IT IS THE WONDER OF THE AGE, the stock of goods on the shelves, counters, and in the drawers, at the South Jewelry Store and Bazaar, south side. This house receives car-load after car-load of goods, and yet they are sold with such rapidity that there is always a demand for more. The stock is not all of a light or fragile character, either, as some might suppose, for there are gold and silver watches of the best brands, cloaks of the most reliable manufacture, silver-ware that is known to be standard, even tinware is included in this mammoth stock. Many household articles that are very useful and ornamental are also sold here for trifling sums.

He will fill your basket for very little money. Call and see him.

Clipper from the "Insurance Rough Notes," Indianapolis, Ind., December, 1888. To whom it may concern:

I deem it my duty to those placing insurance to say that McGilliard & Dark, General Agents, at the city of Indianapolis, Ind., who placed the insurance upon my Flour Mill and Grain Elevator in Noblesville, which burned in June of this year, settled with me promptly and honorably for the loss. Indiana Insurance Company of Evansville, Ind., and thirty-one other companies, in which they had placed my insurance, for many years. I placed implicit confidence in them, and after my loss, which amounted to over \$20,000.00, I found that I had acted wisely in so doing. I desire further to express my thanks to the officers of the companies above referred for the prompt adjustment of my adjustment and payment of my loss. At the present time, I hold policies of insurance on my property for the amount of over one hundred and twenty thousand dollars, all placed by McGilliard & Dark.

—Mrs. Chas. Ousler and Miss Armina Whisnand were married at the residence of the bride's parents on the 25th ult., Rev. A. B. Philpott and Prof. Amzi Atwater officiating. A number of friends from a distance were present to witness the ceremony, and many handsome presents were made to the couple.

Bert. McGee, wife and child, spent Christmas with Mr. McGee's parents in this place. Bert. is an employee of a machine shop at Terre Haute, and is well satisfied with his work.
