## THE GREAT SOUTH AMERICAN NERVE TONIC

## Stomach and Liver Cure

The Most Astonishing Medical Discovery of the Last One Hundred Years.

It is Pleasant to the Taste as the Sweetest Nectar.

It is Safe and Harmless as the Purest Milk.

This wonderful Nerve Tonic has only recently been introduced into

this country by the Great South American Medicine Company, and yet its

great value as a curative agent has long been known by the native inhab-

itants of South America, who rely almost wholly upon its great medicinal

powers to cure every form of disease by which they are overtaken.

This new and valuable South American medicine possesses powers and

qualities hitherto unknown to the medical profession. This medicine has

completely solved the problem of the cure of Indigestion, Dyspepsia, Liver

Complaint, and diseases of the general Nervous System. It also cures all

forms of failing health from whatever cause. It performs this by the Great

Nerve Tonic qualities which it possesses and by its great curative powers

upon the digestive organs, the stomach, the liver and the bowels. No remedy

compares with this wonderfully valuable Nerve Tonic as a builder and

strengthening of the life force of the human body and as a great renewer of

a broken down constitution. It is also of more real permanent value in the

treatment and cure of diseases of the Lungs than any ten consumption re-

medies ever used on this continent. It is a marvelous cure for nervousness

of females of all ages. Ladies who are approaching the critical period known

as change in life, should not fail to use this great Nerve Tonic almost

constantly for the space of two or three years. It will carry them safely

over the danger. This great strengthener and curative is of inestimable

value to the aged and infirm, because its great energizing properties will

give them a new hold on life. It will add ten or fifteen years to the lives of

many of those who will use a half dozen bottles of the remedy each year.

All these and many other complaints cured by this wonderful Nerve Tonic.

## NERVOUS DISEASES.

As a cure for every class of Nervous Diseases, no remedy has been able to compare with the Nerve Tonic, which is very pleasant and harmless in all its effects upon the youngest child or the oldest and most delicate individual. Nine-tenths of all the ailments to which the human family is heir, are dependent on nervous exhaustion and impaired digestion. When there is an insufficient supply of nerve food in the blood, a general state of debility of the brain, spinal marrow and nerves is the result. Starved nerves, like starved muscles, become strong when the right kind of food is supplied, and a thousand weaknesses and ailments disappear as the nerves recover. As the nervous system must supply all the power by which the vital forces of the body are carried on, it is the first to suffer for want of perfect nutrition. Ordinary food does not contain a sufficient quantity of the kind of nutrient necessary to repair the wear our present mode of living and labor imposes upon the nerves. For this reason it becomes necessary that a nerve food be supplied. This recent production of the South American Continent has been found, by analysis, to contain the essential elements out of which nerve tissue is formed. This accounts for its magic power to cure all forms of nervous diseases.

Dr. Solomon B. Hall, a member of the Society of Friends of Bloomington, Ind., Aug. 20, '85.

Dear Sir:—I desire to say to you that I have suffered for many years with a very peculiar form of Nervous Disease, and I have tried every medicine I could hear of but nothing does me any appreciable good until I was told to try the Great South American Nerve Tonic and Stomach and Liver Cure, and since I have used it I feel like a new man. I am surprised at its wonderful powers to cure the most severe cases of Nervous Disease. I am sure the value of this remedy as I do, you would not be able to supply the demand.

Yours truly, Dr. Solomon B. Hall.

My daughter, twelve years old, had been afflicted for several months with St. Vitus's Dance, she was reduced to a skeleton, could not eat, could not sleep, and was very nervous. I had to handle her one day, and she was so nervous that I was afraid to let her go. I commenced giving her the Great South American Nerve Tonic and Stomach and Liver Cure, and in three days she was able to walk, and in a week she was able to go to school. I am sure the value of this remedy as I do, you would not be able to supply the demand.
