The air of Bloomington is heavy these two evenings and mornings with the stench from pigs. People endure this nuisance because they know that open opposition to these disease breeding pens will bring upon them the ill will of people who own hogs. The Spencer Democrat says:

The town board should pass an ordinance prohibiting pig sties inside the corporation. More diseases of a malignant type are bred from this source than any other source in town. At this season of the year it is impossible for the owners to keep them free from nauseating odors which poison the atmosphere in an entire neighborhood. If people want to raise hogs let them move to the country where they can do so without subjecting the people to the contaminating death breeding stench.

Henry Eller was born June 9th, 1837, in Virginia, and was the fifth of ten children. His parents brought him to Monroe county in 1851, when he was but fourteen years of age and while this country was almost an unbroken wilderness. Being raised on a farm his only opportunity for an education was that afforded by the common schools of the county. Mr. Eller's father first purchased 320 acres of land five miles west of Bloomington, and added to this till he had a farm of 125 acres of choice land, part of which was occupied by Mr. Eller at the time of his death. Henry Eller was married in September, 1857, to Velinda, daughter of Thomas and Barbara Bailey, natives of Virginia. Three children were born to them—Elizabeth J. (Stimpson), John Thomas and George Henry (deceased). His wife dying in 1844, he was next married, on June 29, 1845, to Elizabeth W. Shreve, of Monroe county, and daughter of Wm. D. Shreve. To this union eight children were born, viz: James V. Harris A. (Ammon), Melville M. (Kirby) Susan S. (Marshall), Frances M. (Johnson) Mary, Laura (Ward), J. B. M. and Charles D. Mr. Eller enlisted in the three months service on June 9, 1859, and served duty at Indianapolis, May, 1864, he re-enlisted in Company K, One Hundred and Thirty-third Indiana Infantry. His regiment was on guard duty at Bridgeport, Ala. He was discharged in September, same year. While in the three months service he was sergeant of his company. During his last service he was also Sergeant. While in the service, Mr. Eller lost his health, and had not been able to do a hard day's work since.
