## Trouble Caused By Two Hams.

Last night Officer Milholland found a man at the Junction carrying two hams in a sack. The officer took the man in charge and gazed with suspicion upon the meat and demanded to know "whose meat" he was carrying. The man said his aunt at Roachdale had given the hams to him and he was beating his way to his home, in Danville, Ills. He gave his name as Ed. Dickerson, and stoutly proclaimed his innocence. He was placed in jail and the hams were deposited in the Mayor's office. The young man has been questioned very closely and there being no evidence against him that the meat was stolen it is probable that he will be given his hams and told to "go in peace." The hams had to be guarded while on exhibition at the Mayor's office, the police and the fire boys watching each other.

## Killing of the Last Buffalo in Indiana.

The Wabash Plain Dealer has given an account of the killing of the last buffalo, running wild, in Indiana. This was over forty years ago and occurred at a point between the present towns of Huntington and Wabash. The story is as follows: "A young Miami Indian who had never seen a buffalo, was riding along on his pony one day when he noticed a huge animal the like of which he had never seen before. At first he was inclined to be scared, but as the animal moved slowly, he took courage and fired at it with his gun, and after several shots succeeded in bringing it down. He looked in amazement and wonder, not knowing what it was until he brought some other Indians who pronounced it an old buffalo."

## Sociality at the Y. M. C. A.

The social work committee of the Y.M.C.A. is arranging for a big social, to be given in a short time, and to which the public will be invited. A supper will be served, and basket ball and other interesting items are down on the programme. The committee for this year is composed of the following young men: G. T. Moore, D. L. Rife, F. C. Evans, E. M. Gregg, C. C. Travis, F. W. Davis, Frank Coss, Gus Buchanan, R. H. Gerard, Alexander Smith and J. B. Johnston.

## Work to Commence.

On Monday work will commence in remodeling the postoffice quarters. Arches will be cut between the present room and the room immediately north, now occupied by the barber shop. In this room will be placed the money order department and the vaults, and then the postoffice people can turn around without tramping upon each other's toes.

## The Outlawton.

The Outlawton met last evening at the office of Judge Harney and Judge Thomas read an interesting paper upon "Hawthorne." The Judge has a very pleasant manner of entertaining his hearers, and his paper last evening was up to the standard. Ben Crane introduced "The Bland Seigniorage Bill," as a current topic.

## A Mistake.

In the resolutions of the Populists of this county which we publish to-day the statement is made that the County Commissioners donated \$10,000 to Wabash College. It is only fair to say that the college has received only \$4,000, the other \$6,000 being held until girl are admitted to Wabash.

## Hit the Mark.

The old saying about "March coming in as a lamb will go out like a lion," comes nearer holding good this year than for several years. The first of the month was mild and warm, and this week we have had a genuine cold wave with ice, snow, frozen garden truck and "killed fruit."

## Another Barber Shop.

Arrangements are being perfected by four well-known barbers in this city to open a new barber shop. The plans are to make it the model shop of this city, and have it in running order by or before the first of May.

## REPUBLICAN PRIMARY.

William Vanarsdall Chosen to Fill the Unexpired Term of A. L. Tomlinson, Deceased.

The Republicans of the second ward met in primary convention at the court house last night to choose a successor to fill the unexpired term of A. L. Tomlinson, deceased, commencing after the May election. The meeting was called to order by Finley Mount, city chairman. On motion of Chas. Davis, Mr. Mount was made chairman, and H. D. Billingsly was named as secretary. The chairman stated the purpose of the meeting and called for nominations. M. Y. Buck placed in nomination R. C. Poole, and James E. Evans nominated Wm. Vanarsdall. There being no other nominations, the chair appointed Dr. E. H. Cowan and Sam D. Symmes as tellers, and voting was in order for a half hour. At the close of the polls it was found that Mr. Poole had received 9 votes and Mr. Vanarsdall 77. The chair then declared Mr. Vanarsdall the nominee.

There seems to be some persons who have been confused concerning this vacancy. G. E. Robinson was appointed to fill the unexpired term of Mr. Tomlinson until the May election, when he will be a candidate for election as a successor to Wm. Vanarsdall, whose present term expires at this election. Mr. Vanarsdall now is a candidate to fill the unexpired term from the May election. It is a circumstance that has never occurred in this city before, Vanarsdall being after the "short" term and Robinson the "long" one.

## What Meaneeth This Thuness?

The Kentuckian Citizen of Paris, Ky., announces that Robert J. Shannon of that place was gloriously married there by a Squire Thursday night, March 22, to Mrs. Elizabeth Nosselt, of Crawfordsville, Ind. Surely the Kentuckian has told a great big lie. Mrs. Nosselt said she went there merely to look for a location for a millinery store and never once thought of rude men. Why papers will persist in declaring ladies married, who are not, and thus blighting their hopes we fail to see. Perhaps Mrs. Nosselt can explain in this instance. The following is the exact language of the Kentuckian Citizen under the head of "Marriages":

Shannon-Nosselt. In this city, Thursday night, Robert J. Shannon, of this city, to Mrs. Elizabeth Nosselt, of Crawfordsville, Ind., Squire Selby Lilliston officiating.

## Paid the Life Insurance.

At the time of the death of E. W. Leech he was carrying a policy in the Prudential Insurance Company, of Newark, N. J. This is a company in which the policy holders pay for their life insurance upon the weekly installment plan. Mr. Leech was also carrying the sick benefit part. On Thursday the entire sum due was paid, the deceased at the time of his death having carried the policy just fourteen weeks.

## The Difference.

We desire to call the attention of readers to the fact that THE JOURNAL is the only daily paper in Crawfordsville of which both sides are printed at home. THE JOURNAL also has seven columns to a page, each column being 22 inches long, a total of 606 inches devoted to home news and advertisements, or over six columns more than any other daily in Crawfordsville has for similar purposes.

## New Cigar Stand.

George Hummel and Charley Allen have rented a room on north Green street near the city building, and will open out a cigar stand and manufactory. The front of the room has been partitioned off for the salesroom, and cigars will be made in the back room. These are worthy young men, and their many friends will be pleased to hear of their success.

## Women's Auxiliary Notice.

The Women's Auxiliary of the Y. M. C. A. will meet at the building on Tuesday, April 3, 1894, at 2 p. m. sharp. Every member is requested to be in attendance. Mrs. C. McCLELLAN, Pres. Mrs. W. T. WHITTINGTON, Sec.

## Rheumatism Quickly Cured.

Three days is a very short time in which to cure a bad case of rheumatism; but it can be done, if the proper treatment is adopted, as will be seen by the following from James Lambert, of New Brunswick, Ill.: "I was badly afflicted with rheumatism in the hips and legs, when I bought a bottle of Chamberlain's Pain Balm. It cured me in three days. I am all right to-day, and would insist on every one who is afflicted with that terrible disease to use Chamberlain's Pain Balm and get well at once." 50 cent bottles for sale by Nye & Booe, 111 north Washington street, opposite court house.

"I wish to give my experience with Hood's Sarsaparilla, hoping that it may be the means of some one being benefited as I have been. I have been clerking since I was twelve years of age, and at the age of twenty-five I broke down entirely with indigestion, which caused nervous chills. I doctored with the best physicians but their treatment failed to give me relief and all said that a change of climate was all that would save me, I having fell off

## Notice to Contractors.

Notice is hereby given that sealed proposals will be received at the office of the Clerk of the City of Crawfordsville, Indiana, until 7 o'clock p. m., Monday, April 2, 1894, for the building of brick sidewalks on both sides of North street from Washington street to the Lafayette avenue. Each of said walks are to be five (5) feet wide, built of best Crawfordsville hard burned paving brick laid on eight (8) inches of well-compacted sand, and to the grade as indicated by the City Civil Engineer. The side of walk next to property lines will be one and one-fourth inches higher than side next to street. The sides and ends of the walks will be curbed with brick laid on edge. The lawn between the edge of the walk and the street must be two (2) feet in width on top level with the outside edge of the finished walk and with a slope towards the gutter of 1/4 in. The inside edge of the walk will be 18 inches from the property lines. The finished walk to be covered with one inch of fine screened sand. All work to be done according to plans and specifications of the City Civil Engineer and to his satisfaction.

Bids to be accompanied by an acceptable bond, double in amount to the work bid upon. Said work to be completed within 60 days from the letting of the contract.

Bids to be opened at a regular meeting of the Council.

The Council reserves the right to reject any and all bids.

By order of the Common Council of the City of Crawfordsville, Ind.,

MARCH 23-31. JAMES M. WAUGH, City Civil Engineer.

## NOTICE OF Proposed Street Improvement.

SIDEWALK.

Office of City Clerk, Crawfordsville, Ind.

Notice is hereby given that the Common Council of the City of Crawfordsville, pursuant to the provisions of the General Assembly, approved March 8, 1893, for the mode and manner of making street improvements, enforcing the payment of the costs thereof, and issuing street improvement bonds as therein provided, etc., having duly passed the following resolutions, to-wit:

Resolved, by the Common Council of the City of Crawfordsville, that it is deemed necessary to improve North street from Washington street to Lafayette avenue by building a brick sidewalk on both sides of said North street between the points aforesaid. All of said walks shall be five (5) feet in width of best Crawfordsville hard burned brick laid on eight (8) inches of well-compacted coarse sand. The portion of North street in front of lots Nos. three (3) and eight (8) in A. Whitlock's addition of out lots being improved already are excepted from the resolution.

Resolved, by the Common Council of the City of Crawfordsville, that the cost of said improvement shall be assessed per lineal front foot upon real estate abutting on said North street between said points, except the portion thereof occupied by street and alley crossings, which shall be assessed against the City of Crawfordsville. Said assessment, if deferred, to be paid in ten annual installments. A bond, or bonds, shall be issued in anticipation of the collection of said assessments, unless the property owners pay said assessments before said bond or bonds are issued. All as provided for in said act of the General Assembly of Indiana, approved March 8, 1893, and the amendments thereto.

Notice is further hereby given to the owners of all property along the line of said improvement to appear at the office of the Mayor of said city on the 18th day of April, 1894, at 7:30 o'clock p. m., and there make their objections, if any they have, to the necessity for said proposed improvement.

Mar. 17, 1894. C. M. SCOTT, City Clerk.
