### "THE AXES HAVE IT."

The Republican county convention of last Saturday will go down in history as one of the most harmonious and smoothest running assemblages of party politicians that ever met in the county. The arrangements were perfect and the proceedings, from start to finish were characterized by the utmost harmony. There was a little friction at the starting up of the machine but the cogs were soon adjusted and from that time on everything ran like clock work. Much credit is due to the committee for the system it adopted in seating the delegates, the officers, the press and spectators, including the ladies. Everything was done that could be done to contribute to the comfort of the audience and the expedition of business. The committee on organization made a happy selection in John C. Wingate as permanent president. He proved to be the man for the occasion. His speech, accepting the position, put everybody in good humor, and his rulings were prompt, impartial and satisfactory to all. The actual business of the convention, the balloting for nominations, occupied about two hours, which, all things considered, was a dispatch of business unprecedented when it is remembered that it required twenty ballots to complete the ticket. Of the result of the labors of the convention the ticket speaks for itself. It is composed of some of the best men of the county. It is a good ticket singly and in all its parts. The delegates labored under great difficulty in making a choice from so many good men who presented themselves as candidates for the various positions. But they made their choice and everybody should be satisfied. There may be personal disappointments and probably are, but these disappointments are inseparable from politics. It is no reflection on the character or the running qualities of any defeated candidate that some other man should be chosen. The man who gets left should remember that the man who gets there is equally as good as himself, and the more philosophy he mixes in with his defeat the greater he will be in the eyes of the public. But to the personnel of the ticket.

Capt. E. T. McCrea, the nominee for Representative, is a citizen of Coal Creek township. He is a farmer by occupation, is popular with the people, progressive in his ideas, and will represent the county in the State Legislature with an ability that will reflect credit on his constituency.

Dumont Kennedy, the nominee for Prosecuting Attorney, is the youngest son of Hon. P. S. Kennedy. He is one of the rising young attorneys at the bar and his future is bright for a successful career. His abilities are of a high order and THE JOURNAL is sanguine that he will make his mark as a Prosecutor.

William M. White, who carried off the nomination for Auditor, is a self-made young man. His qualifications for the office are of a superior order. He has a wide acquaintance throughout the county and none know him but to esteem him for his true and generous manhood.

William Johnson, the nominee for Treasurer, is an old citizen of Scott township. He is a farmer and stock dealer and is widely and favorably known among the farmers for his rugged honesty and fair dealing. His name is a synonym for integrity.

Charles E. Davis is the present Sheriff. He was nominated by acclamation. The fact that he had no opposition was a concession to his abilities and to his faithfulness as an officer.

Harvey E. Wyncoop, the nominee for Surveyor, is a self-made young man. By his own unaided efforts he has worked his way through Wabash College and will graduate in June with high honors. As a hustler he is a success, and will bring to the discharge of his duties a thorough knowledge of his profession.

Dr. Paul J. Barcus, the nominee for

Coroner, is one of the most popular physicians in the county. He is a son of the late Col. John M. Barcus and was reared in the north part of the county. That he will make a good race goes without saying.

Hannibal Trout, the nominee for Commissioner from the Eastern District, is known to almost every man in Montgomery county. He has twice represented Montgomery county in the Legislature, and is known as a man of good judgment, of careful business habits, and will make an ideal Commissioner.

Henry W. Harding, who carried off the nomination for Commissioner from the Middle District over three other excellent men, is a successful farmer living two miles south of the city. He is careful and painstaking in all business matters and will look after the interests of the county with the same care that he looks after his own.

Such is the personnel of the Republican county ticket. Let the Democrats match it if they can.

### Flowerless Lives.

A pathetic incident occurred in the wails' school in Pittsburgh a few weeks ago. One of the teachers brought a beautiful red rose to school, which, holding up before the scholars, she asked, "Now children, how many of you know what this is?" Nearly every little one shook his head to indicate ignorance. One small boy and a couple of little girls piped out, with great importance: "It's a posie, please, ma'am." But no one had ever heard of a rose. Most of the children had never seen one before. The teacher put it in a glass of water to preserve it, and when school was dismissed each child was rendered supremely blissful by the gift of a tiny petal. As they floated out of the door, each little waif clutched his treasure tightly in his small hand, while he murmured softly to himself the name: "Pitty wose, pittty wose!"

### Free Wine.

There is such a tremendous quantity of wine in Spain this year that they absolutely do not know what to do with it. Good red wines are being sold for three farthings a quart, and even at that price there are not enough purchasers to take it all, and in many places the wine growers are simply throwing it away, because they have no room to keep it and cannot sell it. Near Liria, in Valencia, a vineyard proprietor put out on the high road a little cart with a barrel of wine on the top of it, bearing the inscription: "Wanderer, drink as much as you like, but do not forget to turn off the tap."

### Are You Insured?

If not, now is the time to provide yourself and family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as an insurance against any serious results from an attack of bowel complaint during the summer months. It is almost certain to be needed and should be procured at once. No other remedy can take its place or do its work so well and so quickly. Sold by Nye & Booe, 111 North Washington street, opposite court house.

### Economy and Strength.

Valuable vegetable remedies are used in the preparation of Hood's Sarsaparilla in such a peculiar manner as to retain the full medicinal value of every ingredient. Thus Hood's Sarsaparilla combines economy and strength and is the only remedy of which "100 Dollars One Dollar" is true. Be sure to get Hood's.

Hood's PILLS do not purge, pain or gripe, but act promptly, easily and efficiently.

### Bucklen's Arnica Salve.

The best salve in the world for Cuts, Bruises, Sores, Ulcers, Salt Rheum, Fever Sores, Tetter, Chapped Hands, Chilblains, Corns, and all Skin Eruptions, and positively cures Piles, or no pay required. It is guaranteed to give perfect satisfaction or money refunded. Price 25 cents per box. For sale by Cotton & Rife's, the Progress Pharmacy.

### Whisky, \$1.25 Quart Bottle.

When you want a whisky for medicinal use, you want it pure. "Royal Ruby" whisky is guaranteed pure in every particular, and recommended for the aged, the invalid and the convalescent. Bottled only at distillery. "Royal Ruby" Port Wine.

Taste of this wine, and you will know why we call it "Royal." A glass held up to the light will show why we call it Ruby. It is grand in sickness and convalescence, or where a strengthening cordial is required; recommended by druggists and physicians. Be sure you get "Royal Ruby," don't let dealers impose on you with something "just as good." Sold only in bottles; price, quarts \$1. Pints 60 cents. Sold by Nye & Booe, druggists.

### A Small Doctor Bill.

Fifty cents is a small doctor bill, but that is all it will cost you to cure any ordinary case of rheumatism if you use Chamberlain's Pain Balm. Try it, and you will be surprised at the prompt relief it affords. The first application will quiet the pain. 50 cent bottles for sale by Nye & Booe, 111 North Washington street, opposite court house.

For pamphlets see THE JOURNAL CO., PRINTERS.

**Notice to the Consumers of the Crawfordsville Water and Light Co.**  
We desire to notify customers who are dissatisfied with their present annual flat rates that we will furnish them water by meter measurement upon the following basis.

If the consumer will set at his expense a meter to be approved by the Manager of this Company, we will rebate his charge 15 per cent of the regular meter rate if his bills are paid at the office of the Company previous to the 15th of the month for the previous month's consumption of water and will adjust unpaid disputed charges for water consumed during the interim from the first of April to the setting of meter upon a basis of the consumption by meter measurement. To obtain the rebate above offered meter bills must be paid at the office of the Company previous to the 15th of the month for the previous month's consumption. In addition to the above the Company will agree to purchase the meter from the consumer at a price not to exceed that at which a similar meter can be purchased from the dealer. Payments therefor to be made in monthly installments equal to 25 per cent. of balance of the consumer's meter bill for the month after deducting 15 per cent. Information in regard to meters can be obtained from the manager of the company on application.

Respectfully,  
The Crawfordsville Water & Light Co.

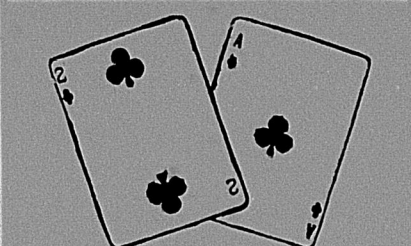

## SAILED THE SEAS 38 YEARS.

### One of His Experiences.

For thirty-eight years Capt. Lead followed the sea, most of that time master of a vessel, and upon retiring from the water was appointed by the Secretary of the United States Treasury to superintend the seal fisheries in Alaska, which position he held five years. He relates one experience as follows: "For several years I had been troubled with general nervousness and pain in the region of my heart. My greatest affliction was sleeplessness; it was almost impossible at any time to obtain rest and sleep. Having seen Dr. Miles' Restorative advertised, I began using Nervine. After taking a small quantity the benefit received was so great that I was positively alarmed, thinking the remedy contained opiates which would finally be injurious to me; but on being assured by the druggist that it was perfectly harmless, I continued it together with the Heart Cure. Today I can conscientiously say that Dr. Miles' Restorative Nervine and New Heart Cure did more for me than anything I had ever taken. I had been treated by eminent physicians in New York and San Francisco without benefit. I owe my present good health to the judicious use of these most valuable remedies, and heartily recommend them to all afflicted as I was. Capt. A. B. Lead, Hamilton, Me. Dr. Miles' Restorative Nervine and New Heart Cure are sold by all druggists on a positive guarantee, or by Dr. Miles Medical Co., Elkhart, Ind., on receipt of price, \$1 per bottle, or six bottles for \$5, express prepaid. They are free from all opiates and dangerous drugs.

Sold by all druggists.

The comparative value of these two cards is known. They illustrate that greater quantity is not always most to be desired.
