Pay or Take Consequences.

The old hardware firm of Stuart & McPheters, and McPheters & Shoemaker have placed the notes and accounts due them in the hands of an attorney with positive instructions to FISH their collection. So if you are indebted to them you had better settle at once and save greater costs. They say they have waited just as long as they can, and now propose to see if some people are execution proof.

One Lived, The Other Died.
A woman formerly our slave is now our cook. About eighteen months ago she became sickly and had a cough and was confined to bed, and it was thought that she had consumption. The treatment by physicians failed to give relief.

In December, 1884, a node or knot the size of a goose egg formed above the pit of her stomach, which was lanced and discharged matter for 6 or 8 months. One of these also formed under her arm, and three on her back, which discharged matter for a considerable time.

For six months of this time she was confined to the house, and most of the time in bed. The stomach often refused food, by rejecting what she had eaten. She used a great deal of medicine, but failed to be cured.

I bought one bottle of your B. B. (made in Atlanta, Ga.) and gave it to her and she commenced to improve. I then bought and gave her three bottles more, and she continued to improve and in two months time her cough had ceased, her constitution strengthened, appetite and digestion good, all discharges ceased, nodes or knots disappeared and she went to work apparently healthy and fat and gained weight.

This woman had a married sister of near same age who was afflicted in precisely the same way and about the same time. She had nodes or knots on pit of stomach, back, etc. She did not take any B. B. and the nodes on her stomach ate through to the cavity. She continued on the decline and wasted away, and finally died.

These were two terrible cases of blood poisoning, one used B. B. and was speedily cured—the other did not use it and died. It is most assuredly a most wonderful blood purifier. I refer to the merchants of this town. Yours truly,

W. T. ROBINSON.

Sudden Death.
Mrs. Lola M. Calhoun died suddenly yesterday morning at 3 o'clock, at the Stringer boarding house. She had been confined three weeks ago and was apparently convalescing, when she was stricken with neuralgia of the heart, which caused her death.

Less than an hour previous to her death she was in good spirits and no one present had any thought of death being so near. Deceased was twenty-five years of age and had been married four years. She was a daughter of John Cherry, of Bloomington, Ind., where her remains were taken for interment. Her husband, John Calhoun, the well known painter, has the warmest sympathy of his numerous friends in the sad bereavement to himself and two orphan children.—Vincennes Commercial.

—The laws of emigration are peculiarly if not unstable. While nearly all the emigrants from this country go to Kansas, those who emigrate from Brown county go to Arkansas, quite a large number from that county have located at Texarkana, two more leaving for that point Monday, while six or seven others will go next week. When it is considered that the climate, the soil and the products of Arkansas are vastly different from those of this State, especially Brown county, why these people should emigrate there is something strange.—Columbus Republican.

The lecture will doubtless draw.

Married, Jan. 1st, at the residence of Rev. Baker, Mr. James Stevens to Mrs. Ruth Anderson. The above couple in company with the bride's father, Henry Musser, went to the house of the parson and informed him that they wished to be married. Putting up ice this week is the employment of a number of the people. The ice, the beautiful ice, from ten to twelve inches in thickness, resembling large blocks of glass; it looks as though the people intended to keep cool the year round. For my part I feel like I would not get thawed out good until winter comes again.

—The society young men will surprise the girls in a new wrinkle this winter, says a Washington letter. Let it only be faintly whispered, but they will powder their hair. To be prematurely gray is to be the height of fashion. If you have a florid face, so much the better, but gray you must be and still look young.

Death of Ellis M. Sluss.
Ellis M. Sluss, son of E. E. Sluss of this place, died on Thursday night last, after several months of sickness with a laryngeal disease. Deceased was in his 31st year. Ellis, as he was familiarly called by his many friends, was a graduate of Indiana University—a member of the Class of '77. For some time he was general delivery clerk in the postoffice of this place, and afterwards accepted a position as salesman with McCauley & Co., and was efficient and popular. He went to Sedalia, Mo., and for some time was a salesman in an extensive retail and jobbing dry goods house, but close confinement was very injurious to him, so he accepted an offer to travel for a wholesale confectionery house of the same city. In his new calling he was quite successful and built up a large business by strict attention to its details, and by his pleasant and courteous treatment of customers. It was while on one of these trips during the severe weather of last winter that he contracted the cold which laid the foundation of a fatal throat disease. He was a young man of good habits, and his cheerful disposition made him a general favorite with young and old. Ellis was a member of the Knights of Honor, and the brethren took charge of many of the details of the burial. The funeral services were held at the family residence, on west 6th street on Sunday afternoon.

Death of Frank McDonald.
The following from the Indianapolis News will be read with great interest by our citizens, the majority of whom were familiarly acquainted with Frank while he was a student of Indiana University:

There was surprise, not unmixed with grief, when the news of the death of Frank McDonald was brought about the street to-day, that sad event occurring this morning at Washington. Frank had been ailing almost ever since he went to that city, and when he was home in November last, coming to Indiana to vote, he complained of his increased flesh, and that it gave him a "stuffy" feeling, and made it exceedingly uncomfortable for him to move about. He and Congressman Bynum were together at Washington, and just before Bynum's return home for the holidays, Frank was feeling very much indisposed and with difficulty could attend to his duties in the pension department. The other day a paragraph floated about, speaking of his illness, but it was not given serious attention, and so to-day the news of his death was a decided shock. The presumed cause is heart trouble. The remains will be brought to the city for interment, Mr. McDonald having ordered that effect upon being apprised of his demise, and it is expected that the body will reach here Saturday, via the B. & O. His age was thirty-six, and his death leaves but one son to the ex-senator, "Mack" McDonald, who is now connected with the Cairo division of the Wabash, and whose home is in Danville, Ill. In his infancy Frank received a fall while in the arms of his nurse, which resulted in a permanent deformity of the spine, and his sensitiveness over this physical defect had much to do in tingling his life with a certain morbidness. In ordinary association he was extremely pleasant, however, and there was a pungent wit in his talk that made him a prime favorite in any gathering. The greater part of his time was spent in his father's law office, this city, but about a year ago he secured an appointment in the pension department, and afterward passed an examination which advanced him to the board of review. He was pleased with his position.

RESOLUTIONS OF ELECTRIC LIGHT COMPANY.
At the regular monthly meeting of the Board of Directors of the Bloomington Jenney Electric Light and Power Company, the following tribute of respect was adopted:

The Directors of the Bloomington Jenney Electric Light Company having heard with deep regret of the decease of Charles H. Showers, one of its youngest and most prominent and enterprising members, as a brief tribute of respect to his memory, do resolve as follows:

1.—That we lament the loss that has fallen upon this Company and the citizens of Bloomington in the decease of our young, gifted and much esteemed member.

2.—That as a citizen he was trusted and respected by all who knew him; as a business man he was prompt, upright and honest; as a husband he was ever kind, true and devoted; as a parent gentle, genial and forbearing; as a member of this company he was active, enterprising and enthusiastic, and knew no such word as fail.

3.—That we tender to his family and relatives the sincerest expression of our sympathy.

Tribute to the Memory of Dr. John J. Hight.
At the session of the Quarterly Conference of College Avenue M. E. church, in Bloomington, Indiana, held Dec. 23, 1886, the following preamble and resolutions were unanimously adopted:

Whereas, in the providence of God, our much beloved brother, Rev. John J. Hight, D. D., who was born, educated, joined the church, converted, and licensed to preach in Bloomington, and who served the M. E. church as pastor faithfully and successfully in this place two years, and who has faithfully and satisfactorily served the church as assistant editor of the Western Christian Advocate for many years, has been removed by death from us and the church, in the midst of his usefulness and

Whereas, our brother served the church and the cause of humanity with great earnestness, fidelity and marked ability and success as a preacher of the gospel, as assistant editor, and wherever else he was called to labor as a minister of the gospel, and especially as chaplain in the Union army during the war of the great rebellion, has endeavored to glorify in the church at large by his christian spirit, his manly and unflinching opposition to every form of wrong; therefore,

Resolved, by this Quarterly Conference, that we bow in humble submission to the will of God in the removal of our dear brother from the church militant to the church triumphant, and that we devoutly thank God for the exemplary life and successful labors of Dr. John J. Hight while sojourning on the earth.

Resolved, That we tender to the bereaved and stricken family of Dr. Hight our heartfelt sympathy in this time of their great affliction.

Resolved, That the Secretary of this Conference furnish the family of Dr. Hight with a copy of these resolutions, and also have them published in the Western Christian Advocate and in the papers of Bloomington.
