And there is nothing like it. Do not be imposed on with substitutes, imitations, etc. because the dealer makes a few cents more on a bottle.  
**Lead Poison Cured.**  
I am a painter by trade. Three years ago I had a bad case of Lead Poison, caused by using paint. I was cured in a short time by S. S. S. The medicine drove the poison out through the pores of the skin. My system was so saturated with poison that my underclothes were colored by the paint being worked out by the medicine through the pores of my skin. I was cured entirely by S. S. S., and have had no return since.

I have made arrangements with Dr. St. John Rossa, of New York City, one of the most eminent oculists and opticians of this country, to be at my place of business for the purpose of examining all cases of defective vision. The doctor has had 35 years of continuous practice in the treatment of the eye and any person having defective vision should not fail to call and see the doctor while here. Such an opportunity has never before been offered to the people of Crawfordsville and vicinity, and I trust they will take advantage of it. Office hours from 8 a. m. to 4 p. m. Consultation free.

### LINDEN LETTER.

Mount and Back in Old Onions—Police Court News.

LINDEN, Oct. 12.—The Hon. J. A. Mount was with us on the 9th of this month and spoke a full hour and a half on the issues of the day. He was followed by the invincible Thomas M. Buck, of Clay county, who is a whole team of himself. Mr. Mount's remarks were listened to, with the closest attention, his audience being composed of people of nearly all shades of politics. He is doing a good work, because he is of the people, and knows their wants, and knows how to talk to them. Having the "brains of a farmer," he can enter into sympathy with them, and they will listen. The opinion here is, that Vory with his "lawyer brains," will be left when the "fles of November come." "So mote it be."

On last Friday night our Constable arrested, one Tom Miller, and a young man by the name of Hays, cousin of Tom Miller, and took them before Squire Jones. There they pleaded guilty and were fined \$5 and costs each, for disturbing the singing choir while they were in session at the M. E. church. This was a good move, and a move in the right direction, and it is to be hoped that it will have a salutary effect on a number of others who are in the habit of doing just what these young men were fined for doing, and even worse.

Special From Ewart, Mich.  
G. N. Bruce, Druggist, Ewart, Mich. I want to say to you that Hibbard's Rheumatic Syrup is, in my opinion, the greatest medicine ever put up. You are fully aware how lame and sore I was at the time you advised me to try the remedy, my back and ankles were so sore and same, and the pain so severe that I could scarcely move about. Three bottles of his remedy cured me while everything else that I tried failed. It is a valuable medicine.

FRANK V. HANDY.  
The above statement is true and it affords me much pleasure to recommend this medicine.
