The Company Election.
Last night Company I held an election to fill the vacancy of 1st Lieutenant, caused by the resignation of Lewis H. Elliott. The candidates were First Sergeant Clint Williams and Charles O. Wilhite. Both have been hustling for several weeks and consequently the election was an exciting one. Mr. Wilhite came out the victor and is to be congratulated on his success. The company is in good condition at the present and on the increase in number. Mr. Wilhite has been a member of the State militia for several years, has served under five captains, filled the non-commissioned offices from private to the commissioners, and is thoroughly posted in both the old and the new tactics, which will bring him rapidly to the front in his new duties as a Lieutenant.

How Representative Brookshire Would Cure the Ills of the Country.

WASHINGTON, May 2.—Congressman Brookshire, of Indiana, introduced in the House to-day a bill providing for some comprehensive changes in our present financial system. The bill provides that no greenbacks shall be issued of a smaller denomination than \$10; that not over one-fourth in value of the amount of circulation issued to national banks shall be of a less denomination than \$10; that coin certificates shall be issued in lieu of silver certificates, gold certificates and treasury notes issued under act of July, 1890. The bill provides for the issue of coin certificates on all the gold and silver coin and bullion in the treasury in excess of \$100,000,000 of gold coin which is held as reserve for redemption of the greenbacks. The bill also provides for the issue of coin certificates on all of the silver seigniorage bullion not exceeding \$1 for 37 1/2 grains of pure silver, and that it shall be the duty of the Secretary of the Treasury to pay out these coin certificates in discharge of all of the obligations of the United States except such as are made expressly payable in coin. Moreover, the bill provides: That the owner of gold coin and silver coin may deposit the same with the Treasurer or any sub-Treasurer of the United States in the sum of \$10 or any multiples thereof and receive coin certificates in lieu of the same.

Coates College.

A special from Terre Haute says: "A telegram from Chicago says that the Presbyterian board of college aid has voted \$10,000 for Coates College. The synod of the State has directed all the churches to give at least one collection to the college. The Indianapolis Presbytery is trying to raise \$10,000. Mr. W. R. McKeen has subscribed \$5,000 in addition to the amounts he has subscribed from time to time. It is confidently expected now that the \$50,000 debt can be paid."

A Druggist's Opinion.

There is nothing I have ever used for muscular rheumatism that gives me as much relief as Chamberlain's Pain Balm does. I have been using it for about two years—first bottles in all—as occasion required, and always keep a bottle of it in my home. Cure For Headache.

As a remedy for all forms of Headache Electric Bitters has proved to be the very best. It effects a permanent cure and the most dreaded habitual sick headaches yield to its influences. We urge all who are afflicted to procure a bottle, and give this remedy a fair trial. In cases of habitual constipation Electric Bitters cures by giving the needed tone to the bowels, and few cases long resist the use of this medicine. Try it once. Large bottles only Fifty cents at Cotton and Rife's Drug Store.

A Pointer for Travelers.

While Mr. T. J. Richey, of Altoona, Mo., was traveling in Kansas he was taken violently ill with cholera morbus. He called at a drug store to get some medicine and the druggist recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy so highly he concluded to try it. The result was immediate relief, and a few doses cured him completely. It is made for bowel complaint and nothing else. It never fails. For sale by Nye & Booe, 111 Washington street, opposite court house.

Dangerous Preparations.

Alcock's Porous Plaster is composed of purely vegetable ingredients and is absolutely harmless. It assists nature in her own efforts to heal and invigorate, and imparts strength to the whole system.

Many preparations contain strong chemical and mineral substances which produce an injurious effect, not only upon the skin, but upon the whole system, although at first they seem very beneficial, on account of their powerful action and temporary effect upon the surface.

When purchasing a plaster do not only ask for Alcock's, but make sure that you get it.

Brandreth's Pills are purely vegetable.

A Popular Remedy.

The promptness and certainty of its cure have made Chamberlain's Cough Remedy famous. It is intended especially for coughs, colds, croup and whooping cough, and is the most effective remedy known for these diseases. Mr. C. B. Main, of Union City, Pa., says: "I have a great sale on Chamberlain's Cough Remedy. I warrant every bottle and have never heard of one failing to give entire satisfaction." 50 cent bottles for sale by Nye & Booe, 111 Washington street, opposite court house.
