UPROAR AMONG HORSEMEN.

Frank Steiner, Secretary of the National Racing Association, Questions Robert J. Hecord.

Special to The Journal. INDIANAPOLIS, Sept. 8.—Frank Steiner, Secretary of the National Racing Association, makes a statement which has stirred up controversy among horsemen assembled here. He doubts the accuracy of the official time keepers who give the time of Robert J. at 2:02 1/2, the world's record. He does not give the time but intimates that it was slower than the record. Budd Doubleris understood to sympathize with Steiner's view but does not express himself. The Indianapolis Driving Club produces a list of a hundred watches which kept the time, the same as officially recorded. It says further that Steiner is under obligations to the Terre Haute horsemen and that he is sore because the record has been broken away from that track.

TELEPHONE ORDINANCE PASSED.

Effort to Have Rates Reduced Defeated—The New Wabash Avenue Bridge Is a New Thing.

The City Council met in special session last evening to consider the new telephone ordinance and the proposed new Wabash avenue bridge over the Monon railroad. Councilman Whitte was absent.

The committee to whom was referred the petition for an ordinance giving a franchise of the city to A. F. Ramsey and P. C. Somerville to establish a telephone exchange, reported as follows:

TO THE MAYOR AND COMMON COUNCIL: Your committee to whom was referred the telephone ordinance beg leave to recommend the passage of the same, suggesting a change in the rates, making the rate for private dwellings \$15 per annum and for business houses \$30, also requiring the said company to furnish, free of cost, to the city, not to exceed four telephones if the same are needed for the city's use.

On motion of Mr. Robinson the report was accepted.

Councilman Thomas in his remarks claimed the rates as fixed by the proposed ordinance to be excessive, as other cities had lower rates for the like service, sustaining the report of the committee.

Mr. Reynolds stated at length the right of the city to superintend the placing of poles and stretching of wires to the end that the city should control the whole system.

Mr. Somerville being present asked, and was granted, leave to make a statement. He readily acquiesced in the proposition of Mr. Reynolds in the city taking charge of the establishment of the lines and suggested that the proposed ordinance cover the whole ground.

It was suggested that the lines run along alleys so far as practicable.

Mr. Robinson suggested the difficulty attending the running of lines through alleys on account of the liability of obstructing such narrow passways.

Mr. Ramsey asked, and was granted, leave to make a statement. He offered no objection to the city government controlling the establishment of the lines, but objected to the amendment reducing the rates named in the original ordinance petition.

Mr. McCampbell suggested a compromise by fixing the rates at \$20 for private residences and \$32 or \$34 for business houses.

After further consultation and by consent of Messrs. Ramsey and Somerville, Mr. McCampbell offered a motion fixing the rates at \$24 for private residences and \$36 for business houses. On a call of the roll the vote stood as follows: Myers and Thomas, nay; Robinson, Reynolds and McCampbell, aye. There being a majority in favor the motion was declared adopted.

Mr. Reynolds then offered the following motion: That the ordinance be placed upon its final passage: The vote stood: Myers no, Robinson aye, Thomas no, Reynolds aye, McCampbell aye. There being a majority in favor the motion was adopted.

Mr. Reynolds, of the committee on the Wabash avenue bridge improvement, reported having had a conference with civil engineer Hall, of the L. N. A. & C. Ry., whom he found willing to cooperate with the city.

The county commissioners having been interviewed it was learned that where a bridge was necessary, and of such bridge would cost to exceed \$500, they were required by law to build the same, but it becomes necessary to make application for all such improvements at the regular session of the board of commissioners.

Mr. Reynolds then offered the following resolution: Resolved, That Councilman Thomas and City Attorney Whittington be and are hereby appointed a committee to draft resolutions, bringing the matter before the county board of commissioners.

On motion of Mr. Reynolds the Council adjourned.

THE FAIR CLOSED.

Fifteen Thousand People Through the Grounds Yesterday—The Fair a Success.

There were 25,000 attended the fair on Thursday and 15,000 yesterday. The fair was a success and the management came out over \$1,000 ahead. When it is considered that this success was accomplished in the face of opposition in half a dozen quarters it is really surprising. Hundreds of people thronged here from Tippecanoe county, ignoring the Lafayette fair and its wide open and burglarous methods. The Crawfordsville association is paying 100 cents on the dollar and has a big roll left. Next year new features will be introduced and the only fair on earth will be a greater success than ever.

The following is the summary of yesterday's races:

NOTES.

Mrs. Elizabeth Talbot, 83 years old,

took the first prize on corn bread and the second prize on salt rising bread.

During the whole week the races were snaps for the winners. The winning horse never lost a heat in any race.

Poem, the horse breaking the track record yesterday is nine years old. When four he had a mark of 2:27. One Allen at the same age has a mark of 2:29.

Little Gus, the yearling pacer of Glescock made a half yesterday in 1:22 1/2. The colt was not in good form either, having been hurt in transportation.

In the exhibition heat by Poem, the trotter, the track record was lowered from 2:15 1/4 to 2:14 1/4. The record of 2:15 1/4 was made by Dr. Halle, pacer, last year.

City Lots Sold.

The remaining lots in the Galey addition on east Wabash avenue and Jefferson streets, were sold at auction to-day on the court house steps by Commissioner Charley Johnston. They brought good prices, too. The following is a list of sales:

Lot No. 4, corner Wabash avenue and Hucum street, \$880, J. K. Everson.

Lot No. 7, on corner east of C. L. Rost's lots on Wabash avenue, \$425, Timothy Casey.

Lot No. 11, on Jefferson, back of No. 4, \$425, J. C. Hutton.

Lot No. 12, back of Dr. Greene's lot and fronting on Jefferson, \$370, J. C. Hutton.

Lot No. 13, on Jefferson, back of John Sloan's place, \$345, Laura Sloan.

Lot No. 14, on Jefferson, back of H. S. Watson's lot, \$355, Jas. H. Watson.

Richards & Pringle's Minstrels.

Twenty-four years is a long time for a company to be on the road under the same management that created it. That is the record of Richards & Pringle's famous Georgia minstrels who will appear at the Music Hall Tuesday, Sept. 11. O. E. Richards, the manager, has grown gray in the business and to-day is comfortably gxed with his wife's goods, but has no desire to quit the road as he claims he would not know what to do with himself. Billy Kersands has been with him for nine years and has refused big offers from other managers, but knows where and when he is well off. The route of the company is Lafayette, Sept. 10, Crawfordsville, 11, Terre Haute, 12 and 13, Indianapolis, 14 and 15, Dayton, 17, Springfield, 18, Columbus, 19.

The K. of P. Pic Nic.

The committee to make arrangements for the Knights of Pythias picnic to be held in this city on the 27th of this month is in session this afternoon at DelBayer castle hall. The committee consists of fourteen members, four from Crawfordsville lodge and one each from the lodges at Ladoga, Darlington, Waynetown, Waveland, New Ross, Mace, New Richmond, New Market, Wingate and Shannondale. It is the intention to have a thousand Knights in line on the day of the picnic and a royal time is anticipated.

Rented the Opera House.

The Republican Central Committee has rented the opera house on Washington street for headquarters and the Morton club will hold a meeting there next week. The room is large and commodious but it requires that sort of a place for Republicans this year.

HOOSIER HAPPENINGS.

News Briefly Told from Various Towns in Indiana.

Another Record Broken.

INDIANAPOLIS, Ind., Sept. 8.—Friday's programme at the driving park developed only one feat of record-breaking. The record-breaker was directly, the fast son of Direct, who paced a mile in 2:10 1/4 at Chicago two weeks ago. The little black horse started at 4:30 o'clock on a good track. McDowell rated Direct a fast first half, reaching the half-mile stone in 1:03, after striking out with a quarter in 3:14. He came home perceptibly slower, not reaching the three-quarter pole until 1:38 1/2. His last quarter was in 3:34, and the mile was made in 2:10 1/4, lowering the horse's record by half a second.

The other events were trots which had their features. Strader II, at 15 to 1, went out and won the first heat with William Penn, a good second. He covered the mile in 2:09 1/2. Strader then fought the flag until the last heat, when he was distanced. Ellard won the second heat in a driving finish with Dugy Jim. The gray son of Young Jim trotted the next three heats ahead of the field.

Indiana Y. M. C. A. Meet.

LAFAYETTE, Ind., Sept. 8.—Friday was the third day of the Northwest Indiana conference. The committee appointed to revise the rules and regulations of the Preachers' Aid society reported that there would be a number of modifications, and asked that time be extended until the next session of conference, which request was granted. An invitation from the First Methodist Episcopal church of Valparaiso asking the conference to meet there next year was accepted.

George W. Switzer, chairman of the visiting committee to De Pauw university, presented the committee's report to the conference. The committee reported that it had found the financial affairs of the institution in a bad way. Dr. John P. D. John, president of the university, said that the expenses of the institution had increased, while the income had not, and that a deficit of about \$15,000 existed.

Indiana's First Free Street Fair.

PERT, Ind., Sept. 8.—The first free street fair ever held in Indiana will take place in this city next week, September 10 to 15 inclusive. There will be military drills, band contests, balloon ascensions and other features. Booths, tents and sheds have been erected on the principal streets. The city council and county commissioners have granted the fair association officers the full and exclusive right of all the streets, alleys and sidewalks during the week mentioned. The courthouse square will be used exclusively as a resting place, in which benches, chairs and other forms will be provided.

Gone to His Reward.

MUNCIE, Ind., Sept. 8.—Rev. Benjamin Smith, for over forty years a member of the North Indiana conference of the Methodist Episcopal church, died at his home in this city Thursday night, aged 75. Funeral services will occur Monday afternoon at 3 o'clock at High street Methodist Episcopal church by Rev. George H. Hill. Mr. Smith was born in Fairfield county, O., and had resided in Muncie forty years.
