WELL BRED SOON WED.
 Girls who use **SAPOLIO** are **QUICKLY MARRIED.**

SAPOLIO is one of the best known city luxuries and each time a cake is used an hour is saved. On floors, tables and painted work it acts like a charm. For scouring pots, pans and metals it has no equal. If your store-keeper does not keep it you should insist upon his doing so, as it always gives satisfaction and its immense sale all over the United States makes it an almost necessary article to any well supplied store. Every thing shines after its use, and even the children delight in using it in their attempts to help around the house.

We are a patient people—the ox is nowhere in comparison. Webby lamp chimneys by the dozen; they go on snapping and popping and flying in pieces; and we go on buying the very same chimneys year after year. Our dealer is willing to sell us a chimney a week for every lamp we burn—a hundred or more a year—and we plow for him, pay him for goading us. Macbeth's "pearl top" and "pearl glass" do not break from heat; they are made of tough glass. As likely as not our dealer would rather his chimneys would break; "it's good for the business," says he. He buys the brittlest ones he can get. "What are you going to do about it?"

Alfred's Terre Haute Factory Strikes. The forty-five members of the turning department of Alfred's heading factory went out on a strike yesterday because of a cut in their wages amounting to 10 per cent. The strikers claim that they will stubbornly stand against the reduction and Superintendent Regan claims that the cut is due to the fact that the wages were increased by that amount some time ago without the increase being asked for and that the company could not afford to pay it. *Terre Haute Express.*

SMARTSBURG.
 The grip is raging. Mr. and Mrs. Posey are convalescent. Miss Allie Swisher is very low with lung fever. How we miss the familiar peal of the old school bell. Wood Grimes is working for Will Evans, of Linden. Will Butler and family will soon move to the Capital. Jennie Myers and son will soon leave for Des Moines, Iowa. Alonzo Doyle, of New Market, visited our last day of school. Mrs. Ida White and children have been quite sick with the grip. A. D. Wade left for his home in Darlington last Saturday. The people were very sorry to have him leave us, as he was a faithful worker in our Sunday school. On Friday last the patrons of Smartsburch school gathered in about the noon hour to the complete surprise of A. D. Wade and everybody else but themselves with baskets filled up of good things to eat, which it took about two hours to eat, because everybody was too tickled to eat right. After everybody ate all they could and cleared away what was left, the afternoon was pleasantly passed with recitations, songs, etc. Mr. Wade was presented with a fine copy of Moore's poems by Mrs. Jessie McFally in a neat little speech on behalf of patrons and scholars. It was responded to by Mr. Wade, who generally has enough to say on his own behalf, but on this occasion he was rather slow in his response; the patrons think because he ate too much pie and cake. He also has the best wishes of the community. We all extend to him our hearty congratulations. For a disordered liver try Beecham's Pills.

WAVELAND.
 Mrs. Berryman Clore, Jr., died Saturday after a short illness. Reddy Skaggs has quit barbering for Ed Cuddy and has gone to Ladoga to make his fortune. Elder Jas. Burford moved to town today he occupies the house recently vacated by Rev. Oliphant. The graduating class of our high school all went to Crawfordville yesterday and were photographed. Waveland I. O. O. F. lodge initiated five new members last night; 16 of the Ladoga brethren were down to assist and see the fun.

DAILY JOURNAL.

TUESDAY, MARCH 31, 1891.

CHIPS.

The drug store of J. D. Brown & Son is being completely remodeled. A large new boy arrived at the home of Ben Warbinton last evening. The Monday evening cinch club was royally entertained by Albert Miller and wife last night. Elder S. W. Brown will occupy the tenement property of Ira McConnell on south Grant avenue. When the Assessor begins work next Wednesday they will list for taxation all dogs not registered. Towels for bathing can be rented at the Y. M. C. A. for five cents. This is a great convenience. The ladies of the third section of the M. E. church will give a social in the church parlors Thursday evening, April 2nd. Supper from 5:30 o'clock until 8. Charley Coombs is in a quandary as to what to do with his horse. He sent word to James Francis the other day that he wished he would take care of it until he returned. J. S. McEddin, Fred Dole and Foutz, Wabash College students, left last night for Springfield, Ohio, to attend the district convention of the Phi Kappa Psi fraternity. The district comprises the States of Ohio, Indiana, Kentucky and Tennessee. Swank & Clark are leading quarters for gents' furnishings. For the latest thing in ties see Swank & Clark.

"El" Johnson's Exhibition.
 During an entertainment at Lawrenceburg, in which various business interest were represented, James Johnson, superintendent of the electric light works, gave a novel and somewhat dangerous experiment, in which he was assisted by Mrs. Georgia Nowlin. She was dressed in light, fluffy material, relieved by trimmings representing the national colors, while around her was woven a net-work of wires, each connecting with an incandescent light in a colored globe, and the globe was fastened to her hair and distributed about her dress, while one was placed on her head, and still a larger one was grasped in her hand and held overhead to full extension of arm. The design was in imitation of the Bartholdi statue, the wire being connected with the main line on the street. The effect was magnificent.

Troublesome Tramps.
 The east end is completely overrun with tramps who are making themselves generally obnoxious and assumed control of the city government in that quarter. They beg, steal, and bulldoze as they please and terrify the ladies. Yesterday morning two burly rascals called at the home of George Krug in his absence and ordered Mrs. Krug to cook some beefsteak and coffee which they had with them. Mrs. Krug was too terrified to refuse and did so while the great lazy lunks made themselves at home and ravenously devoured the prepared food without so much as thank you.

Two Fine Horses.
 George W. Fuller and Stebbins Quick returned from Laporte county this morning where they had been to purchase a couple of stallions for the Montgomery County Breeders' Association. They bought a Cleveland Bay at the Banks farm, for which they paid \$1,500, and leased a French Draft horse. The horses will be here Friday morning. The Association is composed of G. W. Fuller, Stebbins Quick, Nathaniel Quick, G. W. Widener, J. T. Utterback and A. J. Utterback.

Death of Mrs. Mary Campbell.
 Mrs. Mary Campbell died of general debility at the residence of her brother, Benjamin Misner, at Smartsburg, where she has lived for 36 years. She was born in Butler county, Ohio, in the year 1802. At the time of her death she was 88 years old. She was a Mexican pensioner and was a member of the old school Baptist church. Interment was made at the Smartsburg cemetery.

Clothes Stolen.
 Thieves effected an entrance into the room recently vacated by Swank & Clark and made way with \$25 worth of clothes which had been left there temporarily.

Notice to Builders, Contractors and Others.

The ordinance (No. 125) adopted by the city council November 11th, 1878, relative to building or remodeling any building within the city limits requiring a permit to first issue before such work is commenced, is still in force and all contractors, builders and others are hereby notified that the same will in future be vigorously enforced. All persons contemplating building, altering or repairing any building within the city limits must first obtain a permit from the Board of Public Improvement, and through the city Clerk, and failure to do this lays each offender liable to a fine and cost of prosecution. Attest: WILLIAM C. CARB, Mayor. C. M. SCOTT, City Clerk. March 27, 1891.

Rev. H. H. Fairall, D. D., editor of the Iowa Methodist, says editorially: "We have tested the merits of Ely's Cream Balm and believe that, by a thorough course of treatment it will cure almost every case of catarrh. Ministers as a class are afflicted with head and throat trouble and catarrh seems more prevalent than ever. We cannot recommend Ely's Cream Balm too highly."

I used Ely's Cream Balm for dry catarrh. It proved a cure.—B. F. M. Weeks, Denver.

The Life of Sherman.

It is no wonder that upon General Sherman's death there should spring up a widespread and constantly increasing demand for his memoirs. The people desire to know all they can of the life of this great man, not alone because the story is one of absorbing interest, replete with entertaining anecdotes and exciting incidents, nor for its great historical value, but for its high qualities. It is a life of a man who was loved and honored, his counsel was so wise, and his presence so genial that he was constantly sought after, and though he refused all political honors, he frequently gave his name and presence to worthy objects. So the public demanded to know more of his life than he wrote himself. To meet this demand it was thought wise to have additional matter written, using the general's own letters and memoranda as far as possible, bringing the story of his life from 1884 down to its closing scenes, and gives a description of the imposing ceremonies that accompanied the march to the grave. This has been done, and has been carefully revised and corrected. Hon. James G. Blaine, who has also written a critique of the memoirs and a personal tribute to the general. This work could not have fallen into better hands. Mr. Blaine was a warm and lifelong friend of General Sherman, and appreciated, perhaps better than anyone else, his many-sided and brilliant character.

A Philadelphia publisher is advertising a life of Sherman by Gen. O. O. Howard but that gentleman denies that he has written any such book. It is best when you buy to get what the old soldier wrote him self and this work is published by Chas. Webster & Co., of New York, publishers of Grant's Memoirs. It will be in one volume of 1000 pages and the price will be \$2.00.
