## NEW SPRING STOCK LACE CURTAINS, \$1 Per Pair, At Wicks & Co.'s BEE HIVE.

—Let everybody sign the petition  
for an appropriation to secure  
the building of a memorial hall to  
be dedicated to the Monroe county  
soldiers. Every county should do  
its own commemorating—every-  
body cannot go to Indianapolis  
every time they desire to gaze on a  
soldier's monument.

—Some weeks ago Dr. Weir  
of this city and Dr. Whited of  
Ellettsville were appointed on the  
pension board, but they had never  
been given orders to act. Last  
week Dr. Axtell was appointed in  
the place of Dr. Weir. The rea-

the fireman, who received but \$12

city is growing, the work and da-  
ties of the officers are necessarily  
increasing, and hence the necessity  
for an increase in salaries.

—A fast run was made on the  
Monon the other day. A special

hundred and one miles, in just  
three hours. Wm. Stewart was

for the public. It is proposed to  
build a neat and handsome struc-  
ture, have it painted and properly  
taken care of.

in town last week, and went out

asking for the reinstating of Mr.  
Reeves as night watch was laid  
over for further consideration.

—Gas was struck in well No.  
4 at Salem on the 4th inst. It  
was obtained in a large quantity at  
a depth of 730 feet. Two more wells  
will be drilled at once and min-  
ing laid through the city. This well  
is the best yet struck in this  
section.

handkerchiefs till you see those  
at Adams, Hall & Co.'s store.

—Indianapolis Sun: King Ta-  
masee of Samoa gets only \$20 a  
week salary, but when a king's  
royal robes consist of only a nar-  
row sheepkin and a broad smile, he  
can afford to work cheap.

—Wilson Adams was elected a  
member of the school board on  
Tuesday night, to take the place of  
Thomas Allen, whose time had  
expired.

—The matter of the petition  
asking for the reinstating of Mr.  
Reeves as night watch was laid  
over for further consideration.

—The recent damp, cool weather  
has been destructive to sheep.  
James Starnes of Richland tp. lost  
eight head one night recently—  
chilled to death.

who is publishing a paper at Ogd-  
eon, Ills., was in our last week for

ment at Memphis, Tenn., was in  
town last week. He went to Chi-  
cago to spend a few days with old

named Thompson, who relieved  
fifty sheep of their fleeces each day.

the prospective threshing of grain in

has three stores, two physicians, two real  
religious men (D. Hubbard being one of  
them), one real christian woman, and lots  
of good people; population about 40,000.  
Caldwell, Ind., is in the west, the poorest  
and poorest town in the state. J. F. Robinson  
is the poorest and cheapest horse about this side of Pittsburg.  
The familiar face of H. M. Bushard,  
deputy surveyor, is seen in Marion tp.

beautiful children. Mrs. Herschel  
Poley is able to visit L. D. Polley's  
house.

reliable of the large business houses  
employing agents wants a number  
of men at once on salary. See  
their advertisement elsewhere in  
this issue headed "A chance to  
make money."

modating spirit has never been

—The Courier sets to the  
Progress a copy of one of the Paris  
papers, "Gill Blas," which contains  
an illustrated article on the Wild  
West Show. Cody's company  
seems to have hit the Parisians in  
a soft place, and they are the lions  
of the exposition. The paper tells  
a joke on our friend Courier, and it  
is funny that we must repro-  
duce it:

—Je crois a la migration de madame de  
Darnel, repris-elle du sa voix calme, ce  
nous masculins, qui a ce moment s'enten-  
dit jusqu'au bout du salon, non pas parce  
que vous n'avez pas, mais parce que  
M. le Monge est ici.

—License to sell liquor was  
granted by the county commissioners  
to Ed. Johns and James Kelley  
of this place, and to Frank Sharp  
in Ellettsville. There was no re-

—The concert at College Chapel  
last Wednesday night was a brilliant af-  
fair, the attendance being quite large and  
comprising the music loving portion of the  
community. "Post and Fossant," by  
the quintette club, was finely rendered,  
and gave evidence of special training by  
the Director, Prof. Lust. The vocal  
numbers were very pleasing, especially  
that rendered by the quartette. Mr. Howard  
Turner, the young flute, improved with  
each public appearance; his solo  
was rendered with unusual skill and pre-  
cision. Prof. Lust presided at the piano,  
of which instrument he is master. His  
solo must be heard to be appreciated, and  
we believe that many ladies in the  
audience who have "labored" at the piano  
for years without much success acknow-  
ledged his ability exhibited in execu-  
tion and touch. Mr. G. A. Turner of  
Chicago, favored the audience with several  
artistically rendered bass solos, that were  
fully appreciated and heartily ap-  
plauded. Mr. T. was suffering with a  
cold and so was unable to render his last  
number on the program, yet home talent  
Miss L. Bennett, Mrs. O. B. Clark, Prof. D.  
Campbell and Mr. W. Pauley deserve  
special mention. The solos by Miss L.  
Bennett and Prof. D. H. Campbell were  
well received. The concert was a success  
and all were feeling grateful for a  
pleasant evening, and expressing wishes  
for the future success of the genial and  
talented Director.

—Wm. H. Seward attended  
Grand Lodge K. of P. as repre-  
sentative from Bloomington.

—Williams & Smith is the  
firm at the grocery, in May's block  
—J. S. Williams having bought  
Ren. Smith's interest. Lew. Wil-  
liams and Del. Smith are the hand-  
some salesmen, and Lew is still  
single, and is both a lawyer and a  
poet.

—Chas. McPheeters, the once pop-  
ular and shrewd hardware man, is  
insane. A commission was appointed  
last week to determine whether it  
was best to send him to the asylum,  
but the only proof furnished was that he had  
been selling groceries at less than they cost him.  
Go and get some.

—The city council of Bedford  
have had a busy session during the  
past week, and have done some  
very important work. The county  
is in good condition financially,  
and the commissioners have been  
doing their best to bring about this  
state of affairs.

—Riley Sanders has 300 head of  
sheep on his farm. He engaged
