CHAIRMAN OF COMMITTEE.

John D. Miller of Greensburg, has been appointed Judge of the Supreme court to fill the vacancy caused by Berkshire's death. He was born in Johnson county, this State, and educated at Hanover. He was a soldier, and has a good standing at the bar.

The harren employees are about the only ones in the service of the Sultan who are sure of their pay. The latest description of the Sultan's matrimonial establishment is as follows: A complete list of the Sultan's wives shows that he has five first-class wives, vehicles; twenty-four second-class or morganatic wives, variously described as "favorites" and "slaves." The care and attendance of the female establishments require the services of 6,000 persons, who are the only people in Turkey who receive their full pay with regularity. People who desire to have an easy, care-free time, as we're, should remove to Turkey and become candidates for Sultan's better position than Mayor of Bloomington.

Unable longer to compete for American trade, with the tariff against them, a heavy firm of fine English manufacturers of Manchester, England, will abandon their business in that country and locate their works at Bridgeport, Conn., where they have leased the old Howe sewing machine factory. They will give employment to six hundred hands. This is another evidence of how the McKinley bill is ruining the manufacturing interest of the United States.

It is said that between the Island of Madagascar and the coast of India there are sixteen thousand islands, only six hundred of which are inhabited. In any of these islands a man can live and support his family in princely luxury, without working more than twenty-five days in the year. In fact, on some of these islands, he needn't work at all, as nature provides the food, and no clothes are required. It is strange that the great fraternity of lazy men have not drifted to these islands.

At the Woodard sale, Lexington, Ky., Friday, the 12-year-old stallion Anton, 2:16, by Eleazar, dam Cotumine, by A. W. Richmond, was knocked off to S. A. Brown & Co., Kalamazoo, Mich., \$55,000. All during the week he sold proportionately well, breeding, good individuality and trot was eagerly sought after and bidding spirited.

A remedy for removing warts: Take common washing soda and make a very strong solution. Apply it to the wart four or five times a day.

M. E. McHenry, Gensore, Ill., was bought of R. G. Storer, Paris, Ky., the Chestnut stallion Mamie Russell, 13-years-old, by Oxford Maunir, dam Miss Jessel (dam of Mad M. 2062). Pilot, Jr.; grandson Sally Ross, by Boston. Price \$20,000.

—IND. SUN: The congressional reapportionment bill will become a law. It makes ten of the thirteen districts Democratic, changing all but the Eighth (Terre Haute), Ninth (Lafayette), and Fifth (Cooper's) districts. In Indianapolis (the Seventh) Shelby is taken off and added to the Fourth.

—THIS is the way the Rushville Republican sees things: "As for Indiana she needs no eulogist. There she stands—look at her! A Democratic legislature in session, and the State Treasurer shinning around trying to borrow money to pay the statemen and the interest on the State debt.

—An important labor measure that has been kept back in the Legislature is Mr. Kelly's bill to prevent railroad companies from withholding a per centage of the employees' wages for alleged hospital and insurance purposes. The enactment of this bill is demanded by 10,000 railroad men.

—SENTINEL: Senator Gilman yesterday introduced a bill which provides that any male person who has been whipped by white caps can recover from the county where the assault occurred, any sum not less than \$2,000 or more than \$5,000 in a suit for damages. Any female may recover not less than \$5,000 nor more than \$10,000.

—INDIANAPOLIS JOURNAL: The ever-famous fee and salary bill was called up Monday for third reading and passed.

—ONCE DEMANDED: This excited the jealousy of Elliott, and a personal wordy war began in the columns of the two County papers. Osborne, of the "World," was an adept in the use of vituperation and abuse.

—ELLIOTT HAD MET HIS MATCH: Elliott had met his match, and was unable to take the dose he had administered to hundreds of Columbian people. A particularly hot article was published in the "World" of Sunday, Feb. 22d, and on Monday, while the George Washington parade was on the streets, Osborne of the "World" was attacked by W. J. Elliott, and his brother Pat. Pistols were used, and Osborne was killed. Pat Elliott and three others wounded by pistol balls, and a looker-on, named Hughes instantly killed by a pistol ball aimed at Osborne by W. J. Elliott. The people are not in love with Elliott, and if the same conditions prevailed there that exist in some portions of Indiana, the Elliotts would be hanging from Lost River bridge, or some other historic point.

—AT FRANKFORT: Clinton county, in circuit court, a jury returned a verdict for plaintiff in the case of Miller vs. the Monon railroad for \$12,500. This was a suit for damages that grew out of the Carmel wreck about a year ago. Mr. Miller, the plaintiff, was badly injured in the wreck, and lives at Terhune. The case was on trial four weeks and was stubbornly contested.

—PERRY BROS. HAVE PUT IN A NEW CHANNELER AT THE UPPER QUARRY AND A NEW BOILER AT THE MILL.

—A TELEGRAM WAS RECEIVED YESTERDAY FROM C. E. STIMPSON STATING THAT HIS SISTER, MRS. JANE REEVES, OF WICHITA, KANSAS, DIED ON THURSDAY NIGHT.

—NEXT MONDAY W. B. MILLER WILL CHANGE HIS PLACE OF WORK FROM WORLEY'S TO MARSHALL'S HARDWARE STORE, AND AS SOON AS SCHOOL IS OUT JONATHAN RAY WILL ENTER THE EMPLOYEES OF MR. WORLEY AS CLERK IN THE STORE AND CASHIER OF THE BANK.

—PERRY, MATTHEWS, WORLEY & BLEVINS HAVE BOUGHT THE MACHINERY OF THE HENRY PRATHER CO. AT SPENCER, AND ARE NOW GETTING READY TO OPEN THEIR QUARRY.

—A COLORADO MAN WHO TOOK A TRIP INTO OLD MEXICO WRITES FROM MONTEREY: "Immense loads of sugar are brought in from the country on these carts drawn by oxen; the driver generally walks in front of his cattle, and urges them on by hissing at them, as do the drivers of the mules on the street cars. I have here learned that men can drive oxen and do it well, without a big whip, or bawling gee, whoa, haw, and cursing and swearing at them. An ignorant, undeveloped Mexican would be ashamed to make such an infernal noise as we civilized Yankees do in driving oxen."

—WASHINGTON GAZETTE: Representing Lindemuth, in a well prepared speech, reported in favor of the reduction of fees as well as salaries. He said it is not merely the amount of fees that go to officers that needs reforming, but the whole fee system. The fees are too numerous, too large, too exorbitant, too cumulative, too abundant, too omnipresent, too voracious, too insatiable and too inexorable, and that is what the people want relief from.

—MANY OF THE PRESENT FEES SHOULD BE ABOLISHED AND OTHERS REDUCED. Mr. Lindemuth said, if \$1 is enough for recording a deed or mortgage in Ohio it should be enough in Indiana. With our short forms it is certainly more than enough. So of clerk's fees, sheriff's fees, treasurer's fees, auditor's fees, justice's fees, prosecutor's fees, etc., they should all be cut down.

—THE PEOPLE, SAID MR. LINDEMUTH, WOULD UNDERSTAND AND APPRECIATE THIS KIND OF REFORM, AND THEY WOULD GET THE BENEFIT OF IT AS SOON AS THE LAW WENT INTO EFFECT.

—LAWYER PULLMAN IS AN AUSTIN LAWYER WHO HAS A GREAT REPUTATION FOR COLLECTING BAD DEBTS. IF THE MONEY CAN BE GOT OUT OF A MAN HE WILL GET IT. IT WAS TO THIS LAWYER THAT BOB BINKLEY REFERRED WHEN HE WAS REQUESTED TO RUN QUICK FOR A DOCTOR, AS A NEIGHBOR'S CHILD HAD SWALLOWED A COIN. "DOCTOR BE BLOWN!" I'LL RUN FOR LAWYER PULLMAN. HE'LL GET THE MONEY QUICKER THAN A DOZEN DOCTORS," SAID BOB.

Law Cards.

—Hauling on Turnpikes. To all persons who are hauling over the roads of Monroe county: Since there have been many complaints made at the Auditor's office within the past few days about people hauling heavy loads over the pikes during muddy weather, I deem it my duty, as Auditor of the county, to call the attention of all persons interested, to the act passed by the legislature of 1889, concerning said question, which is as follows: sec. 1, pages 378-379.

—"It is enacted by the General Assembly of the State of Indiana, That it shall be lawful for any person to haul over any turnpike or gravel road at any time when the same is thawing through, or is by reason of wet weather in condition to be cut up and injured by heavy hauling, a load on a narrow-tired wagon of more than twenty hundred pounds, or on a broad-tired wagon of more than twenty hundred pounds, and any person violating the provisions of this act shall be fined not less than five dollars nor more than fifty dollars for each load so hauled."

—I do this so that no one can take offense at the county commissioners in case any indictments are found against teamsters or others for violation of the above act.

—RESPECTFULLY, WM. T. BLAIR, County Auditor and Clerk of the Board of Commissioners. Feb. 3, 1891.

—"According to Homer, Nestor, the old warrior and the wise counsellor of the Greeks, had ruled over three generations of men, and was wise as the immortal gods."
