the expenses of courts  
are allowed by the Judge of circuit  
court, and the commissioners have  
no voice in the transaction; the  
Chambers trial, the trial of Wm.  
Welch and the Allen case, cost  
Monroe county away up in the  
thousands, and under the law these  
amounts are allowed by the Judge  
before whom the cases are tried;  
and while they go through the for-  
mality of being passed upon by the  
commissioners' court, the commis-  
sioners really have nothing to do  
with their allowance or auditing; the  
Trustees of the various townships  
contract debts for poor, etc., and the  
commissioners are compelled to al-  
low them; so with the expense of  
caring for sick among the poor—  
the doctors performing the services  
and then bringing in bills that can  
not well be disallowed. Up comes  
a petition from numerous tax-pay-  
ers for an appropriation, and the  
signatures seem to be and are suf-  
ficient authority for the expenditure,  
but those same signatures are sometimes  
the first to howl about the extrava-  
gance of the commissioners. The  
turnpikes, the ardent well, the  
university donation, etc., were all  
petitioned for by heavy tax-payers  
of the county, and were acted upon  
by the commissioners as the law  
requires. And another thing—  
these latter debts, or most of them,  
were not contracted by Messrs.  
Harrell and Kirby, but by the men  
who held office before them.

Now that the people within  
two miles of the turnpikes have  
paid or are paying for the building  
of these roads, they naturally want  
the county to keep them in repair  
and rebuild them if necessary. A  
well known Democrat stated the  
other day that not another rock  
would be placed on the turnpikes  
by the Democratic commissioners,  
in case they are elected. Now if  
you want good roads, and we take  
it that every farmer and citizen  
really does, you can only secure  
them through the election of Har-  
rell and Kirby. See that your ticket  
contains their names.

**Notice to Tax-Payers.**  
The first day of November next  
is the last day on which to pay the  
2d installment of taxes without  
penalty. Persons coming to pay  
taxes after that date will please  
come prepared to pay with the pen-  
alty added. The law puts the pen-  
alty on when you neglect to pay in  
time, and I have no authority to  
take it off. Please don't ask it.  
ISAAC CLAMAN,  
Treasurer Monroe county.

## CHIPS AND SPLINTERS.

—Miss Alice Springer is teach-  
ing school in Dublin, Wayne county.  
—Miss Kate Pearson is in  
Kansas, and has a good position as  
a teacher—Indiana University  
is now in the lead in attendance, of  
the colleges of the State, and the  
number is being added to weekly.  
—F. M. Chambers of Harrods-  
burg, was recently married to Miss  
Flora Norman of Bartlettville,  
Lawrence co.—Mrs. Sallie Hert,  
of Bedford, has been visiting the  
family of Matt. Beatley—Very  
few persons attended the Louisville  
exposition during the season—  
H. C. Duncan has been in Brown  
county during the past week, mak-  
ing speeches in the interest of Ira  
J. Chase, Republican candidate for  
Congress. Mr. Duncan's meetings  
were well attended, and the pros-  
pect for his receiving a satisfactory  
vote in Brown are very promising.

—Scratch not at all. Vote  
your ticket straight and have a clear  
conscience after election day. The  
enemy will resort to all manner of  
reports to lead you astray—Miss  
Mattie East and Mrs. Rufus East  
are visiting friends in Bloomington.  
Both ladies are now residents of  
Indianapolis—You want the  
turnpikes kept in repair don't you?  
Then vote for Kirby and Harrell.  
—Who left the Republican  
party because it was responsible for  
the 15th amendment, giving the  
colored people the right to vote?  
T. H. Sudbury, the Democratic  
candidate for County Treasurer—  
Miss Josephine Baskirk, one  
of the handsome ladies of Gosport,  
is the guest of Mrs. Jno. M. McGee.  
—Mrs. C. R. Worral is enter-  
taining Miss Maud Stevens of Mar-  
tinsville—W. Jay King who  
has been confined to his room for  
some time is now convalescing—  
The Courier is telling that Billy  
Hall is to be Bradford's deputy in  
the Recorder's office. This is un-  
true, but if it was, it would be no  
discredit to Mr. Bradford. On the  
contrary Mr. Hall has closed a con-  
tract with Indianapolis parties to  
work for them so soon as he turns  
the office over to Mr. Bradford,  
which he will do in November.  
Do you hear, Mr. Courier?

We extract the following sentence  
from an article in the Courier:  
“the polls will be open election day  
at 6 o'clock.” No, dear Courier,  
that is a mistake; eight o'clock  
is the hour—The O. & M. shops  
at Washington have been located  
near Howe & Bollenbacher's land,  
and these gentlemen naturally feel  
exuberant—The weather has  
been unsurpassed so far this month,  
for farm work and for drying out  
the ripening corn—The Courier  
says that “Grimes and Dobson  
were paid out of the county treasury  
for their trip to Texas after Mc-  
Kinney on the order of Kirby and  
Harrell.” Now this is utterly false,  
and anybody who is inclined to be-  
lieve it has only to call at the Aud-  
itor's or Treasurer's office to be sat-  
isfied of its untruth—The Courier  
as the boss misrepresenter of the  
19th century is winning new laurels  
this year—The Courier is evi-  
dently badly frightened over the  
present prospects of the Democratic  
ticket. It certainly does look  
gloomy, from Secretary of State to  
Congressman, and then all the way  
down to the end of the ticket—  
Republicans have a first-class ticket;  
see that it is elected from “top to  
bottom and from bottom to top.”

—Again we arise to remark  
that Clark will be defeated by Ful-  
ler, and that Fuller's majority will  
be about 176—A pension of  
\$10,426.23 was paid to a blind sol-  
dier named Stout at Columbus, Ind.,  
last week—Water has been  
hauled during the past three weeks  
to the factories of Showers Bros.  
and Jno. C. Dolan. The drought  
is general—S. H. Phillips' daugh-  
ter, Miss Fannie, has returned from  
a long visit to Kansas—Uncle  
“Nick” Whinnand once a resident  
of Clear Creek tp., died recently in  
Iowa—Two horses were stolen  
near Harrodsburg, Saturday night  
a week. Jack Anderson and John  
Owens were the victims—Dogs  
have been playing havoc among  
the sheep during the past two weeks.  
Peter Dill, Paris Knoos and Wm.  
Baker have each had a portion of  
their flocks destroyed—It is  
pretty hard to determine just now  
which will be defeated by the large-  
est vote: Clark or Sudbury. Some-  
times it seems as if Clark was ahead  
and then Sud. leads him. “Bad  
soul,” gentlemen—Morey Dun-  
lap went to Iowa, Kansas, one day  
last week—Dr. Jordan has gone  
to Massachusetts on business—  
Prof. Woodford went to Indian-  
apolis on Friday—Mrs. Walter  
Lindley went to Indianapolis last

—Remember to do your best for  
Mathers, on the 2d of November.  
Give him a full, ungrudging sup-  
port, and he will defeat the present  
incumbent, Marion Hinkle.

—John Bradford, the gallant  
Union soldier, will record your  
deeds after Nov. 15th. Bradford  
is a Virginian, whose father and  
brothers were in the rebel army.  
Bradford espoused the cause of the  
Union and fought on the side of  
justice and right. He was always  
a solid Republican and will be the  
next Recorder.

—Enoch Fuller is the Republi-  
can candidate for County Clerk.  
He is a first-class man, and should  
receive the hearty and united sup-  
port of the party on the 2d of No-  
vember. Let every true Republi-  
can go into the fight to win and we  
will win.

—Marion Hinkle knows it would  
be better for him to be defeated this  
Fall, so that he might go back to  
his farms, and give them the atten-  
tion they demand. Hinkle has an  
abundance of this world's goods  
and don't need such an office. Vote  
to give it to Mathers, he is poor,  
but he is competent to fill the office  
of Sheriff to the satisfaction of every  
one.

State of Indiana, Monroe county, ss.  
I, the undersigned, Clerk of the  
Monroe circuit court, November  
term, 1886.

plaint herein, together with an affidavit  
showing that said defendants, John F.  
Reed and the unknown heirs of John F.

Indiana; that said action is for the pur-  
pose of quieting title to real estate in said

ants are necessary parties thereto.  
Notice is therefore hereby given said  
defendants, last named, that unless they  
be and appear on the 14th day of the next  
term of the Monroe circuit court, to be  
held on the fourth Monday of Novem-  
ber, A.D. 1886, at the Court House, in  
Bloomington, in said county and State,

the same will be heard and determined in  
their absence.

affixed at Bloomington, this 14th day of  
October, A.D. 1886.

roe Circuit Court, the estate of James  
A. Fleetwood, deceased, was declared

### STANFORD SHAVINGS.

Temperance Society is flourishing.  
Widow Sparks has built her a new  
dwelling. Stanford still improves.  
An agent for the McKinney letters has  
been in our midst but failed to make ex-  
posures. We think though, that Major  
Grimes should make up the deficit for we  
know of several men who had not intend-  
ed to vote for the Major who now declare  
they will vote for him.  
We would be glad if every person could  
have a copy of that letter? How is it the  
Democracy can believe McKinney now  
when heretofore they have represented  
him as a fend incarnate.  
The great moral organ of Monroe county  
(The Saturday Courier) still harps on  
the Doctor's Christianity. Out the check  
some men have. Wonder if the Courier  
man wouldn't like to borrow one of the  
Doctor's bibs to read, while he ponders  
over his own conduct.  
The Democratic candidates were cor-  
dially received here last Thursday evening  
and spoke to an audience of twelve Demo-  
cratic voters, several women and children  
and a few Republicans, nationals and sin-  
ners.  
SHAKESPEAR THE 2ND.

—The subject of Rev. H. V. Giv-  
ler's sermon next Sunday morning,  
will be “Man under the Gospel,  
Superior to his Environments.”  
His subject Sunday night will be  
“The Voters Dignity and Duty.”

**Poison at the Front Door.**  
No article entering so generally  
into the food of every family has  
been found more villainously adulter-  
ated than baking powder. For  
the purpose of underselling those  
powders of absolute purity and  
wholesomeness which alone are safe  
for use in food, hundreds of dealers  
are putting up baking powders with  
cheap and adulterated cream of tar-  
tar, which contains lime, earth, etc.,  
adding strength by the free use of  
alum.

These adulterated powders are  
“shoved” upon the public with the  
greatest persistency. Many are  
given away—left in samples at pri-  
vate residences with circulars con-  
taining bogus analysis and certifi-  
cates and false representations as to  
their value, etc. The worst of them  
are introduced to the housekeeper's  
attention by fraudulent tricks or by  
bogus samples, the articles when  
purchased being found to be en-  
tirely different from the sample  
shown. The fact that a powder is  
sampled from door to door is suf-  
ficient to condemn it. A first-class  
article will sell on its merits. No  
manufacturer whose goods are of  
value can afford to give them away,  
or to test them from door to door,  
and none but the cheapest make  
and most inferior or unmarketable  
goods require to be distributed free  
in order to get the public to use  
them, and this method is adopted  
only by parties who have failed to  
dispose of their wares through ordi-  
nary and legitimate channels.

—John Little, living near Ewing,  
Jackson county, saw what he  
took to be two stray swarms of Ital-  
ian bees. He tried to capture them,  
and in less than five minutes was  
covered with yellow-jackets, which  
stung him so bad that it will take  
weeks to recover from the effects  
of their poison.

—T. H. Sudbury has given as a  
reason, times without number, for  
leaving the Republican party, that  
when the Republicans secured the  
passage of the 15th amendment,  
giving colored men the right to  
vote, it was more than he could  
stand, and so left it. But now he  
is asking colored men to vote him  
into the office of county Treasurer.  
Isn't this the quintessence of cheek?
