Couldn't Hear It Thunder.
An interesting letter from Mr. John W.
Weeks, superintendent of DeKalb Pauper
Home.

From a feeling of gratitude and a desire to
benefit others, I voluntarily make this
statement. I have great reason to be
thankful that I ever heard of B. B., as
I know what a blessing it has been to me.
I have suffered with Bronchitis, Cataract,
for a number of years. Six months ago, I
was taken with severe pain in right ear,
which caused me to discharge
secretion, with terrible and almost unbearable
pulsation and all sorts of noises in
my head. In ten days after the com-
mencement of discharge and pain in my
ear I began to grow deaf and in six weeks
I was so deaf that I could not hear than-
dren.

I was then compelled to use a conversa-
tion tube, and it was often that I could
not hear with the tube. I then commenced
taking B. B. and the running of my
ear ceased running in five weeks, and I can
now hear without the tube. My general
health is improved, and pulsation ceased,
and I feel like a new being, and appreciate
the benefit I have received from B. B.
made in Atlanta, Ga., with gratitude to
God and thankfulness to the Proprietors
for such a medicine. I cheerfully recom-
mend it to all who are afflicted with deaf-
ness and cataract. Try it; persevere in its
use and you will be convinced in its value.

JOHN W. WEEKS,
Superintendent DeKalb Pauper Home.
Decatur, Ga., May 1, 1886.

BEIGHT'S DISEASE.

I have been a sufferer from Kidney and
Bladder trouble for several years. I have
lately had what is termed Bright's Disease,
and have had considerable swelling of my
legs and shortness of breath. The urea-
nas has poisoned my blood also. I secured
and am using (B. B.) Botanic Blood
Balm, and find it quickly and I am delighted with its
effect. I had previously used a large
quantity of various advertised remedies,
and several eminent physicians also wait-
ed on me, but B. B. stands at the top.

JOHN H. MARTIN,
Rock Creek, Ala., May 4, 1886.

FALL SUITS, neat-fitting and
handsome, are turned out daily by
Ben. McGee, the Artist Tailor, at
his emporium of fashion, on the
south side of the public square. A
peculiarity of McGee's suits is that
while they fit snugly to the form,
as if moulded, they are perfectly
easy—no binding or sensation of
drawing. In fact, they have the
peculiarity of all proper-fitting
clothes: you are unconscious of the
fact that you have them on your
person, and don't feel constrained
and uncomfortable as is the case
with the clothes cut by many Tailors.

McGee has the best piece goods the
market affords and trims with only
first-class trimmings, buttons, etc.

FOR SALE.—A house and lot in
north part of Bloomington, sup-
plied with fruits and conveniences.

back twenty years and open the

it thirty years so as to take in the
defalcation of Gentry, a Democrat,
who was County Treasurer—

Joshua Eller of Fairmount, Neb.,
came to Bloomington Saturday a
week on a short visit to friends and
relations, and returned on last Sat-

barn in the county and was

—All the candidates and their
friends are stopping at the Orchard House
when in town. It is a good hotel con-

Letter from Greene County.
To the Republicans and people of Monroe
County.

While the political pot of your sister
county of Greene "waxeth warm" the Re-
publicans and people of Greene county,
and especially those of Beech Creek town-
ship, take pride and pleasure in looking
across the line, and seeing one of our
neighbors, the genial whole-saled Enoch
Fuller, honored by your people with the
omination for the important office of
Clerk of the Circuit Court, on the Repub-
lican ticket.

Mr. Fuller deserves the hearty support
of the well-wishers of the grand old Re-
publican party, wherever he may cast his
lot. He was a whole team in Greene
county, as will be clearly proven when we
see that he not only ran away ahead of
the mail, but also defeated Representative
in Beech Creek township, who was ahead
of the State ticket in the county.

We feel justified in saying to the Re-
publicans and people of Monroe county
that you can make no mistake in electing
Enoch Fuller Clark, as will be assuredly
proved to be a wide awake, energetic, go-
ahead citizen.
