DAILY JOURNAL.
THE JOURNAL COMPANY,
T. H. B. McCain, President.
J. A. GREENE, Secretary.
A. A. McCain, Treasurer.

SATURDAY, NOV. 5, 1892.

This Date in History—Nov. 5.

1492—Columbus, having crossed the Isthmus
bank and channel, drew near to Cuba.
1695—The searching party found Guy Fawkes
in the cellar where the materials were
stored to blow up parliament celebrated
thereafter as "Guy Fawkes' Day" of the
famous gunpowder plot.
1807—Maria Angelica Kauffmann, Swiss paint-
er, died in Rome, born 1741.
1810—Alphonso Taft, jurist and statesman,
born in Townsend, Vt.
1818—Benjamin Franklin Butler, soldier and
statesman, born in Worcester, N. H.
1871—General James McClellan, veteran hero of
Shiloh, and member of congress from Louis-
iana, died in New York, aged 34. Colonel
David Stanton, auditor elect of Pennsylv-
ania, died.
1891—President Foose proclaimed himself
dictator of Brazil and dismissed the Brazil-
ian congress.

Facts to be Remembered.

The Republican party, by its representa-
tives in Congress, removed the tariff
from sugar.

THE DEMOCRATS IN CONGRESS
VOTED UNANIMOUSLY AGAINST
REPEALING THE TARIFF ON SUGAR.

The Mills tariff bill which the Democrats
formulated and passed through the
House PUT A TARIFF OF 2 1/2 CENTS
PER POUND ON SUGAR.

This was in accordance with the recommen-
dation of Mr. Cleveland's Secretary
of the Treasury, who said in his official
Report of 1886: "Our own sugar crop is so
very small a part of the total amount of
sugar we consume that sugar ranks
next to articles wholly produced abroad
like tea and coffee in suitability for
tariff taxation, on the ground that its
consumption is universal, that the tax
is easily and cheaply collected, that the
increase price paid by the consumer is
an unconsidered trifle," etc.

The "unconsidered trifle" of a tax on sugar
as Mr. Manning shows in the next para-
graph of his report is nearly fifty-two
millions of dollars yearly; and this is
mostly paid by the poor people for
NINETEEN HUNDRED THIRTY-THREE
THOSE WHO USE SUGAR ARE
POOR.

President Cleveland sent this recommenda-
tion of his Secretary of the Treasury
to Congress with his approval.

Henry Watterson, who did more than all
others to secure the adoption of the
free trade plank in the Chicago Demo-
cratic platform said in his paper of
Aug. 9th, 1892: "WE WILL RE-
ESTABLISH THE TARIFF ON SUGAR
YIELDING ABOUT \$50,000,000
ANNUALLY TO THE TREASURY."

Let every poor man ponder these facts and
if he wants to be taxed just as much as
the rich man, let him vote for Brook-
shire and Mr. Watterson's "revenue
tariff on sugar."

But if he wants sugar to remain free, let
him vote the Republican ticket.

WINFIELD S. CARPENTER, the Republi-
can candidate for Congress, is a young
man of fine abilities and in every way
qualified to represent the Eighth district
in a most creditable way. He will not
vote to put the farmer's wool on the
free list, neither will he vote to replace
the tariff on sugar. He will have time
to look after the improvement of the
Wabash river, a matter that every farm-
er in the district is interested in. He
will couple with his bill for a public
building at Brazil, a building for Craw-
fordsville. In fact every question in
which his constituents are interested will
find in him a friend and champion.
Stamp in the square surrounding the
eagle.

WM. M. REEVES, the Republican candi-
date for Prosecuting Attorney, is a
young lawyer of promise, and will per-
form the duties of the office without
fear or favor. He is worthy of the

support of every Republican in the
county and will get not only all the Re-
publican votes but those of many Demo-
crats, whom he has won by his genial
candid manners and that persevering
stick-to-it-iveness which demonstrated that
he can and will look after the evil doers
with the same order which has charac-
terized his campaign. Stamp in the
square surrounding the eagle.

THOMAS L. STILWELL, the Republican
candidate for Senator from Montgomery
and Putnam, is well known to the voters
of Montgomery county. He is heartily
in favor of such legislation as will re-
lieve the burdens of the people and will
be found battling in the interest of his
constituents. Mr. Stilwell has made a
winning canvass and will receive a large
Democratic vote which ought to insure
his election. Stamp in the square sur-
rounding the eagle.

NATHAN B. COUBERLY is the Republi-
can candidate for Representative and
that he will be elected goes without
saying. He is a scholarly Christian
gentleman and stands in striking con-
trast to the ignorant atheist who opposes
him. Mr. Couberly has made a thor-
ough canvass of the county and has
won golden opinions from all sorts of
people by his modest, unassuming way
and by the intelligence and knowledge
of the public affairs which he displays.
Stamp in the square surrounding the
eagle.

THOMAS T. MOORE, of Putnam county,
candidate for joint representative, is a
stirring young lawyer who for several
years has led a dauntless band of Re-
publicans against the Democratic hordes
from the rocky hills of old Putnam.
Mr. Moore is educated, honest and a
hustler. Frank Ader, his opponent,
made a record in the last house which
should insure Mr. Moore's election.
Ader voted against the refundment of
the gravel road money, the bill requir-
ing the purchase of native food for the
State asylum, the bill requiring grain
dealers to use a standard measure, and
many other good laws. Stamp in the
square surrounding the eagle.

HENRY B. HULETT is the Republican
candidate for county clerk. He now
occupies that office and has made one of
the best clerks the county ever had. Under
his administration the business of this
intricate and responsible office has been
systematized until the best possible ser-
vice is had. A change would entail not
end of confusion and delay. Mr. Hulett
is a splendid business man, an unex-
ceptionably clever gentleman and a popu-
lar official who understands his business
and administers it with correctness and
expedition. Stamp in the square sur-
rounding the eagle.

JAMES O. MCCORMICK, our candidate
for Treasurer, is one of the most sub-
stantial and esteemed citizens of the
county. His name is a voucher for a
clear administration and a careful hand-
ling of the county's funds. He is
genial and popular and will make a
first class, efficient treasurer for Mont-
gomery county. He has the respect
and confidence of all who know him
and the election will prove his strength.
Stamp in the square surrounding the
eagle.

THOMAS T. MUNHALL, our present
county recorder and candidate for re-
election, is so well and favorably known
that he scarcely needs an introduction.
His service as recorder has been unex-
ceptional and a better official never
occupied the position. He is painstaking,
thorough and eminently capable
and no fault has ever been found with
his work. His genial face can be seen
in the office for the next four years.
Stamp in the square surrounding the
eagle.

CHARLES E. DAVIS, the candidate for
Sheriff, is not only qualified for the
position he asks by reason of a previous
deputyship but is also earnestly de-
serving of it. He was left a poor boy
and a cripple and has by hard and
honest work earned the respect and es-
teem of all who know him. He will
make a splendid Sheriff, one who under-
stands his business and the wishes of a
jail breaker. Mr. Davis will be elected
by a handsome majority. Stamp in the
square surrounding the eagle.

RICHARD F. KING, M. D., is the Re-
publican choice for Coroner and can
tell what caused the sudden taking off
of an individual better than any other
man in the county. He will make an
official who will be on hand when needed
and who will render honest verdicts ac-
cording to the law and the evidence.
Stamp in the square surrounding the
eagle.

WM. F. SHARPE, one of the most ex-
perienced engineers and the most thor-
ough draughtsman in Montgomery
county is the candidate for surveyor.
He has served as city civil engineer and
is eminently qualified for the position
and his energy gives him an additional
recommendation. A careful and com-
petent surveyor is an essential for
every county and Mr. Sharpe should be
elected. Stamp in the square surround-
ing the eagle.

CHARLES W. ELMORE is the candidate
for county assessor and having served
under appointed by the board of com-
missioners has demonstrated his perfect
ability to fill this delicate and respon-
sible position in a highly acceptable
manner. Captain Elmore's popularity

has rather been increased by the fair-
ness with which he has acted during his
administration and his name serves as
an argument to stamp in the square
surrounding the eagle.

JOHN PETERSON, candidate for com-
missioner from the first district, has al-
ready graced the position to which he
again aspires and his previous service
insures his return. He has been care-
ful without being piggish and has not
been miserly of cents and lavish of dol-
lars. He has been one of the very best
commissioners the county ever had or
will have and is popular with all. Stamp
in the square surrounding the eagle.

ALBERT T. HORNBAKER is the name of
the gentleman who will succeed Allen
Byers for the board from the third dis-
trict. Mr. Hornbaker is a progressive,
wide awake, capable citizen in whose
hands the affairs of the county will be
eminently safe. He is possessed of rare
business qualifications and will make an
excellent official. Stamp in the square
surrounding the eagle.

HOW TO VOTE.

There will be two two ballot boxes,
one a red box for the State and Nation-
al ballots printed on red paper, and the
other a white box for the county ballots
printed on white paper. The voter gets
a red ballot and a white ballot from one
poll clerk and a stamp from the other.
He proceeds to the booth and stamps
the eagle on both the red and white bal-
lots. Use the blotting pad. Fold
each ballot separately so that the initials
of the poll clerk which are on the back
will show. Take the stamp and hand it
back to the clerk from whom it was re-
ceived. Hand the ballots to the inspec-
tor at the same time announcing your
name. The inspector places the red
ballot in the red box and the white bal-
lot in the white box. Say nothing to
anybody inside the election rooms as to
how you intend to vote. If the voter is
disabled or from any cause does not
know how to stamp his ballot he will be
accompanied to the booth by both the
Democratic and Republican clerks and
properly instructed. This is the whole
process of voting. Stamp in the square
surrounding the eagle on both the red
ballot and white ballot and nowhere
else. Stamp but once in the square.

The dirtiest work any political party
ever engaged in is that of traducing the
private character of a candidate. The
public acts of an official are the common
property of all; but when the slimy ser-
pent enters the sacred precincts of the
family circle, all decent men shun such
a party as they would a viper. The
Democratic party is now engaged in
sending out private circulars under seal,
assailing the private character of Presi-
dent Harrison. As there is no possible
vulnerable point in his private life to
assail, they dish falsehood, pure and
simple. They charge him with drunk-
enness, debauchery and all a fertile brain,
charged with venom can bring forth.
No decent man would be caught at such
work and a party endorsing such meli-
ods should be denounced at the polls.

A rich and priceless thing,
To women, pale and wasted,

Favorite Prescription. Don't let unreason-
able prejudice prevent you from sharing the
health and beauty proffered, in good faith,
of this most excellent remedy. None of
the almost countless weaknesses and dis-
eases peculiar to women, but that readily

I have been a great sufferer from cat-
arrh for over ten years; had it very bad,
could hardly breathe. Some nights I
could not sleep and had to walk the
floor. I purchased Ely's Cream Balm
and am using it freely, it is working a
cure. I have advised several
friends to use it, and with happy results
in every case. It is the medicine above
all others for catarrh, and it is worth its
weight in gold. I thank God I have
found a remedy I can use with safety,
and that does all that is claimed for it.
It is curing my deafness.—B. W. Sperry,
Hartford, Conn.

Strong witnesses.
Among the thousands of testimonials
of cures by Dr. Miles' New Heart Cure,
is that of Nathan Allison, a well known
citizen of Glen Rock, Pa., who for years
had shortness of breath, sleeplessness,
pain in left side, shivers, smothering
spells, etc.; one bottle of Dr. Miles' New
Heart Cure and one box of Nerve and
Liver Pills, cured him. Peter Jaquet,
Salem, N. J., is another witness. For
twenty years suffered with Hea. Disease,
was turned away by physicians, as
nearable, death stared him in the face,
could not lay down for fear of smother-
ing to death. Immediately after using
New Cure he felt better and could lay
down and sleep all night, and is now a
well man. The New Cure is sold, also
free book, by Nye & Booe.
