AYER'S CHERRY PECTORAL,

For the rapid cure of COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

"Wisdom shall bow down to it, and the great of the earth, shall kneel before it."

Never could this be said with more truth, than it now applies to this remedy for affections of the throat and lungs. The exalted in learning and power, acknowledge its supremacy, while both the little and the great can feel its benefits. The liberal-minded among those skilled to cure, are free to own its mastery over disempowers which have baffled their art. Those of exalted stations are not ashamed to testify to its virtues, but deem it a duty and a pleasure to thus hold out the lamp of their experience to their suffering fellow-men.

Witness the following: [Translation.]

Vermillionville, La. April, 1853. Mons. le Dr. J. C. Ayer:—I have, of late, made frequent use of your Cherry Pectoral in my practice, and I am happy to inform you that in no case yet has it failed me. I have made some signal cures of Laryngitis and Bronchitis with it, and have completely cured one case of Asthma, which had withstood every other medicine I could employ.

Accept, Sir, the assurance of my distinguished consideration.

Late Surgeon of the Royal Marine, France. Extract from a letter of our Minister at the Court of the Sublime Porte.

Legation of U. S. A., Constantinople, Turkey. Dr. J. C. Ayer. Dear Sir: The Cherry Pectoral received from you for the Sultan has been delivered to his private secretary at the palace, and you will doubtless hear from it in due season. That you were so kind as to send me has been given to friends, who have in many cases, found it exceedingly useful.

Yours respectfully, GEO. P. MARSH, Minister Plenipotentiary of the U. S. A. to Turkey.

Curacao, March, 5, 1852. Dr. J. C. Ayer:—I use your Cherry Pectoral daily in my practice, and am satisfied it is a remedy which must meet in every country the highest approbation.

C. W. JACKHEER, M. D. Resident Court Physician.
